## SOCIAL ACTIVITIES

Youthful Movie Actors Present "Adrift" Monday

THE "moving picture room" of the Rush C. Butler home on Locust road will open its doors at 8:30 o'clock Monday evening, August 18, for the first showing of "Adrift," a two-reel religious drama of fifty years ago written, directed, and produced by Elbridge Anderson and Crilly Butler.

Ever since the close of school, about 100 pupils of the North Shore Country Day school have been thronging over the grounds of the Butler place as energetically as real movie actors at the beck and call of their directors, to assume their roles before Crilly Butler's own moving picture camera. Some of the scenery for the picture, 2,000 feet in length, was the work of the youngsters themselves. One scene was taken in Lake Forest, and several at different Winnetka homes that suited the story's needs. Most of the story, however, has taken its settings from the home and grounds of the producer. Elbridge Anderson and Beulah Stixrud take the leading parts.

Contrary to the premieres of most productions, a very nominal admission charge has been decided upon by the youthful producers.

Lawn Fete and Dance in Foster Gardens Tonight

THE garden committee of the Illinois Women's Athletic club is holding a moonlight lawn fete and dance this evening in the gardens of the home of the chairman, Mrs. Edgar Foster Alden, 352 Linden avenue. The proceeds will be directed into the club building fund.

F. Stross, M. W. Zabel, E. A. Gibson, Randolph Foster, Donald Graham, H. F. Sehr, R. Joy, Frank L. Davis, Frank Lowes, Anne C. Sheville, Harper G. Hidde, H. L. Harmount, Marie C. Tecumseh will Represent Winnetka at Ravinia

ON Thursday of next week Winnetka will once more offer as its share of the special program for children planned at Ravinia each week for a half-hour interval, a short song recital by Tecumseh, a member of the Yakama Indian tribe. His tribal songs were a delight to those who attended the Winnetka side show of the Children's Carnival given recently. Each north shore town will put on a "stunt," which together will give variety of entertainment that will include acrobatics, dances, charades and tableaux. The following week a Music Memory contest will be held.

Mrs. Charles Howells Coffin and her children have left Chatham, Massachusetts, where they had been since June, and are now staying with Mrs. Coffin's sister, Mrs. Fletcher Street, at Pocono Lake Preserve, Pennsylvania. They will be with her until the middle of September.
