

HERE'S A PLAY FOR "T. B. M'S"

Community Players Open With Comedy

By PLAYGOER

When the Winnetka Community Drama club, through its committee presents "A Successful Calamity" on November 12 and 13 in Community House, it will touch a responsive chord in many a tired business man's heart. In fact, "the tired business man" is advised to see this production, and to learn from it how he can safeguard his life against the onslaught of too many social evenings out, and keep intact his enjoyment of his own fireside and family companionship. As an exposition of a successful maneuver in self protection it is a delightfully amusing and informing thing.

Clare Kummer Play

"A Successful Calamity" is a play written by Clare Kummer. Its action is of the present time and is set in New York City. The story centers around the efforts of a successful middle-aged business man whose young wife is new to her position of wealth and power and who feels that she must be seen at all social functions in order to maintain her position. In order to preserve his home life, he invents a calamity which will enable him to stay at home with his family, and amusing predicaments result.

The characters in order of their appearance and those interpreting them are:

Albertine, Mary Harding; Connors, Lloyd Faxon; Marguerite, Helen Davie; Emmie, Miss Vogel; Pietro, Rafaelo, Ralph Varney; Eddie, Charles Matz; Henry Wilton, William Boyden, Jr.; George Struthers, Mr. Sipple; John Belden, Ralph Snyder; Clarence Rivers, Charles Eastman; Julia Partington, Mrs. Harry Caldenhead; Dr. Broodie, John Marshall. Mrs. John Marshall is directing the play. Mr. Varney is art director, assisted by Mrs. Joseph Winterbotham, Miss Olive Grover, Montague Ferry, John Marshall and Burton Atwood, Jr.

Night For Players

This is the first offering of the Community Drama club for the season. The opening night, Wednesday, November 12, is by ticket only, and for members of the Community Players. The second presentation on Thursday, November 13, is open to the general public for a small admission fee. It is advisable to keep in mind this date of Thursday evening, November 13 at 8 o'clock, and to plan to spend it with the Community Players. Tickets may be had at the door.

GUILD MEETING

The regular meeting of the Woman's Guild of Christ church has been changed from November 3 to November 10. This is the only available day to secure a speaker. Reverend Sevier Churchill of Hudson Bay will speak on his work and experiences among the Eskimos and Indians of that region. There will be the usual luncheon at 12:30 o'clock.

RED CROSS ROLL CALL TO BEGIN NOVEMBER 11

The American Red Cross Roll Call in Winnetka begins November 11, Armistice Day, and will last until Thanksgiving, November 27. The money raised through memberships goes to support the work being done by the Chicago Chapter of which Winnetka is a part. One of the outstanding phases of the Chicago Chapter work is that of aiding the ex-service man, securing his compensation, hospitalization and vocational training, when he is unable to do this himself.

During the last fiscal year Chicago Chapter aided 10,114 disabled ex-service men. Of that number 7,332 had dependent families requiring assistance. In relief of these men and their families more than \$100,000 was spent. Chicago Chapter is but one of the many Red Cross chapters in the United States that is doing this work.

Nationally, since the Armistice, the American Red Cross has spent approximately \$50,000,000 for service to the veterans of the world war. Last month 100,000 disabled service men were aided by the Red Cross. Every chapter is prepared to give service, relief and information to the disabled veteran. The practical and economical method of helping the disabled veteran in your community is to enroll with the Red Cross. Mrs. Willoughby G. Walling of Hubbard Woods is chairman of the enrollment in Winnetka.

Winnetka Masons Now Go In for Indoor Baseball

Winnetka Masons who can play baseball, or who labor under the impression that they would qualify, if but given the chance, are exhorted to activity in the nature of tryouts at the Community House gymnasium on Wednesday evenings—object being the organization of a Masons' Indoor Baseball team.

It is a great chance to uncover some big league material, and local experts predict a large turnout of present, ex and future stars.

Request Architects' Plans for Village Hall

Architects have been asked to make preliminary plans for the new village hall to be built on Linden street, facing the widened thoroughfare between Elm and Oak streets.

After investigating various locations and properties suitable for the erection of the new Village hall, the Public Buildings committee of the council, headed by J. D. Pierce, and a special committee of the Plan commission appointed by Judge Charles M. Thompson, at a

