

CLUB WOMEN STRESS IMPORTANCE OF POLLING LARGE VOTE

Winnetka League Is Making All Effort to Get-Out-the-Vote

"USE Your Citizenship—Vote!" is the slogan that has been adopted by the Winnetka League of Women Voters. It was selected from many handed in during an informal slogan contest, and is the contribution of Harold DeLay. It is to be printed on all the League stationery. For, of all the purposes of the League, that of getting out the vote is uppermost in the minds of league members now.

No one in Winnetka will have the slightest opportunity to overlook November 4. For those who do not read the newspapers, there will be reminding placards placed by the league upon the delivery wagons. The merchants of Winnetka all generously consented to cooperate in this. And as a still further precaution against forgetfulness, the precinct chairmen have arranged to cover their respective districts so carefully that every home in the village will have a "Vote Tuesday, November 4," tag hanging upon its doorknob by Monday night.

Although the league is working working hard to increase the quantity of the vote from the 56% of last election, to 75%, it is not working for quantity alone, but also for greater intelligence at the polls. It is endeavoring to give every potential voter in the village easy and interesting access to information on all the men, parties, and issues concerned. It was for this purpose that the league members sold the election number of the Illinois League bulletin throughout Winnetka, and for this purpose that the big multi-partisan mass meeting has been called at the Woman's club for Monday evening, October 27.

Now arrangements have been completed to have the League room in Community House open all day, Monday, November 3, as an information bureau for voters of all parties. Mrs. Walter Benson, president of the league, assisted by various members of the board, will be there from 9 until 5 o'clock to answer questions and give out leaflets. She will also have sample ballots for all parties to give to those who wish them. Anyone, woman or man, who has any questions about voting, may take them to the League Information bureau in Community House at this time. This service is not restricted to league members, but is open to the entire village.

The members of the board of directors of the Winnetka league who will assist Mrs. Benson at the information bureau are: Miss Elizabeth Gemmell, chairman of elections; Mrs. Harold DeLay, chairman of memberships; Mrs. Austin Jenner, chairman of finance; Mrs. Charles Strong, chairman of child welfare; Mrs. William Hale, chairman of state and national problems; Mrs. Morris Greeley, chairman of efficiency in government; Mrs. Dow Harvey, chairman of publicity, and Mrs. John Vander Vries and Mrs. J. P. Yoder, representatives on the Cook County council.

Club and League Hold Open Meeting October 30

THE regular meeting of the Winnetka Woman's club took place Thursday, October 16. After the reading of the minutes of the last session, the meeting was opened by the president, Miss Matz, who made the following announcements:

A health conference is scheduled for November 12 and 13 at Urbana, sponsored by the Illinois Federation of Women's clubs. Mrs. Walling of Private road is to give a bridge Wednesday afternoon, October 29, at 2:30 o'clock for the benefit of the endowment fund for the Park Ridge School for Girls.

The next meeting of the club takes place October 30. It will be an open session held jointly by the civics and philanthropy committee and the League of Women Voters. Mrs. James Porter will give a report of the Fourth Congress of the Woman's International League for Peace and Freedom. Miss Jane Addams will be the speaker of the afternoon who will give a talk on "Efforts towards a Constructive Peace."

Mrs. E. V. L. Brown introduced Miss Elizabeth Garrett who spoke for the "Illinois Society for the Prevention of Blindness." Mrs. Frazer then introduced the speaker, Mr. Charles Kelley, who charmingly described ancient Chinese paintings showing these lovely works of art on a screen.

The hostesses for the afternoon were Mrs. C. Donald Dallas, Mrs. Henry Gottlieb, Mrs. George S. Parker, Mrs. John Venema and Mrs. Willoughby Walling.

Bazaar at Blackstone to Benefit Children's Home

THE Bazaar for Saint Mary's Home for Children will be held in the Crystal ball room of the Blackstone hotel Thursday, November 6. Many parishes of the Chicago Diocese of the Episcopal church are taking part and the Woman's Guild of Christ Church, Winnetka, under the direction of Mrs. William G. Woolfolk, president, and a committee composed of Mrs. Charles Clegg McKinney, Mrs. Charles Howell Coffin, Mrs. John B. Hooker and Mrs. Carl Zeiss, has been actively engaged in promoting the work. With the hearty cooperation of the Zone captains and the parish at large, the Guild will have a generous supply fancy articles and novelties for one of the booths. North shore residents are cordially invited to attend the bazaar which opens at 10 o'clock in the morning, continuing until late at night, thus making it possible for those who are in the city during the day to attend in the evening.

St. Mary's Home for Children under the Sisters of St. Mary was established in 1894 on the west side of Chicago, near the old Cathedral. The work steadily increased in the face of every hindrance but the neighborhood was not desirable and the facilities for caring for the rapidly increasing family inadequate. In 1900 an appeal was made for funds, and in November, 1903, the present home on Jackson boulevard was opened.

The current expenses are always promptly met, but nothing remains over for repairs, and this year a great many such expenses must be met. Some changes are required as a protection from fire and also extensive repairs on brickwork, roofs and plumbing. It is hoped that this bazaar will provide the funds necessary to place the work of St. Mary's home on a firm basis for some time to come.

Richard Dix will be seen in his latest production, "Manhattan" at McVickers next week, starting Monday, October 27. R. H. Burnside, who staged all the big Hippodrome spectacles when that theater was in its hey-day, directed "Manhattan."

IOWA NEXT BIG ILLINOIS GAME

A Real Battle Foreseen for November 1

It was natural that the Illinois-Michigan football game should attract the attention that it did, but the next big game in the Illinois stadium, many critics believe, will be one of the closest and most spectacular battles ever waged in the west. That game is with the University of Iowa on November 1.

The Hawkeyes have practically the same team which held Illinois to a 9 to 6 score last year at Iowa City. Iowa was Big Ten champion in 1921 and shared first honors with Michigan in 1922. They have this tradition to spur them on at Iowa City and they think that they have a good chance to finish at the top of the heap. Although Ohio held the Hawks to a tie, Iowa was far stronger and four times threatened to score. The critics said that it was just a case of needing about two more weeks in which to develop.

Illinois is taking unusual interest in the invasion of the Hawks because their coach is Burt Ingwersen, former Illinois tackle and freshman coach. Ingwersen has absorbed Zuppke's ideas and tactics for years. He coached Harold Grange and the rest of the Illini when they were freshmen. It will be a meeting of master and pupil and Ingwersen will strain every effort to win. Nothing would be as big a plum to the young coach—he's the youngest Big Ten coach, this lad.

Even while the rush for Michigan seats was on, there was a steady demand for tickets for the Iowa game. Now many persons who were unable to get tickets for Michigan intend to see the Iowa battle. There is no limit on the number of tickets to be purchased and orders are pouring into

the football ticket office, Urbana. The Illini figure on a crowd of about 40,000 which means that there will be seats for everybody.

DePauw university will invade Illinois field Saturday, October 25. De Pauw is also coached by a former Illini, Jimmy Ashmore. The Greencastle lads hope to make a good showing and the Illini will not take the game for granted by any means. There will be no reserved seats for this game.

The Neighbors held an open meeting at the club Thursday evening. The speaker of the evening was the Honorable Woodbridge N. Ferris, United States senator from Michigan, who gave an address on "The Restoration of American Homes."
