

Winnetka Women Will Sell League Magazine October 4

THE De Luxe edition of the magazine of the Illinois League of Women Voters, containing information on all the candidates for the presidency, will be on sale on the streets of Winnetka on October 4, one week from today. This publication will be sold by a group of Winnetka women under the leadership of Mrs. Morris L. Greeley of 645 Maple avenue. They plan to "spell each other off," so that there will be no time from early morning until late afternoon when one or more of them will not be walking up and down the streets of the business section of the village, ready to serve such citizens as are eager to be intelligent voters. For beneath the attractive cover of the magazine, drawn by John T. McCutcheon, will be found an account of each candidate, a short history of his achievements, a picture of each candidate, a statement of the platform and aims of each party and discussions of various campaign issues, written by representatives of the respective parties.

The League hopes that by choosing registration day for the selling of this edition of the magazine throughout the states, it will serve the double purpose of spreading information and of reminding such citizens who are not already registered, to do so on that day.

For the purpose of getting out the vote, which means first getting out the registration, the Winnetka League is using the sectional divisions as it made last year with the addition of Kenilworth as a separate section, or League precinct, under the leadership of Mrs. E. F. Snyder.

This year the chairmen for the eight League precincts are: Miss Olivia Fentress, Mrs. M. P. Rees, Mrs. H. W. Moore, Mrs. Charles Strong, Mrs. Montague Ferry, Mrs. H. S. de Lay, Mrs. W. F. Wallace, and Mrs. C. E. Melhope.

Special expenses have been incurred in carrying on the work and improvement of Arden Shore, and those who have not yet sent in their subscriptions are asked to do so to help defray the expense.

Miss Mary Fentress, a debutante of early September, and daughter of Mr. and Mrs. Calvin Fentress, has left for the east to resume her work at Vassar college.

MASONS RECEIVE 600TH MEMBER

"Six Hundred Night" Observed with Ceremony

On Thursday evening, September 18, Winnetka Lodge No. 931, A. F. & A. M. celebrated "Six Hundred Night."

The lodge has grown steadily since it was instituted, October 28, 1910, and a large gathering, taxing the capacity of the lodge hall, was in attendance at the ceremonies when the six hundredth member was raised to the sublime degree of Master Mason. A number of distinguished guests graced the occasion.

Worshipful Master I. R. Adkins was assisted by the regular officers, several Past Masters of Wilmette lodge, and the Imperial quartet. In the social hour following the conferring of the degree, reminiscences and felicitations were exchanged.

The history of the lodge has been creditable to the community and to the fraternity. Many of Wilmette's citizens are enrolled as members. The first Master of the Lodge, George W. Hess, is now serving as secretary, and the only other secretary, Charles C. Schultz, completed, a year ago, his term, as Master. The complete roll of Masters in chronological order is given herewith: George W. Hess, William D. Matthews, Arthur J. Taylor, L. R. Slawson, Hugo T. Zaremba, J. N. Macalister, J. G. Wray, Frank C. Nason, Charles H. Jackson, Charles L. Hosken, Clifton L. Keith, Earl A. Pettibone, Charles C. Schultz, Irvin R. Adkins.

At present the lodge meets in the Glover-Brown Lodge hall, but it is hoped and expected that within another twelve-month a permanent home will be erected by the fraternity to house Wilmette lodge, Wilmette Chapter, R. A. M. and Wilmette Chapter O. E. S. A site for this building

was procured several years ago at 1010 Central avenue, and a substantial building fund is now being accumulated.

New Trier Grid Coaches Foresee Successful Year

Football prospects at New Trier Township High school are looking brighter every day as the candidates are given the daily drills on the practice fields. To get the best out of the wealth of material that has been reporting regularly, Coach Childs has organized a coaching system this year that seems to be bringing excellent results.

