### \$325 Is Collected Here on "Forget-Me-Not" Day

Over \$325 was collected in Winnetka on National Forget-me-not Day, November 8, according to the report of Mrs. Harry M. Lay of 1408 Prairie avenue, Winnetka, chairman in charge of the tagging and soliciting.

Special praise is given to the school children for the effective help they gave in swelling the fund that is to be used for the benefit of disabled veterans of the great war who are now confined in government institutions.

Further contributions to this worthy object may, it is explained, be sent to Mrs. Lay at 1408 Prairie avenue.

Mrs. Warren C. Agry of 711 Locust road gave a tea on Friday afternoon for Mr. Agry's mother, Mrs. George Agry of Boston, who is visiting here for a few weeks.

a lively interest in a village where "education moves ahead" as it does here, it is pointed out, and Mr. Smith has some important considerations to present.

Dr. Davies Lazear will be the evening soloist, singing the hymns, "Come Ye One Another," by Caro Roma, and "Come Ye Blessed," by Scott.

### Discuss Church and School

The Church school and the Junior church will have their customary sessions. The Young People's club, at 7 o'clock in the Neighborhood room, will be led by Helen Brown in discussing "The Church and the School." The smallest children are cared for each Sunday by the Chancel Guild, so that parents may enjoy the adult service without worry over the little folks.

### Park Land Purchase Up for Hearing on Monday

Community House will be the scene of another lively discussion, Monday evening, November 17, of the proposition to purchase certain parcels of land in the Skokie for park purposes.

Monday's hearing, called by the board of local improvements of the Winnetka Park district, is in the nature of an adjourned session which has been postponed several weeks because of the recent campaign and election activity in the village.

On Monday night it is expected that various groups will be well represented, particularly the recently organized Taxpayers association which has been waging a vigorous campaign against the contemplated land purchase by the Park board.

The hearing will be conducted in Rudolph Matz hall and is scheduled to begin promptly at 8 o'clock. All interested citizens are urged to attend and express their opinions regarding the matter in question.

Mrs. L. Harrison Mettler of 1119 Sheridan road has returned from a visit with her mother, Mrs. I. R. Warner of Clinton, Illinois.
