Odd Fellows and Rebekahs Plan Joint Open Meeting

A. T. Sherman lodge, No. 892, the Wilmette Rebekah lodge, No. 610, and Wilevansbrook Encampment, No. 177, will hold a joint open meeting in the I. O. O. F. building, Wilmette avenue and Main street, Wilmette, Thursday evening, October 30.

"The fellowship and enthusiasm shown by the various lodges along the north shore is increasing each week," writes a member of the Wilevansbrook Encampment. "Two weeks ago a 'Surprise Visit' was made at Waukegan with an attendance of 181 visiting lodge members. Northbrook

lodge visited A. T. Sherman lodge and put on the Initiatory degree. In return, the members of A. T. Sherman lodge visited Northbrook lodge and gave their candidates the work in the first degree. The Steel City lodge of Gary, Ind., is expected to bring its second degree team to Wilmette at an early date."

"Odd Fellowship in Illinois," continues the writer, "has made a splendid record, not only in regard to its steady growth in membership but for work well performed. It has been a leader in practical fraternity. It has approximately 135,000 members in the state and stands third among the jurisdictions under the Sovereign

Grand lodge. In the establishment of its Old Folks' Home at Mattoon, and its Orphans' Home at Lincoln, it demonstrated its ability to conduct these large institutions in a manner which has not only been a credit to the order, but to the state of Illinois."

A Hallowe'en dinner-dance will be given at the Kenilworth club next Tuesday evening. The dance committee, of which Mrs. Leslie McArthur is chairman, is planning a number of interesting features for the affair. The Royal Purple orchestra from the Orrington will provide the music. All reservations must be made by Saturday noon.