In addition to Arnold Carpenter, the former Cornell man, who is assisting Coach Childs, W. S. Snyder, head of the department of mathematics and who was formerly football coach at New Trier, F. A. Kahler and W. L. Brown have been on the football field guiding the players. During scrimmage periods the coaching staff has been carefully

watching each player, offering suggestions and criticisms.

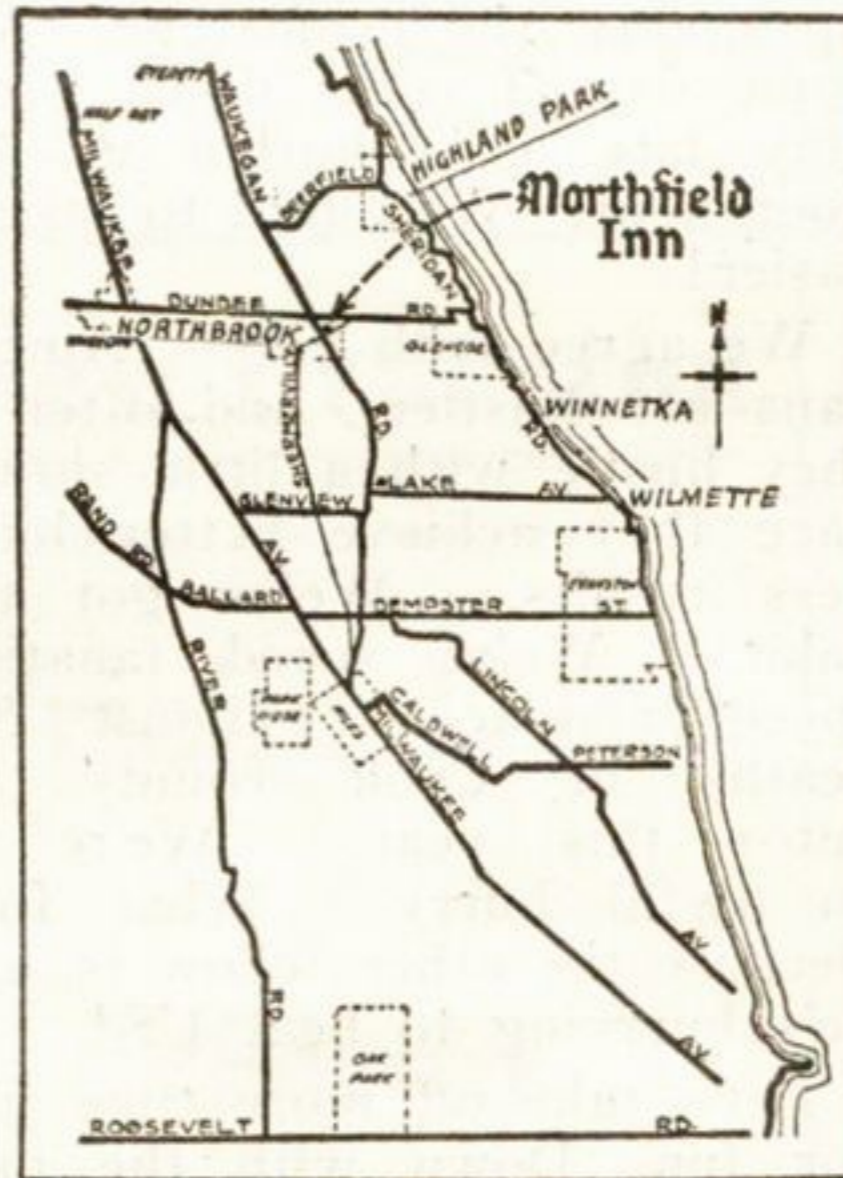

Four complete teams have been on the field every day and the regular routine of scrimmage, passing, pulling and tackling is given to all the players. The opinion of members of the coaching staff is that, barring unforeseen accidents, New Trier will have one of the strongest teams in the Suburban league.

The first game of the season will be played at LaGrange, Saturday, October 4. The first home game will take place Saturday, October 11, against Thornton.
