

**Gives Dance of "French Doll"**

Miss Lillia Lyman of Evanston gave her very attractive dance of the "French Doll" at the Evanston Woman's club Tuesday afternoon, July 1, when the club gave its annual mid-summer Children's party to members and friends.

Miss Lyman, a graduate of the National Kindergarten and Elementary college, has charmed north shore audiences with her character dancing at the annual toy carnivals given by the college each December at the Woman's club. Her most recent appearance until this week was in the role of Kate Bence in "Kempy," which was given at St. Luke's Parish House, Evanston, late in May.

**He Disliked 'em Then; He Sure Hates 'em Now**

Arthur C. F. Gedge, adjutant of the Winnetka Post, American Legion, has developed a very personal and specific grudge against the species of human now commonly referred to as "parlor pinks."

It all happened this way: Winnetka Legion recently invited some of the "pinkies" to a meeting for purposes of discussing the pros and cons of the radical movement. Everything went along nicely until

the close of the gathering when Arthur, who was delayed by a "post mortem session," discovered that his new straw had been confiscated and replaced by one of last season's variety that proved about four sizes too large—so large, in fact, that he could whirl it on his head without once having it brush the line of circumference, if you understand our meaning.

None of the legionnaires is wearing Arthur's hat, so he has placed the blame where it apparently belongs, upon the irreconcilable scoundrels of his pale contemporaries.
