SOCIAL ACTIVITIES

Circles Begin Whirl of Activity

AFTER the usual quiet summer season, fall activities in the village seem destined to be in full swing within the week. The circles, for example, promise to lead the way. Several chairmen of these organizations have returned from their vacations, and are enthusiastic over plans for the year. Three circles are having their initial openings during the next two weeks. The Ash street circle will hold the first meet of the season on Tuesday, September 16, at 2 o'clock, at the home of Mrs. S. P. Jaedecke of 518 Rosewood avenue, with Mrs. Carl S. Anderson as assisting hostess. The Hawthorne lane circle will follow suit the following week, when Mrs. Leonard Roche of Sheridan road will have the members at her home on Tuesday afternoon. A very pleasant program is in store. There will be speakers from the Lying-In hospital and the Erie Chapel institute, and a musical program is to be furnished by Mrs. William Thrall. In the same week the Oak street circle will have its first meeting at the home of Mrs. Gustav Osten of 913 Cherry street. To all of these meetings, the new members, as well as those of old standing, are cordially invited.

The month of October will bring forth more openings. Other circles will commence their winter activities, and the Woman's club will open its doors.
