

CONTRACTS LET FOR DAWES DAY

Evanston Streets to Present Gala Sight for Notification Ceremony

EXPECT 50,000 PEOPLE

Entire North Shore to Join in Festivity

Flags, bunting, street and house decorations and illumination by night will give Evanston a festive appearance on the occasion of the official notification of General Charles G. Dawes, Republican candidate for vice president, August 19, the Evanston Citizens' committee in honor of General Dawes' notification announced this week.

Contracts have been closed with the Home Decorating company of Chicago, one of the largest decoration contractors in the country, for decorations for the main business districts and the greater part of the east side near and leading up to the Dawes home, where the exercises will take place.

According to present plans Main, Dempster and Davis streets will be hung with flags and bunting from the elevated line to Forest avenue. The decoration scheme will also be continued on Forest avenue from Main to Davis, Sherman avenue from Grove to Church and Orrington avenue from Davis to Church.

Illuminate Premises

At the corner of Greenwood boulevard and Forest avenue a special electrical and decorative display is being planned, details of which will be announced later. Thence on Greenwood to the Dawes home on Lake Shore drive to the street will be illuminated.

Business houses on the main streets will be encouraged to make special displays to harmonize with the general scheme of decoration for their street. All decorations, according to the contract, must be in place by Saturday noon, August 16, and must remain until Wednesday noon, August 20, so that tourists passing through the city will be advised of the nature of the celebration.

The citizens' committee in a statement this week emphasized the fact that the entire demonstration as far as the north shore is concerned is a purely civic enterprise and will have no political aspect.

North shore plans by this demonstration to show its respect to its distinguished fellow citizen and act the hospitable host to the thousands who will assemble in Evanston on August 19 to witness the ceremonies.

Plans are under way to accommodate and entertain the crowd which it is estimated will be well over 50,000 the entire day.

CAMP LIFE GETS HOLD ON BOYS, THIS PROVES

Yesterday morning a strange looking individual, badly in need of a haircut, walked down Michigan boulevard gawking at the S. O. S. signs on the autos and buses. He seemed sort of dazzled by being in the city again.

Two women walked just ahead of him. "Pick up that paper, Madam," he ordered, "we must keep this camp clean. Now, look around and see if you can't find fifty more pieces."

Farther down the street the young man saw a mob trying to cross the boulevard. "Fall in line," he yelled, "one at a time." As he crossed the river he began frantically waving his hands. A policeman rushed up and asked him what was the matter. "Why," he explained, "that man didn't have permission to take out that boat."

Farther down the street he entered a department store which was just opening. The crowd was loud and noisy. The young man reached into his shirt pocket and drew forth something bright and shiny. He blew it. The crowd stopped talking to stare at him. "We will have it quiet in here please." As the young man picked himself up from the street he yelled, "Tent one, report!" In his delirium at the hospital he keeps moaning incoherently "Time for reveille—where's the bugler? O. D. report! Pass the soup. Oh, it ain't gonna rain no more, no more....."

Later the young man was identified

as a leader just returned from Central Y. M. C. A.'s Camp Pinewood near Muskegon, Mich. North shore Boy Scouts are encamped there.

Dilks to Build \$40,000 Residence in Kenilworth

A building permit has been authorized to be issued by the Village of Kenilworth to L. C. Dilks to build a home at 227 Sheridan road. It is estimated that the cost of construction will be about \$40,000.

Mr. Dilks recently purchased the plot of land on which the dwelling is to be erected from Walter O. Birk, president of the Birk Candy company. With the exception of a 200 foot piece of land on the south of the Dilks' new estate, the purchase of this land removes from the market the available land on the east side of Sheridan road in Kenilworth.

VACATIONING IN EAST

Frederick E. Clerk, superintendent of the New Trier Township High School, is spending his vacation in the east. He is visiting friends in New England and has spent some time in Washington.

Summer Dresses

Fluffy light summer frocks for the hot August days. They're attractive and moderately priced.

Schaefer Hosts Make Merry at Annual Reunion

The Schaefer kinship, numbering a few hundred residents of the north shore and Chicago, gathered in the Forest Preserve at Glenview Sunday for the second annual family reunion. Among those who participated in the day's activities were Mrs. Eva Schaefer of Evanston, and Mrs. John Feltmann of Chicago, daughters in the original Schaefer family which settled in the former Gross Point more than 60 years ago.

