

# 30 ADVENTURERS NEAR NEW CAMP

**Kinney's Crew to Reach  
Green Bay Soon**

Thirty boys from the north shore are nearing their destination, Adventure Island camp on Green Bay, in charge of Charles A. Kinney, skipper of the Dream Girl which left the Winnetka beach Wednesday.

There were 15 boy campers on board the Dream Girl and the other 15 motored up, with Bob Townley heading the auto brigade. At Sturgeon Bay the entire group met and proceeded to Adventure Island. They will take the camp in true explorers' fashion, accompanied by cannon salute and the planting of the adventurers' flag.

Each of the boys on board the Dream Girl took the wheel in the 275 mile cruise and helped plot the course. The fleet was augmented this year by a new V bottom runabout which will be used for mail service between Adventure Island and Fish Creek.

The north shore boys who will attend the camp are: Francis Allen, Henry Allen, Pardee Beardslee, Gordon Badenock, Jack Thomas, Philip Broderick, Gilbert Pirrung, William Stix, Alfred Gillhorn, John Bardon, Sherman Taylor, Jamie Odell, Jack Odell, Fred de Peyster, Stephen Hawkhurst, Jack Clark, Milburn Pridmore, Bob Joslin, Stanley Craven, Jack Rathbone, Hobart Newman, Paul Schoenfeld, Arthur Mayer, Billy Hughes, Jimmy Fleming, Jimmy Kerr, Alan Frank, Platt Whitman, Jeff Whitman and Willetts Burnham.

The camp is in charge of Charles

A Kinney, Winnetka, who is assisted by Bob Townley, of the Joseph Sears school faculty and Kenilworth Boy Scoutmaster; D. S. Leland, of the John Burroughs Country Day school, St. Louis, Missouri; Elmer P. Sipple of the Skokie school, and J. A. Humphreys, who will be in charge of camp dramatics.

## Somebody's All "Het" Up About Something Here

Somebody's angry at somebody else. Let those who doubt but read and be convinced by the accompanying which, for purposes of classification, we must term a communication.

It was addressed to "Winnetka Talk—Winnetka or Wilmette" and reads as follows:

"Hay you crepe-hanger and beautiful oak trees, why not put the money into nuts for your little animals and enjoy seeing them eat them. Cut down your oak trees and sit around a nice hearth-fire in the fall and know you have not paid a cent out. Get a gun and enjoy seeing the neighbors worrying about the lives of their children as we have had to worry. Let us hope Winnetka will keep their laws and let us help Winnetka to keep them.

"Also a by-law prohibiting people from building garages beside dining room windows stopping the view."

A Law Abider.  
Editor's note: Ordinarily anonymous communications, which are very cowardly, find their place in the editorial waste basket, but the above was so crazily crazy and ravingly rav-y about, well, we can't just tell what, that we felt it merited publication as a sample of what some twisted minds regard as intelligent news matter. Just an instance of what

the "freedom of speech and press" prerogative does for some of us. The above communication was written on pink paper, which may or may not be significant. It would all be very funny if it were not so lamentably tragic and puerile.

### ADAMS AT CONVENTION

Elmer E. Adams returned late last week from a ten days' absence in attendance upon the convention of Rotary International at Toronto, Can. Following the convention Mr. Adams visited in Montreal, Quebec and New York before returning to the village.

### Summer Dresses

Fluffy light summer frocks for the hot July days. They're attractive and moderately priced.

## Raising The Money

The time comes in every man's life when he has to raise some extra money. The trend of his career and the success of his business will often depend upon whether he can do this.

The easiest way to raise money when you want it is to save it. A bank account will mean that you will always be able to raise money whenever you want it.

And then if you need more in addition to your savings, the bank where you have always carried your account will be a great help to you.

Try carrying your account at this bank.
