Golf Clubs Plan Women's Events During September

NORTH Shore, Sunset Ridge, Skokie and Indian Hill are scheduling events for each week during September, with North Shore and Indian Hill planning to continue women's golf until early October. The former will probably wind up its season the second Tuesday in the coming month, while the last match at Indian Hill will be played off October 8.

North shore golfers will qualify on Tuesday for Mrs. A. D. Collins' trophy. Mrs. H. H. Harrison won the trophy for the biggest cut in handicap during the past month, but the winner of the regular August trophy has not yet been decided.

This week the golfers played the qualifying round in the club championship. There was also a ball sweepstakes event, with Mrs. W. L. Miller winning first low gross, and Mrs. A. D. Collins, the second. Mrs. R. C. Boozar won first low net and Mrs. George D. Wolf won second.

Sunset Ridge plans to have its players play off the first round of the handicap September tournament, Tuesday.

Guest day this week at the club was very successful and well attended. The guest prize for the lowest net score on 18 holes was won by Mrs. Hubert Howard of Indian Hill. The lowest net score for 9 holes, was also won by a member of the same club, Mrs. Harry Edmonds.

In the Class A event for Sunset Ridge members, Mrs. Roy Huszagh and Miss Virginia Ingram tied, and in Class B, Mrs. Thomas McNally won low gross and Mrs. Richard Hoffman, low net. The approaching and putting contest in the afternoon for the guests, was a tie between Mrs. A. S. Harnstrom of Edgewater and Mrs. Henry Stanton of Indian Hill. Mrs. S. Edwin Earle won the same contest for the club members.

The club membership at Skokie has been decided. Mrs. Edgar Stevens took that honor, with Mrs. H. G. Philipps, runner-up. Next Monday, September 8, commencing at 9 o'clock in the morning, there will be No Alibi foursome with an approaching and putting contest in the afternoon.

On Labor Day a special nine hole event was planned at 4 o'clock for the women golfers, which was won by Mrs. Paul Chace and Mrs. A. J. Mitchell. The regular golf day was postponed until Tuesday when a double three-some, played with a driver, iron and putter was the event, won by Mrs. Paul Chace, Miss Florence McGuire and Mrs. A. J. Mitchell.

Indian Hill's match on Wednesday will go to the player having the least number of putts.

White Elephants Attend Luncheon for Club Fund

MEMBERS of each woman's club along the north shore are always interested in the unusual activities of the other clubs, especially in their efforts to raise funds for the building of their new homes.

The walls of the Wilmette Woman's club were undoubtedly surprised at the strange assortment of gifts the members of the club's social committee brought to the "get-together luncheon" on Wednesday. These same walls probably felt that they were housing a curiosity shop formed from the White Elephant shower held in their midst. But the elephants were not left long in their abode, for they were taken to the Community Shop, to be put on sale, the money derived from their disposal will be given to the building fund of the Woman's club.

The social committee has been meeting for monthly luncheons during the summer, but each member

has not received this season such an intriguing invitation to come with a present in hand, "an inkwell or a parasol, or dress most out of date, a hat or lamp or jewelry, or club jogg set per chance, some golf clubs or brit-abrac or just a pair of pants."

No one knows as well as the women working on this committee, who serve the luncheons during the club's program season, how inadequate the kitchen facilities are, and as the same group of women will be at work in the fall, they are anxious to swell the fund so that they will have a place large enough to hold them when they are all on duty.

Mrs. Norman E. Fuchs heads the committee, assisted by Mesdames L. E. Ashley, M. R. Barker, George F. Clute, J. M. Camelon, Arthur N. Claggett, Jesse Denman, Lee W. Doty, George L. Emrich C. J. Field, O. E. Fuchs, Percy B. Idler, Joseph Kehl, C. H. Craft, J. I. Lanning, Frank Merrill W. G. Mitchell, W. T. Muehlberg, J. A. Pancoast, F. P. Proctor, W. A. Richardson, George W. Rose, Milton Reid, Helen Rohrer, Howard W. Shaw, J. A. Schmidt, Oscar Thaleg, H. Toepen, G. E. Walk, Charles L. Wachs, H. O. Weishaar and Edmonds M. Simons. Mrs. R. E. Pattison Kline, president of the club, was one of the guests.

North Shore-ites Invited To a Club Garden Market

THE Kenilworth Garden club will hold a Garden Market on the lawn of Mrs. Charles Ware's home, 325 Abbottsford road, Kenilworth, September 19, at 2 o'clock. In case of rain, it will be postponed until the following day. For several weeks the members have been making their plans for the attractive occasion when bulbs, perennials, seedling, etc., will be on sale. There will also be named varieties of iris from a Missouri nursery on sale.

Tea and cakes will be served during the afternoon, and the committee is hoping for a great number of visitors, for all who are interested in gardens are invited to come and take advantage of the opportunity to procure plants from local gardens.

Little Garden Club to Meet Next in Evanston

THE next meeting of the Little Garden club will be held in Evanston on Friday afternoon, September 12, at 2:30 o'clock at the Evanston Community Golf club. Each member is asked to bring two exhibits, one a floral piece for table decoration and one a general variety exhibition to be judged for the perfection of bloom. Mrs. David Cooke,

Mrs. R. L. Sonneborn and Mrs. T. C. Kellenberger will be in charge of the afternoon. Several prizes will be awarded.
