

SUMMER PASTOR IN LAST SERMON

**Rev. Richards Returns to His
Pulpit September 14**

Rev. Von Ogden Vogt, who has been supplying the pulpit of the Winnetka Congregational church during the vacation season, closes his work with the address tomorrow morning. The church considers itself fortunate in having the continued opportunity, during these summer Sundays of listening to Mr. Vogt. His vital approach to the things that concern present-day living, the clear vision and the vigorous preaching, have brought inspiration to his hearers, it is emphasized. Mr. Vogt's topic tomorrow will be "The Estimates of Memory," and the service is for everyone who is interested in attending.

Rev. James A. Richards, the pastor of the church, preached last Sunday at Bridgton, Maine, his summer home. He plans to return to Winnetka in time for the services on Sunday, September 14. In recent letter, Mr. Richards wrote:

"I regret I am not to be back in time to attempt a discussion of 'Mobilization Day' or 'Defense Day' from the Christian point of view. It strikes me that such a military gesture on the part of the strongest and safest nation on the globe, at a time when it is prospering enormously and most other nations are staggering under great and debilitating burdens, is certain to have a most unhappy effect on the mind of the world and greatly weaken our potential service to the cause of peace. O America, you could do better than that!"

Returns from Conclave of Nation's Fire Chiefs

Chief G. M. Houren, of the fire department, returned last Saturday from the convention of the International Association of Fire Engineers at Buffalo, New York.

Several leading fire officials lectured on new fire fighting methods and means of fire prevention, the chief explains. The most novel event of all, according to Chief Houren, was the demonstration of a German-made truck which folded like a jackknife. After it is folded it is about half the size of the trucks used by the fire departments in America, he said. The apparatus also has five extensions instead of one, as has the Winnetka truck, but is more difficult to operate, especially in winter.

SANITARY MEN CLEAR SKOKIE SWAMP DITCH

Chicago Sanitary District workmen were engaged this week in clearing the Skokie ditch from Willow street south and conducting a mosquito eradication campaign in the swamp regions west of the village.

Clearing of the ditch and the drive against the stinging pests is being accomplished as the result of a conference of village officials with Frederick W. Penfield, and other county commissioners, in which it was emphasized that the work was necessary in the interest of the health of the community.

Since no municipal body has the authority to prosecute the relief from the deplorable flood conditions in the Skokie west of the village, the Winnetka authorities assumed the initiative in appealing to the county commissioners and the Sanitary District engineers for prompt remedial measures.

The clogged condition of the Skokie ditch, coupled with the excessively heavy rainfall of the spring and summer, has converted the Skokie into a veritable lake. The work by Sanitary District men, it is hoped will bring prompt if not permanent relief.

DAVIES FAMILY RETURNING
Dr. and Mrs. J. W. F. Davies, and their son Gould, have been spending a few days with Mrs. George W. Gordon, at her summer home in Dark Harbor, Maine. They are driving west this week, and plan to spend a few days in Ludington, Michigan, before returning to Winnetka.

Meaney Services Held at Sacred Heart Church

Six members of the Glencoe police department acted as pall bearers for their late chief, John B. Meaney, whose funeral was held on Monday morning, August 25. The cortege moved from the Meaney home, 439 Skokie road, at 9:30 o'clock and proceeded to the Sacred Heart church where a requiem mass was celebrated. The interment was made in Calvary cemetery.

The funeral was one of the largest ever held in Glencoe, Chief Meaney having been a pioneer resident, and among the mourners were representatives of the Winnetka and Highland Park police departments.

EXPERT LIFE SAVERS

J. Mehven and R. Mehven of 785 Waldon road, Hubbard Woods, qualified as swimmers in the Red Cross life saving examination at the Boy Scout camp at Whitehall, Michigan.

John F. Roos Wins High Honors at Culver School

John F. Roos, son of Mr. and Mrs. J. H. Roos, 491 Hawthorne lane, returned from Culver, Ind., this week, where he has been attending the summer naval school.

He won the Gold Tuxis medal for excellent work during the summer, this being the highest award in the gift of the Culver Summer school.

John is a student at New Trier High school, where he has gained distinction for his work on the school publication. He has displayed unusual talent in news writing.
