**For Hot,  
Humid Days**

For the hot, humid days that make your feet swell and burn, Cantilever Shoes are a welcome relief. They are patterned from the natural outline of the foot. The result is such absolute comfort that you are never conscious that Cantilever Shoes touch the foot at any point.

There is ample toe room. The inner sole line, which follows the line of the foot, allows the toes to point straight ahead in their natural position. The heel of a

is slightly tilted; it tends to distribute the weight evenly.

The flexible shank is drawn up when the shoe is laced so that it meets and supports the arch of the foot at every point. The flexibility of the shoe arch allows the muscles to exercise freely, which strengthens the arch muscles.

Try Cantilever Shoes for your summer foot troubles. You will like their good looks and their refreshing comfort.

**Mordock-Adams Wedding Lovely Occasion**

The maid of honor, Miss Barbara Nicholls, and the bridesmaids, Miss Josephine Hoyt, Miss Katherine Bulkley, Miss Eloise ReQua and Mrs. Earl R. McCarthy wore gowns of pale jade green chiffon with hats of beige lace. They carried garden flowers, pink and blue in color.

The bride wore a French gown of crepe Elizabeth, with silver bead embroidery, and a long train. Her veil was of tulle, and her bouquet of white sweet peas and lilies-of-the-valley.

Her two little cousins, Alce Ann Clark of Winnetka and Kitty Ober of St. Paul stretched the ribbons.

Mr. Adams' attendants were Sidney Adams, best man, and the ushers, Robert O. Clark, John B. Mordock, Thomas H. Adams, Robert Breakey and Dr. Earl R. McCarthy.
