Camp Reunions Provide Happy Times for Girls

Camp reunions in town are the natural result of the wonderful three weeks which Winnetka girls spend recently at Indian Hill camp in Michigan. Last week Elizabeth McKinney, daughter of Mr. and Mrs. William Ayer McKinney of Chatfield road, had an enthusiastic party at the beach, with water sports followed by a corn roast.

On Wednesday of this week Jeanne and Katherine Street had an equally jolly affair at the home of their parents, Mr. and Mrs. Harry L. Street, 592 Sheridan road. Games and swimming made good appetites for the delicious porch supper; and the evening gave a chance to sing again the camp songs and exchange kodak pictures of the camp life.

Winnetka Legion Men Go to State Meeting Today

The following members of Winnetka Post 10, American Legion, will attend the legion's state convention at Champaign on September 1, 2 and 3:

- Thomas J. Lynch, J. M. Dickinson, Jr., Tom Brown, Harold Snell, Morris K. Wilson, Charles Harrison, Jr., A. C. F. Gedge, Marshal Knox, A. A. Abel and N. H. Schafehen.

They will make the trip in automobiles, departing from the village on Saturday and expecting to be home by Thursday morning.

EXPERT AVIATOR IS ALSO STAR AT GOLF

According to an Atlanta, Ga., newspaper, Captain Fraser Hale, son of Henry R. Hale, of this village, copped the runner-up award in the championship golf tournament of the Fourth Corps area, held recently in that city. The same publication announces that Captain Hale anticipated departing from Atlanta on August 25, via the airplane route, for Fort Leavenworth, Kansas, where he will participate in the national army golf championship to be played there September 1-6. The Atlanta newspaper continues:

"Captain Hale, of the army air service at the Georgia School of Technology and coach of the Tech golf team, scored a 78 in the one round of medal play over the difficult East Lake course, while Captain Watkins had a card of 82.

"Captain Hale is recognized as one of the strongest players in the Atlanta district, which includes many well known golfers."

After Sun, Wind and Dust—Murine

In summer the EYES frequently become blood-shot from the irritating effects of wind and dust. Murine relieves this unattractive condition almost immediately, as well as eye-strain caused by the glare of the sun.

If used night and morning, Murine encourages a clear, bright, healthy condition of the EYES. Contains no belladonna or other harmful ingredients.

Send today for your free copy of our helpful illustrated book on Eye Care.
