The "Who's Who Editor" of the Winnetka Talk had a busy time the last few days checking up the answers submitted by our readers in the Who's Who contest. Here is a secret. The ten prize winners came from the first nineteen answers submitted. It just proves the old adage that the early bird catches the worm.

Miss Vinnie Irwin, the winner of the first prize handed in her answer at just 8:35 A. M. last Saturday. This was the first answer received. Miss Emily Hadley, who draws second prize, handed her answers in just a few seconds later. The first and second prize winners were also the first and second answers submitted. Congratulations to the ladies!

If the prize winners will telephone the Winnetka Talk office (Winnetka 2000) and tell the Who's Who editor the name of the store on which they want their credit certificate they will receive their prizes at once.

Good-by till next time.
