at 5th St., and Linden Ave., Wilmette, which will
be open for inspection next Sunday, Sept. 21.

LINDEN CREST APARTMENTS is a strictly modern building, appealing to the most fastidious tastes. It comprises 58 apartments in units of two, three, four and five rooms. Colonial white and walnut is the interior decorative scheme. The building is to have the latest innovations in heating systems. You will be pleased with the tile-wainscoted baths, built-in tubs and fixtures, and shower baths. Note also the emergency disappearing beds, built-in refrigerators and ironing boards, white enamel linen and medicine cases, kitchen cabinets, etc. In addition, we have installed Kerner incinerators, snow-white clothes driers, baby carriage room, and children's inside playroom.

The reception lobbies are furnished with spacious fire-places. No expense has been spared to make LINDEN CREST APARTMENTS one of the most luxurious on the North Shore.

Mr. Roy France, the architect, has endeavored to design a building best adapted to the environment and home-like atmosphere of Wilmette.

Consistent with the character of structure, etc., you will find the rental reasonable.

On our Inspection Day, September 21, one of the apartments will be completely equipped with furniture, drapes, rugs, etc., thanks to the courtesy of Carson, Pirie, Scott & Co.

Many apartments have already been rented.