In the course of the day the single men of the clan defeated their married brethren in a game entitled baseball, the final count being in the vicinity of 22 to 7. A picked team later played the Gross Point Colts, defeating the enemy, 13 to 4.

The children enjoyed races and contests.

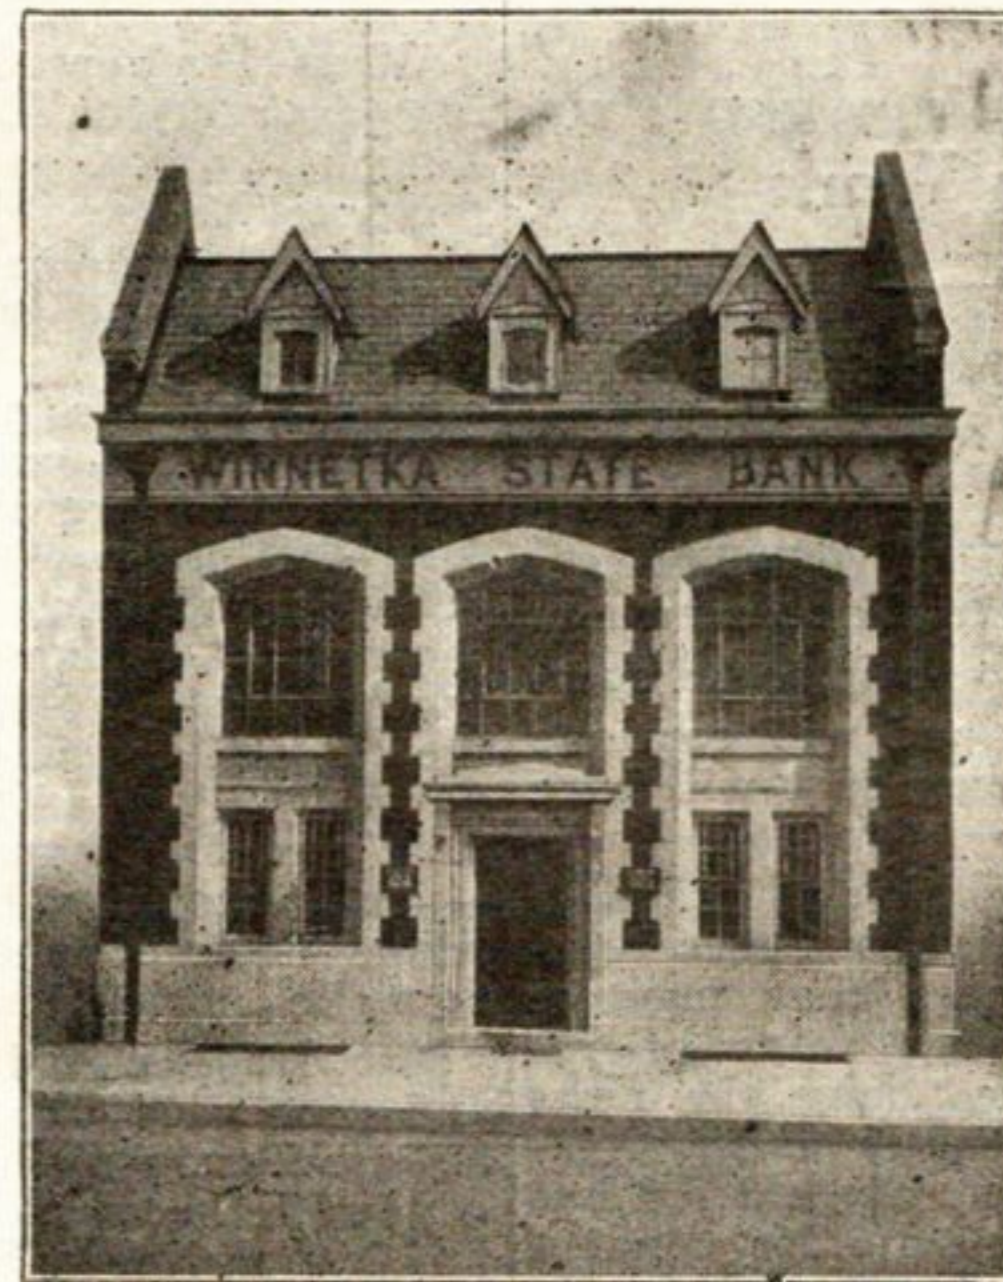

Basket luncheon, followed by the singing of folk songs and the exchange of reminiscences, terminated the festivities.
