SOCIAL ACTIVITIES

Village to Have Indian Side Show at Circus

CARNIVAL Day is the special feature planned for children on Thursday, July 31, at Ravinia. Miss Bertha Iles will bring youngsters from Chicago who will give circus stunts, while the side shows, for no circus is complete without these fascinating mysteries, will be given by children of the north shore towns.

The Winnetka committee feels that it has been extremely fortunate in securing Kioto Tecumseh, a full blooded Dakotan Indian who, in the complete war dress of his tribe, will weave into his songs the tribal themes of the Dakotas. Mr. Tecumseh, a resident of Winnetka, is well known in radio circles for he has broadcast his songs at intervals during the winter. Winnetka children, attired in Indian dress, will take their part in the side show which is also having as added attractions, snakes and monkeys, which Mrs. Ickes of Hubbard Woods is lending for the occasion. Village kiddies will also be balloon vendors, and those who wish to be photographed will find it possible to have their pictures in their possession a minute after the taking. The fun begins at 3 o'clock.

Three Winnetkans Carry Off Open Day Honors

THE largest "Field" ever gathered together for Open Day for the Women's Western Golf association was in attendance at Indian Hill on Wednesday. The winners of the individual matches were Miss Dorothy Klotz, with a low gross of 82, and Mrs. Lee Mida, of Butterfield, with 83. Mrs. Edgar Stevens of Skokie and Mrs. Mida held the low gross score for the best ball foursome, and Mrs. Fletcher Marsh and Mrs. Howard O'Brien won the low net score for the same event, which took place in the afternoon. Miss Klotz won the contest for a box of balls given by Joe Moran, the club's professional.

Mrs. Farlin H. Ball, president of the Women's Golf association, was at Indian Hill for the events and for the buffet luncheon which was served. Mrs. Hathaway Watson, Mrs. Paul D. Noyes, Mrs. Howard O'Brien, Mrs. James Prindeville, Miss Margaret Knapp, members of the golf committee, were also among those playing or walking about the course.
