

CLUB WILL HAVE OPENING JULY 3

300 Persons Will Dine At Sunset Ridge Function

One of the most elaborate social functions of the year is scheduled at the Sunset Ridge Country club for July 3, when that organization will hold its formal opening.

More than 300 persons are expected to attend the event, which starts with a dinner at 7:30 o'clock. Professional entertainers have been secured to add to the evening's pleasures and an open air dance will top off the festivities.

A large staff of employes and workmen have been kept busy on the club's premises the past fortnight in preparation for the occasion which promises to mark a social epoch on the north shore.

The club's opening will inaugurate a series of the coming season's functions. Among these will be a dinner and dance every Saturday night, with the Sunset Ridge orchestra, an organization of eight pieces under the direction of Ted Ruhl, furnishing the music.

The club has assigned Tuesdays as ladies' days, when bridge and luncheons will be the features.

Mixed forenoon events are scheduled for Wednesdays, with prizes for the winners. The prize winners will be announced at the club's dinners those evenings.

The club golf course will be open for play at 8 o'clock on the morning of July 4. Howard Walton, who is chairman of the grounds committee, and who is one of the founders of the club, will be the first man to tee off.

Robert Pirie is the professional in charge of the course.

The officers of the club are: President, Forest Lowry; vice president, Howard Walton; secretary, Charles Hough, and treasurer, William Hough.

Police Nab Alleged Phone Box Robbers

Three men were picked up Saturday night, June 21, by Officer Fjellman of the Winnetka police force, who are charged with larceny. It is alleged that Albert Burke, alias Alexander Backstrom, Joe Daugherty, alias M. J. Ryan, and Herbert O'Donnell, alias Harry Roberts, all of Chicago, were breaking into telephone boxes in Hubbard Woods and Glencoe.

The police report that these men have police records. They are being held for the July grand jury, under \$5,000 bonds each. Joe Daugherty was also fined \$10 and costs for operating a motor vehicle without a state license, in Magistrate Northrop's session.

Parents and children of the First Scandinavian Evangelical church are planning for their annual outing to be held Sunday, July 6.

Program for Sunday at Congregational Church

Rev. James A. Richards will preach tomorrow morning at the Winnetka Congregational church on the topic, "It's Your Move."

Why do we call them X-Rays?

—because, when Roentgen discovered these rays, he did not understand what they were. Therefore he called them "X", which in science means the unknown. The great demand for **Puretest Rubbing Alcohol** is easily understood by anyone who has used it on sluggish skin or tired, aching muscles.

10 CENT GASOLINE

is what the Packard Six owner gets.

Owners of heavy, complicated cars pay 20 cents.

Here's why—and how.

The Packard Six gives 16 to 18 miles and more per gallon of gas; 500 to 800 miles and up from a gallon of oil; 20,000 miles and up from a set of tires.

The Packard Six pays its own way out of savings in gas, in oil, in tires, in the absence of repairs.

Come in and let us prove it.

Many prefer to take advantage of Packard's extremely liberal time payment plan to enjoy immediately the advantages of a Packard Six or Packard Eight—purchasing out of income instead of capital, just as practically all other necessities are now bought.
