

# CLUB SEASON'S SECOND MONTH PROMISES GREAT ACTIVITY

## Local Clubs that Will Meet During the Coming Week

THIS morning women of Winnetka are asked to gather at the Wilmette Woman's club at 10 o'clock to sew for the philanthropy department. Luncheon will be served at the conclusion of the morning's work. Next Wednesday the afternoon class in current events will resume for the season at 2:30 o'clock under the leadership of R. E. Pattison Kline.

Two departments of The Neighbors conduct tours next week. On November 11, the department of education has planned a trip to the Field Museum for a tour and stereopticon lecture concerning the subject, "The North American Eskimo and Indian collections."

Thursday, November 13, is the day for the annual gallery tour of the Chicago Art Institute under the auspices of the department of art and literature. On this occasion William Mc. McKee, curator of prints and drawings, will give an address in the Print galleries. After his talk, Mrs. Carl A. Buehr will give a descriptive sketch of some of the outstanding features of the Annual exhibition of American Art. After the tour those attending will take lunch at 1 o'clock at the Piccadilly Tea Room.

The fine arts department of the Woman's Catholic Club of Wilmette has arranged a most attractive program for the next club meeting occurring Friday afternoon, November 14, at 2 o'clock at the home of Mrs. F. J. Oelerich, 1201 Greenwood avenue.

During the afternoon Mrs. J. E. Dunn will give a "Current Events" reading. A book review will be given by Mrs. B. M. Lupton. Miss Marion Condy and Mrs. Kearns Kirshberg will give readings, the subjects of which are not yet announced. Mrs. Robert Fontham will furnish the music.

## Miss Pendleton to Be Guest of Wellesley Club

MISS Helen Pendleton, president of Wellesley college, will pass through Chicago the latter part of next week on her way to Kansas City to attend the College of China convention. The Chicago Wellesley club is giving a luncheon in her honor Friday, November 14, at the Woman's Athletic club, 606 South Michigan avenue, at 12:30 o'clock. Miss Pendleton will speak during the afternoon. Mrs. Henry K. Urion of Winnetka is in charge of the luncheon arrangements. Members may invite guests.

A large and interesting meeting of the North Shore circle was held in Evanston, Monday afternoon. Miss Grace Boynton gave an illuminating talk about the present political conditions in China, giving some novel information about the lives of the outstanding figures in the civil war that has been in progress. Mrs. Earl White brought the latest news from Wellesley gathered during her trip there for the meeting of the graduate council from which she has just returned. She announced that two more girls from the middle west had carried off class honors at college. Louise Burroughs of Chicago has recently been elected corresponding secretary for the sophomores and Maida Randall of Evanston is the treasurer for the same class.

Mrs. Gilbertson and Mrs. McClellan poured at the tea table and Mrs. S. W. White and Mrs. A. C. Goodnow were hostesses.

## Clubs Taking Interest in Annual Bazaar for Home

THE Sarah Hackett Stevenson Memorial Lodging House will hold its annual bazaar at the Parkway hotel on November 13 and 14 from 10 o'clock in the morning until 10 at night. Luncheon and dinner will be served both days, and there will be card parties both afternoons at which a prize will be given for each table.

Many unusual features will be noted. The Duncan Sisters will be present on Thursday for dinner. Some of the Grand Opera stars are also assisting. Madame Raegen Talbot will sing Thursday evening.

Among the clubs holding booths are—The Austin Woman's club, The Rogers Park Woman's club, The Englewood Women's club, The North End Women's club, The Irving Park Woman's club, The Wicker Park Woman's club, The North Shore League and The Millard Avenue club.

One interesting feature will be the Mystery Booth, causing wonder as to who will draw the valuable prize of jewelry donated by a prominent State Street merchant.

As the board of managers of the Home consists of delegates from 47 different Women's clubs, about 15,000 women should know of this event.

Among the forty-eight states that make up the United States of America, there are five each of which has more telephones than the entire continent of Asia.

## Winnetka Woman's Club

ON October 30 the regular meeting of the Winnetka Woman's club was called to order by the president, Miss Matz. The minutes of the previous meeting were read and approved. The president then made the following announcements:

Mr. Thomas Mott Osborne's lecture has been postponed until Monday, December 8. "Tag Day" will be held November 8 for the benefit of the Great Lakes chapter of World War Veterans.

The next meeting of the Drama Study class will be held November 3, at 3:30 o'clock. Mrs. Ernest Ballard will speak on "Luigi Pirandello, the Italian Dramatist." On Thursday, November 6, the music committee will give a recital. Helen Prothero Axtell will sing and Mrs. Norman Harris will be her accompanist. On November 13, Howard T. Becker of Northwestern university will speak on "The Youth Movement in Europe and the United States." A meeting of the Tenth District Federation will be held at North End club Monday, November 17.

At the conclusion of the announcements, Mrs. Moon, chairman of the civics and philanthropy department, introduced Mrs. James Porter who gave an interesting report of the convention of the International League for Peace and Freedom held in Washington. The convention was attended by prominent women from various countries who are working for a new order which will make war impossible.

Miss Jane Addams, who has recently returned from abroad, gave us a glimpse of the efforts being made for constructive peace. She said the League of Nations is the great organization that is working for the peace of the world. Miss Addams thinks that the Protocol may lead to disarmament. This was indorsed, with certain reservations, by the representatives of 54 nations. An interesting fact in the Protocol is that it defined the "aggressor" as one who refused to accept the verdict of the court after appealing thereto. A disarmament conference has been called for June 15, 1925.

The hostesses for the afternoon were Mrs. Alexander S. Anderson, Mrs. Jerome N. Frank, Mrs. B. F. Langworthy, Mrs. W. P. McCracken, Jr., Mrs. Taliaferro Milton and Mrs. Arthur H. Woodward.

## Harry S. Atwood Speaks at Library Club Meeting

HARRY S. Atwood, well known Chicago lawyer, was the speaker at the Woman's Library Club of Glencoe on Thursday afternoon, on the occasion of the first meeting of November, for which month Mrs. William L. McGowan is hostess. Mr. Atwood spoke in the place of George E. Odell who was unable to fill his engagement on account of illness. Mr. Odell is a lecturer for the Ethical Societies of America and editor of the Standard Magazine.

The tickets for the large card party at the Admiral hotel Monday to benefit the club building fund have been selling rapidly and the affair promises to be one of the large, attractive events of the autumn season.
