Hundreds of suggestions as to "What to Give" await you here.

A Gift of Hosiery

is always welcome. We take special pride in our Silk Hosiery Section, and believe the values we offer are the best to be obtained. Hosiery that you will be proud to give—or receive—can be obtained at from \$1 to \$2.50 a pair.

Handkerchiefs

Of course, you will agree with us that more handkerchiefs are given as gifts than any other article. And it is only right that they should be, when there are so many new and different designs to select from. Priced from 15c to \$1.50 each.

Tags and Seals

Use lots and lots of seals and tags and ribbon on your packages. They are so necessary to properly "dress it up." Do not wait until the last minute, but make your purchases of tissue, tags, etc., at this store now, then they are ready when you need them.

These greeting Cards were selected with great care, hence are unusually attractive, and are assorted to fill most any particular need. They tell their message of cheer and good-will in such a straight-forward and pleasing manner, you will like them very much. Priced at 5c to 25c each.
