300 People Expected at Sunset Ridge Opening

More than 300 people were expected to attend the formal opening of the Sunset Ridge Country clubhouse Thursday of this week. For some time workers have been busily engaged in arranging the myriad details attendant upon the great event and there were prospects for a gala holiday time. The formal opening was scheduled to begin with a dinner to be followed by a dance. The occasion is considered one of the outstanding social events of the summer season.

LOCAL GIRL TO ATTEND LASSELL

Mary Mack Enrolled in Famous Girls' Seminary

Miss Mary Mack, of 707 Central avenue, Wilmette, has made application for enrollment as a student for the 1924-25 term at Lasell seminary for young women at Auburndale, Massachusetts, according to Dr. Guy Monroe Winslow, president of the institution.

Miss Maude A. Herrick, Shelbyville; Miss Jessie Matteson, Chicago; Miss Elizabeth Saxton, Chicago; Miss Charlotte E. Ingwersen, Chicago; Miss Kathryn Moore, Chicago; Miss Charlotte Young, Chicago; Miss Ruth R. Voltz, Chicago; Miss Eva May Mortimer, Evanston, are the Illinois girls who have applied for enrollment at Lasell thus far for the next term. Several of these girls were students at Lasell during the 1923-24 term.

A party of Lasell students will spend the summer at Camp Teconnet, situated in China Lake, China, Me., eight miles south of Waterville and seventeen miles from Augusta. The camp occupies the entire six acres of the Island of Teconnet and opened July 1 and will close August 31. The camp is under the personal supervision of Mrs. Charles F. Towne, an instructor at Lasell. Miss Mack will have an opportunity to attend the camp next summer.

Miss Mack will have the advantages of making the annual excursions to the White Mountains in mid-winter and to Washington during the spring recess. In 1922 President Calvin Coolidge, then vice president, received the students at Washington and he was made an honorary member of the 1922 class.

Lasell seminary was founded in 1851 by Professor Edward Lasell, of Williams college, as a school of first rank for girls. In the reconstruction days after the Civil war it was directed by Dr. Charles W. Cushing. In 1878 Dr. Charles C. Bragdon began his successful principalship of thirty-four years and Dr. Winslow followed. Dr. Winslow is a pioneer as an educator and believes that a young woman like her brother needs training for her life work.
