What Kitchen Aid Does for You

- Mixes dough for bread, cakes, pie, ginger-bread, doughnuts, rolls, etc.
- Mashes potatoes—two or two dozen, to a wondrous fluffiness.
- Makes mayonnaise (drops the oil gradually), one cup, or as many as you like.
- Beats eggs and icings; batter for pancakes, waffles, etc.
- Whips cream or evaporated milk, meringues, icings, etc.
- Creames various other ingredients.
- Beats and creames fudge, fondants, etc.
- With attachment, it freezes ice creams, sherbets, mousses, or any frozen dessert.
- It grinds coffee, chips ice, chops meat, nuts, raisins, etc.
- It strains soups, purees, through a fine sieve.
- Strains apple sauce. It is not necessary to pare or core the apples. This adds immeasurably to the flavor.
- It slices potatoes (to any desired thinness).
- Cuts shortening into pastry.
- And it retains the temperature (either hot or cold) of whatever product it is mixing.
- All of this it does—and more!

How You Can Try KitchenAid
TRADE MARK REGISTERED

That Kitchen-Aid is an important and permanent addition to modern kitchen equipment is established by its use in the teaching of Domestic Science in the following universities and schools:

- University of Chicago (School of Domestic Science), Chicago.
- Columbia University (Teachers' College), New York.
- Pratt Institute (Dept. of Household Science), Brooklyn, New York.
- Elmira College (Dept. of Domestic Science), Elmira, New York.
- Ohio State University, Columbus, Ohio.

- Indiana State Normal School, Terre Haute, Ind.
- Miss Farmer's School of Cookery, Boston, Mass.
- Home Bureau, U. S. Department of Agriculture, Washington, D. C.

When such favorably known authorities as the Ladies' Home Journal Test Kitchen, Good Housekeeping Institute, New York Tribune Institute, Modern Priscilla Proving Plant, House Beautiful Magazine, Charm Magazine—when such authorities as these, after complete and thorough investigation, endorse a new electrical device as a time and labor saver in the kitchen, is it any wonder women want to know all about the innovation?

Don't you want to know more about Kitchen-Aid, this almost magic electrical machine that does so much in a new and better way—what it is—what it does—how it solves your problems?

Let us give a demonstration in your kitchen, so that you can see for yourself how it works. A postal card or the coupon below will bring Kitchen-Aid to your home at a time convenient to you. It costs you nothing nor places you under any obligation. Send the coupon today.

IN SOCIETY

Junior League Announces this Season's Plays

IN seasons past, the Junior League has given kiddies of the north shore as well as grown-ups many hours of pleasure with its clever plays for children produced by a very talented cast. The announcement has just come of the productions for this year. Three plays of four performances each, will be given during the winter. These will be given on Saturday mornings at 10:30 o'clock at the Playhouse on Michigan avenue. The initial venture this fall will be a revival by request of "The Wizard of Oz," on November 15. And what will make this performance differ from the previous presentations will be the songs and dances written by the Duncan Sisters who are coaching the play.

Included in the cast will be Mrs. J. R. Winterbotham, Jr., who will enact Dorothy of the well beloved story, the leading role in the production; The Lion, Miss Harriet McLaughlin; The Scarecrow, Mrs. Janet Pauling; The Tin Woodman, Miss Clara Hollis; Toto, Mrs. Frances Oliver; Glinda, Mrs. Edison Manierre; The Witch of the North, Jane Scriven; The Witch of the West, Emily Bissell; The Wizard of Oz, Mrs. Hunneman; Glinda Girls, Mrs. William Rend, Miss Mary Cooke, Miss Mary Meeker and Miss Brier Wright.

The other two plays will be "Ten Minutes by the Clock," starting December 3, and "The Golden Goose," starting January 10.

Society's Interest Now Centers in "Cynthia"

SOCIETY of Chicago and the north shore will turn its interest from large bazaars to the performance of "Cynthia" Friday and Saturday evenings at the Eighth Street theater, formerly the Arayan Grotto. This attractive and unusual musical comedy will be staged by members of the Service club, that well known organization of young society women who give one large annual benefit to raise funds for contributions to many charities.

This year's cast will include in its chorus, all the debutantes of the season. Mrs. Albert Potter is to take the leading role and Miss Daisianna Smith and Miss Roberta Thorne will have other important leads. Richard Blow will have the most prominent part among the men, with Louis Laflin in the role of comedian. Miss Elizabeth Beidler will do a specialty dance.

The Winnetka debutantes who are participating will be the Misses Elsie Blatchford, Emily Hoyt and Judith Boddie. The programs will be sold by a group of 50 girls.

Mrs. Robert Hotz, president of the club, is in entire charge of the production.

Mrs. Copeland Hostess for Next Home Benefit

THE second of the series of card parties to benefit the endowment fund for the Park Ridge Home for Girls will be given by Mrs. Frederick K. Copeland at her home on Prospect avenue, Wednesday afternoon, November 19. Assisting Mrs. Copeland will be Mrs. William Boyden, Mrs. Heyliger deWindt, Mrs. Nathaniel Blatchford, Mrs. Arthur Dean and Mrs. Arthur Blackwood. There will be prizes. The committee is active in its work to make the affair a big success.

Miss Barbara Nicholls of 660 Pine street leaves on Monday with her father, William H. Nicholls, for an extended visit in San Francisco and other places along the Pacific coast. Mr. Nicholls will be gone about three weeks, but Miss Nicholls will be away a month or longer.

Mrs. Mary Trapp of the Hibbard road celebrated her eighty-third birthday on election day. Fifty relatives and friends were there on the happy occasion, and Mrs. Enright, of Winnetka was assisting hostess.
