

## Hartmann-Klee Wedding a Large Affair of the Week

TWO hundred guests attended the wedding of Miss Dorothy Hartmann and Milton J. Klee which took place on Wednesday evening at the Edgewater Beach hotel, the Rev. Abram Hirschberg officiating. A buffet supper and dancing followed the ceremony.

The bride, daughter of Mr. and Mrs. Hugo Hartmann of 755 Lincoln avenue, wore a gown of white chiffon. Her veil was trimmed with lace worn by brides of her family for four generations. She carried a shower bouquet of roses, lilies-of-the-valley and sweet peas.

The maid of honor, Miss Nanette Wile, and the bridesmaids, Miss Irma Kohn, Miss Katherine Newman, Miss Jane Hamburger, Miss Marie Levi, Miss Eleanor Marks and Miss Marjorie Hart, wore dresses of chiffon in the sweet pea shades from pale to a deep pink. Their bouquets were of garden flowers.

Bert Klee was the groom's best man, and the groomsmen were George Meyer, William Mendelson, Herbert Klee, David McMillan, Edwin Bensing and James Hartmann.

# PIERCE ARROW

## Series 80

*is ready*

### A NEW CAR · A NEW SIZE · A NEW PRICE

This new Pierce-Arrow is in answer to the question which motor car owners have so frequently asked us:

"In addition to the Dual-Valve Six, why don't you build another car, one more modest in size and in price so that more people may experience the satisfaction of owning a Pierce-Arrow?"

Many months were spent by the engineering department in designing and redesigning, building and rebuilding experimental models which were required to pass every conceivable laboratory and road test. Then a fleet of the new Series 80 cars was put through

actual factory production. These stock cars were sent to every part of the country. For months they were driven night and day, winter and summer, over mountain roads, rutted trails, desert sands, gluey mud. And finally the perfected Pierce-Arrow Series 80 was born. Such unusual methods were necessary to develop a

car that would faithfully mirror the 23-year-old Pierce-Arrow ideal.

The Pierce-Arrow Series 80 displays capabilities far above the average. Alert, easy acceleration; adequate power for every conceivable need; ease of control in every situation; quick, safe stopping; economy of operation and maintenance—all of these and more are permanent characteristics. Although no statement of prices has been given out until this time, orders for "the new Pierce-Arrow" have been accumulating for months.

The Pierce-Arrow Series 80 is on display today in our showrooms. We shall be glad to arrange a thorough demonstration for you. A catalog describing the Pierce-Arrow Series 80 in detail may be obtained upon request.
