

Kindergarten-Elementary College to Present Program

THE Woman's club of Evanston announces a program of unusual interest for members and friends for the afternoon of Tuesday, July 1, at 3 o'clock. This, which is the second of the informal summer programs, will be a Children's Afternoon, presented by graduates of the National Kindergarten and Elementary college.

Miss Lillian Lyman of Evanston will entertain with her French Doll Dance and the Dance of the Court Jester.

Miss Nellie Ball of Chicago, remembered as the Queen of Summer in the Pageant of the Seasons recently presented by the students of the college at the Evanston Country club, and also as one of the Toy Carnival minstrels, will contribute appropriate songs. She hopes to bring with her a few of her minstrels who have not traveled too far for the summer to be recalled for this event.

Patriotic music and a flag parade led by Raymond Brookley as Uncle Sam and by Margaret Pease, who will impersonate Columbia, bring the program to a close and lead the young guests to the lawn where refreshments will be served.

Mrs. Harry G. Phillips, also a graduate of the college, and very active in the North Shore Alumnae association, is hostess for the afternoon, assisted by Mrs. Rollin Pease and Mrs. James Roy Skiles.

A new department of the club has been made in the formation of a community service committee. There is a great need of vegetables and fruit at Sunset camp. The work of the community service committee will be to arrange for the collection of all such garden surplus from members of the club. This will be the fourth meeting of a series being held each Monday through the summer. The object of these gatherings is the preparation of articles to be sold in the College Corner at the Courtesy Shoppe, 508 Davis street, Evanston. This is one way in which this group is swelling the college building fund.

Mrs. Herman B. Butler of 715 Prospect avenue has just returned from the east where she had been visiting for about ten days. Mrs. Butler attended the commencement of her son, Stuyvesant, who was graduated from Yale and is expected home in about two weeks to spend the summer.

The Rosewood and Scott avenue circles will entertain the children and mothers of the Chicago Commons Monday afternoon at the Winnetka beach. If the weather is unpleasant, the party will be held at the Community House. Mrs. Marcus Richards is chairman of the arrangements.
