

# CHORAL SOCIETY CALLS SINGERS

### Venture Sponsored by Improvement Body

#### BY CHORISTER

The Winnetka Choral society is composed of a group of North Shore people who sing, and who last year met weekly. The society is sponsored by the Winnetka Village Improvement association. The Winnetka Woman's club furnishes the society with a comfortable and central place of meeting, also giving it the use of its fine Steinway concert grand piano.

This month the society is beginning its second year. Under the guidance of its able conductor, Noble Cain, with his fine accompanist, Erwin Wellenborn, a most exceptional opportunity for choral work is offered to our north shore singers, an opportunity which is only made possible by the financial backing of the Winnetka Village Improvement association. The society, while sponsored by this Winnetka organization, wishes to extend the privilege of becoming a member to all singers from Winnetka to Highland Park—a real privilege it is too.

#### Bright Prospects

At the end of last year's season a concert was given which showed the splendid work Mr. Cain had accomplished, and which proved the possibilities of the group of singers becoming a very excellent festival organization. Such a body would be enthusiastically welcomed along the north shore, and would be a great addition to the charm and culture of suburban life. Such a chorus might also be very useful at all civic functions in the villages of our north shore.

The society hopes this season to reach a point of importance and prestige with the record enrollment of 150 or 200 members. It should be considered an honor to belong to it, a rare privilege not only for the younger men and women of the community, but for the older groups as well.

It is not intended to study only music of the more serious type, which would make the drilling a severe task, but much of the best which may come within the easy range of all. Many selections will be those sparkling happy things of musical form which enrich the lines of those fortunate enough to enjoy what is called "song." Such singing also leads to a fellowship gained in no other way.

The society especially invites those to join who have well trained/or even professional voices, but it also as earnestly solicits membership from those who place their voices in a more amateur class.

#### Invite Young Singers

Should the young singers join, they will find that they will add to their musical experience as they have done in no other way. There is no entrance examination, only a very pressing personal invitation, and a small membership fee.

May we count on you? Mr. Cain is a fine musician and conductor, Mr. Wellenborn an exceptional pianist, and the Choral society is a body of men and women you will enjoy meeting once a week. The hour is 8 o'clock, the evening, Tuesday, at the Winnetka Woman's club, corner Oak and Maple streets. Just come! You will need no introduction, but some one will see that you get acquainted with the leader and members.

### "Soul and Body" Is Sermon Lesson at Science Church

For November 23, the subject of the lesson-sermon of First Church of Christ, Scientist, is "Soul and Body." Services are held at the Masonic temple, 708 Elm street, at 11 o'clock; Sunday School at 9:35 o'clock; Wednesday evening Testimonial meeting at 8 o'clock. The reading room at 526 Linden street is open daily except Sunday from noon to 5 o'clock and on Wednesday evening from 9 to 9:30 o'clock.

### NORTH SHORE GRIDDERS ENJOY PERFECT RECORD

The Heavy Lightweight gridders of the North Shore Country Day school have a clear slate of victories to look back upon in their 1924 season. There is a record for you! They sum up the season's accomplishments this way:

"Our first game was with the Skokie middleweights. Skokie's team played hard, but was defeated 26-0. Our second game was with Skokie heavyweights. They gave us a hard fight, but we came out on top 22-0. Our third and last game was with Kenilworth. Both teams fought hard, and the final count was 12-0 in North Shore's favor. We owe our great success to our coaches, Mr. Smith and Mr. Anderson."

North Shore's "Lightweights" (100 pounds and under) had a very successful season. All of the games this team played were with Skokie. The first resulted in a scoreless tie, both teams showing lack of sufficient practice. In the second game North Shore showed great improvement by running over Skokie with a score of 33 to 0; however, this game was with a lighter Skokie team. The third was with the team which played in the first game. Here the North Shore warriors won by a 13-0 score.

### Would Erect Commercial Building at Indian Hill

An application for a three-story combined business and apartment building to be located in "C" commercial district east of the Indian Hill station, was referred by the Village council to the board of appeals on zoning and the Indian Hill Improvement association for consideration. At the present time there is no building of that nature in the Indian Hill vicinity.

#### HOLD EXAMINATION

The upper school of the North Shore Country Day school held the regular quarterly examinations on Thursday and Friday of this week.