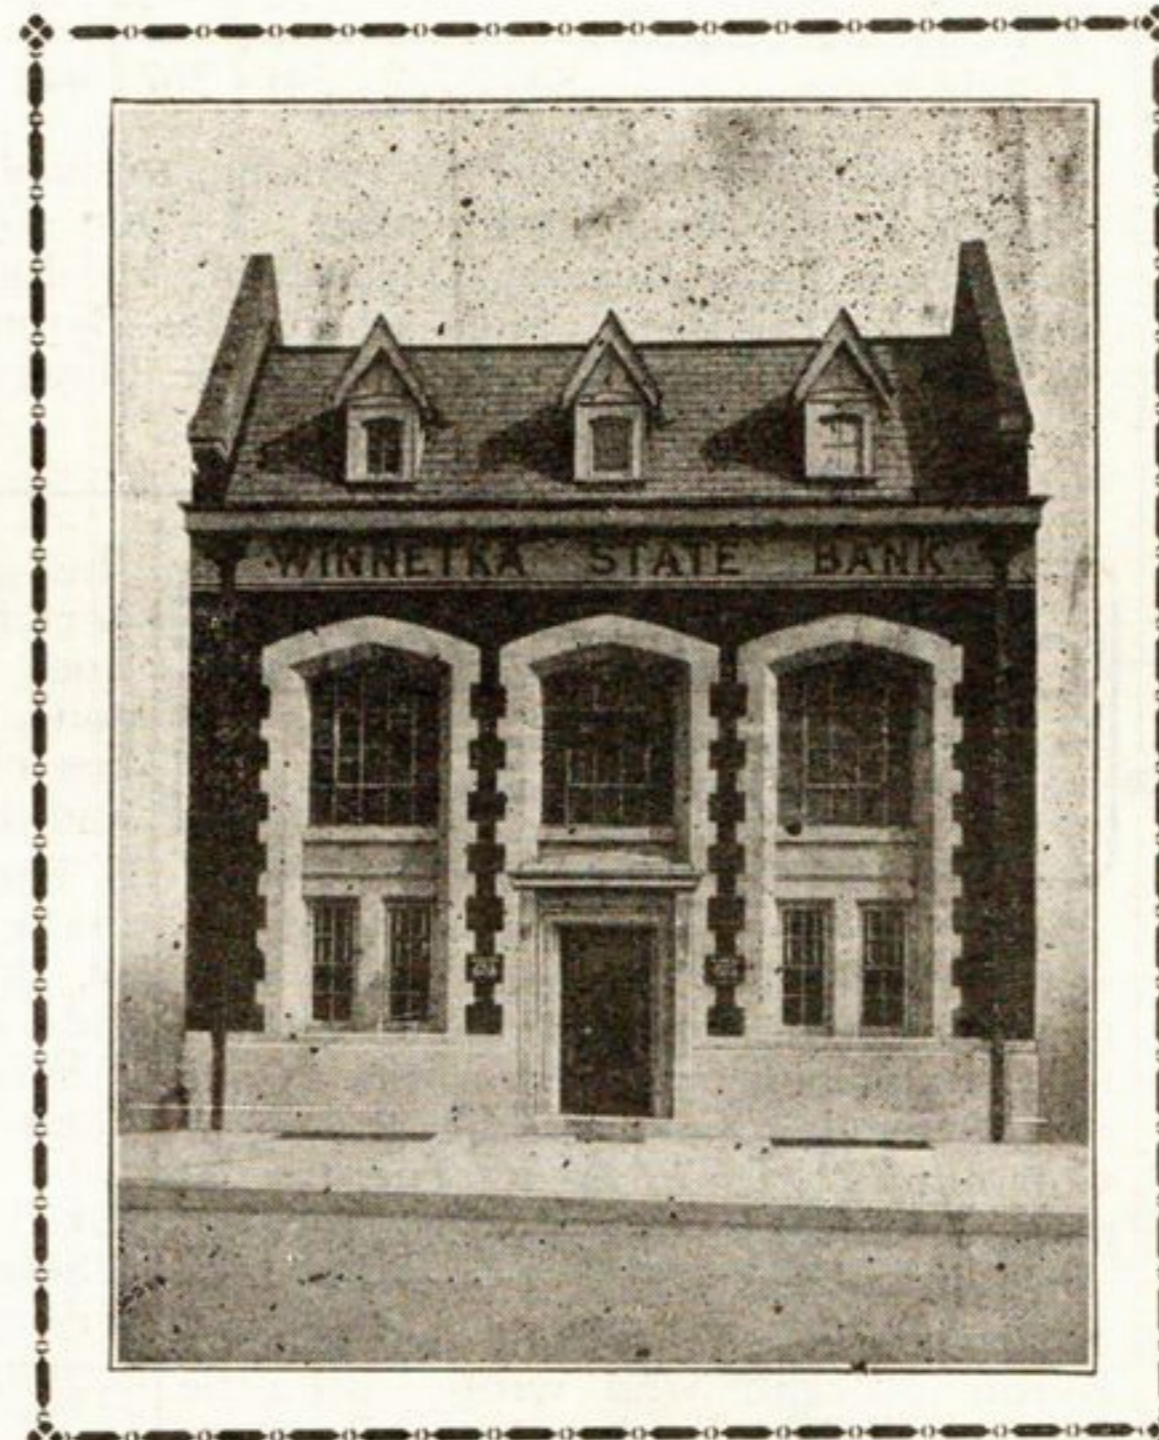

joint meeting held Monday night decided to ask for architects' preliminary plans.

The Linden street site was considered the most suitable because of its central location and because not as large an amount of money would be needed to condemn property, as would be necessary in the event another location were selected.

Mr. and Mrs. Orval Simpson entertained Ossip Gabrilowitsch at dinner Tuesday evening before his concert at New Trier.

Willoughby G. Walling Heads Social Agencies

Two hundred and fifty representatives from many social service organizations in Chicago attended the annual meeting of the Chicago Council of Social Agencies, held recently in the Wedgewood room of Marshall Field and Co. Willoughby G. Walling of Hubbard Woods was elected president of the board of directors, Mrs. George R. Dean and Edward L. Ryerson, Jr., vice presidents, and Louis M. Cahn, secretary.

"Wonderful weather! But just the same take care not to be caught by a cold or a cough. If one of them does get you, see a good doctor and get the prescription filled at a reliable drug-store by a capable pharmacist. We feel it our duty to compound prescriptions with the greatest care, using only drugs that are perfectly pure and fresh. We also carry an ample stock of the best proprietary medicines."
