

SENATOR FERRIS URGES WOMEN TO DEVELOP HOME SPIRIT

Drama and Music Departments Give Coming Programs

THE drama study class of the Winnetka Woman's club, Mrs. E. V. L. Brown, chairman, will meet on Monday, November 3, at 3:30 o'clock in the club parlors to hear Mrs. Ernest Ballard read her paper on "Luigi Pirandello, Contemporary Italian Dramatist."

Pirandello has been writing plays for the Italian stage for a quarter of a century. His name long has been a by-word in Italy and on the whole continent of Europe as well. In fact he has given the name of "Pirandellism" to a certain type of psychological study that has greatly intrigued the Latin mind. He is new to this country, however, and it was not until last year that his plays were produced in English in New York. The New York Theatre Guild put on his "Six Characters in Search of an Author," and this play will probably be brought to Chicago by the Guild this winter.

It is hoped that everyone interested in modern drama will avail herself of the opportunity to hear Mrs. Ballard.

The music committee of the club announces the second recital of its department on Thursday afternoon, November 6, at 3 o'clock. The program will be given by Helen Protheroe Axtell, soprano; Mrs. Norman Harris accompanist.

The afternoon's hostesses will be Mrs. Harvey Brewer, Mrs. Burton Atwood, Mrs. Austin Jenkins and Mrs. Charles Forman. The following selections will be given on this occasion:

Woman's Catholic Club In Successful Meeting

AN interested audience heard the fine reading Mary Louise Etten McWorter gave at the meeting of the Woman's Catholic Club of Wilmette on Friday afternoon, October 24, in the auditorium of the St. Francis Xavier school. Her conception of "The First Lady of the Land" was charming, and revealed her great dramatic ability. Mrs. Mary Corrigan gave a short talk on the importance of organizing women in the village to "Get-out-the-Vote."

At the conclusion of the meeting, a social hour followed, with Mrs. Clarence C. Weiland and Mrs. J. E. Dunn presiding at the tea tables.

The philanthropy department found it necessary to postpone the card party planned for Monday, October 27, until Friday, November 7. The affair, which will commence at 2 o'clock, will be held in the auditorium of the St. Francis Xavier school. Mrs. Florence Nolan, chairman of the department, is in charge of arrangements.

Senator Ferris Gives Spurring Talk at Club

MRS. Harry Harrison, chairman of the art and literature department of The Neighbors, announces that Dr. Henry Purmont Eames will give the program at the club, Thursday, November 6. Of the American Conservatory of Music, and lecturer on musical history and esthetics, Dr. Eames will give a lecture-recital on "Ultra Modern Art and Ultra Modern Music."

The next meeting of the art and literature department will be held November 13, at the Art institute. William M. McKee, curator of prints and drawings, will address the gathering in the Print galleries. Following his talk, Mrs. Carl A. Buehr will explain some of the features of the American Art and Sculpture exhibition. A 1 o'clock luncheon at the Piccadilly Tea Room will conclude the tour.

The one evening meeting of the year held on October 23, was most gratifying to the program committee for the large attendance and the interest manifested in the inspiring, positive and stimulating talk given by Senator Woodbridge N. Ferris on "The Restoration of American Homes." Both the men and women were greatly impressed by his plea that the old-fashioned upbringing of children resume its sway in family life and that the home spirit, seemingly on the wane in America, be developed.

Mrs. Otto Owen, social chairman, served delicious ice, coffee, and cakes to the gathering, one of notable size for Kenilworth.

"Club Day" in Wilmette Offers Special Features

MISS Tina Mae Haines, well lecturer on music appreciation, will open the program at the Woman's Club of Wilmette, Wednesday morning, November 5, at 11 o'clock. She will first describe some of the instruments of a modern symphony orchestra. Then, taking as her subject, the program of the December concert to be given at New Trier by the Little Symphony players, she will discuss each number to be heard at the concert, and will illustrate the various themes on the piano. Inasmuch as the program will include an overture, a movement from a Cesar

Franck symphony, a Liszt Polonaise, and several suites, Miss Haines' discussion will have many phases.

From the outset, members of the club have been ardent supporters of the symphony concert movement in New Trier township. Miss Haines' lecture aims to give concert goers a greater insight into orchestral music. Guests are welcome at the usual fee. Luncheon at 1 o'clock will follow the talk.

In the afternoon at 2, the first business meeting of the year will be held, this in turn, to be followed by a lecture by Miss Helen Bennett whose subject is "The Keeper of the King's Conscience." Miss Bennett has been allied with politics most of her life, taking a prominent part as a speaker before the women of our state along political and educational lines. For ten years she was manager of the Chicago Collegiate Bureau of Occupations and last year was one of the speakers before the Medill School of Journalism.

North Shore Vassar Club to Hold Monday Meeting

THE North Shore Vassar club will meet on Monday, November 3, at 3 o'clock, at the home of Mrs. Charles B. Fullerton, 819 Lincoln street, Evanston.

First Chamber Recital Accorded Warm Approval

The 1924-25 season of concerts conducted under the auspices of the North Shore Chamber of Music association opened last Sunday afternoon under most favorable conditions. It was a delightful October afternoon; the assembly hall was occupied by a large and appreciative audience; the program was well planned; the artists of the occasion, the Gordon String quartet and Howard Wells, pianist, played with unusual skill, understanding, and feeling.

To the writer the first number, Haydn's Quartet in D Major, made the strongest appeal. The four instruments, under the masterful leading of the first violin in the hands of Jacques Gordon, blended their tones into rich and beautiful harmony. It was a rare and wonderful experience, the hearing of this great composition as played by four master musicians.

The second number, Frank Bridge's arrangement of two old English songs,

Sally in Our Alley and Cherry Ripe, was liked so much that an encore was insisted upon. The players responded with a repetition of the second number of the group.

Howard Wells assisted the quartet in the closing number, Quintet Opus 81 in A Major by Dvorak. It was a genuine enjoyment to the audience.

The next concert will be given by the Muenzer Trio on Sunday afternoon, December 7.
