

## DISCUSS NEW CHURCH NAME

Congregationalists to Decide on Change of Name at Annual Meeting

NOW SERMON TOPIC

Committee Ready to Submit Its Report

In response to the request of the Church council of the Winnetka Congregational church, Rev. James Austin Richards last Sunday morning presented in his sermon the important question, "Have we the best name for our church?"

It is not a new question in the minds of many of the church people, but it has not yet been satisfactorily answered, he explained. When it came up with new vigor last Spring the council decided to undertake a definite study of the whole matter. It selected a representative committee from the membership of the church, with Mrs. Carrie B. Prouty as chairman, together with Mrs. George B. Gordon, Mrs. Wiley J. Huddle, Frank A. Windes, John C. Marshall, and Paul Hutchinson. It charged this committee with the task of finding the right name for the church—a name that would express something more of the real character of this church, that is courteous to all sister organizations, that does not put secondary things first, and that is as un-denominational as is the church itself.

**Committee Report Ready**  
After some months of careful study, the committee is now ready to report to the church, through the council, its suggestion, it was pointed out, and in true democratic fashion, the matter will come up before the whole church at its annual meeting on Wednesday evening, December 10.

The council has voted to print Mr. Richards' sermon, with its clear statement of all sides of the question, and the name committee's report, and send copies to all members of the parish next week so that ample time may be given everyone to become fully informed.

**Avoid Sectarian Spirit**  
At the close of his sermon, Mr. Richards said, "We do not believe in the sectarian spirit. We are trying to serve the whole community. We have gathered folk from twenty-four religious connections into a warm Christian fellowship. Let us give America one more church in life and in name proclaiming that Christ is not divided, proclaiming that all men in its reach rightfully belong to each other and to Him."

Mrs. Duncan Macintyre addressed the Foxdale avenue circle at the home of Mrs. William Mophett of 964 Tower road, and the Ash street circle meeting held at the home of Mrs. Carlton Prouty of 693 Willow road.

Mrs. John C. Cobb of 615 Elm street gave a dinner at her home on Friday for a dinner guests. Following the dinner, they went to see the Girl Friendly pageant at the Eighth Street theatre in Chicago.

## Policeman Shows "Stuff" at Masonic Stag Affair

John Hanselman, motorcycle officer of the Winnetka police department, was a good match for Lou Talabar, world's middleweight wrestling champion, in the fifteen minute windup match of the program given at the stag held at the Masonic temple Tuesday night and sponsored by the Square club of the Winnetka temple.

The large number of spectators were surprised at the power and skill shown by Hanselman. His ability to get out of Talabar's holds and his cleverness in frustrating the attempts of the champion gave the sport fans the thrill of their lives.

Adam Scott, accompanied by his brother, gave several musical and comical sketches during the evening. There were also two boxing matches and one other wrestling match. Al Eckhart and Ed Weinstock opened the sport program with a four-round boxing bout. They were followed by a wrestling match between Adam Weismuller and Charles Hibler and then by a boxing bout between Davey Poop of South Bend, Indiana, and Tommy Harmon of Chicago.

Henry Christenson announced the audience with energetic announcing and refereeing of the boxing and wrestling matches.

## Hockey of Country Day Win 11-3 Over Latin Team

The Girls' Hockey team of the North Shore Country Day school played Chicago Latin School for Girls last Saturday on the school field. The game ended with a score of 11-3 in favor of North Shore.

Although the grass was slippery, the playing was snappy. At first it appeared as if Latin would run away with the points but North Shore quickly steadied and began scoring slowly but surely, until the 11 points were achieved. Latin's defense was strong, her goal guarding fine, and her speed good throughout, two goals being made in the very last moments of play. North Shore, with a fairly sure lead, was able toward the end to work some of her substitutes for practice. Despite this, however, the game with Latin was a good fight.

Mrs. William C. Boyden of 725 Pine street is leaving next week to attend the Yale game. She will spend Thanksgiving in the east with her daughters, Margaret and Elizabeth.
