Hear Story of Play at Skeezix Hour

Do you believe in fairies—or in dolls that play and walk and talk? You really should, according to the author of Racketty Packetty House, the play which will be given by students of the National Kindergarten and Elementary college for north shore children Saturday, December 13, at the Woman's Club of Evanston. The foreword, signed by Crosspatch, Queen of the Fairies, says "If you think dolls never do anything you don't see them do you are very much mistaken. When people are not looking they can do anything they choose. They can dance and sing and play the piano and have all sorts of fun. Fairies know this and of course fairies visit in all the dolls' houses where the dolls are agreeable."

However, if there are any children who doubt the aliveness of dolls, Racketty Packetty House offers an excellent opportunity for each one to see with his own eyes the antics of Ridiklis, Gustibus, Peter Piper and the other dolls who have lived in Racketty Packetty House for three generations—to say nothing of the scornful sniffs and tiffs of the lord and lady dolls in Tidy Castle.

The story of Racketty Packetty House will be told over the Tribune radio station, WGN, during Skeezix Hour on Saturday, December 6, by Mrs. Wm. De Mille of Evanston, so that children who have not read the story may be ready for the rollicking fun of these "come to life" dolls.

Music Committee Announces Violin Recital

THE music department of the Winnetka Woman's club announces a violin recital, Thursday, December 11, at 3 o'clock, to be given by Edith Kendal, violinist and Melita Krieg, accompanist. Miss Kendal, a young artist attracting attention in musical circles, is one of the violinists chosen in the preliminary contest of the American society of Musicians for appearance with the Chicago Symphony orchestra, and was the winner of the Washington state contest in 1923. She will play the following program:

- I Sonata, A major Handel
Andante—Allegro—Adagio—Allegro
- II Nocturne, D major Chopin-Wilhelmj
Polonaise in D Wieniawski
- III "Cascade" Caprice Vecsey
A Love Dream Czerwonky
Capriccio Valse Wieniawski

The program has been arranged by the music committee, Mrs. Norman Harris, chairman, Mrs. Gilbert Scribner, Mrs. Darrell Boyd, Mrs. Horace Tenney and Mrs. Charles Mordock. The hostesses for the afternoon are Mrs. Edward Ellis, Mrs. Sidney Bartlett, Mrs. Stephen Foster and Mrs. William Sherman Hay.

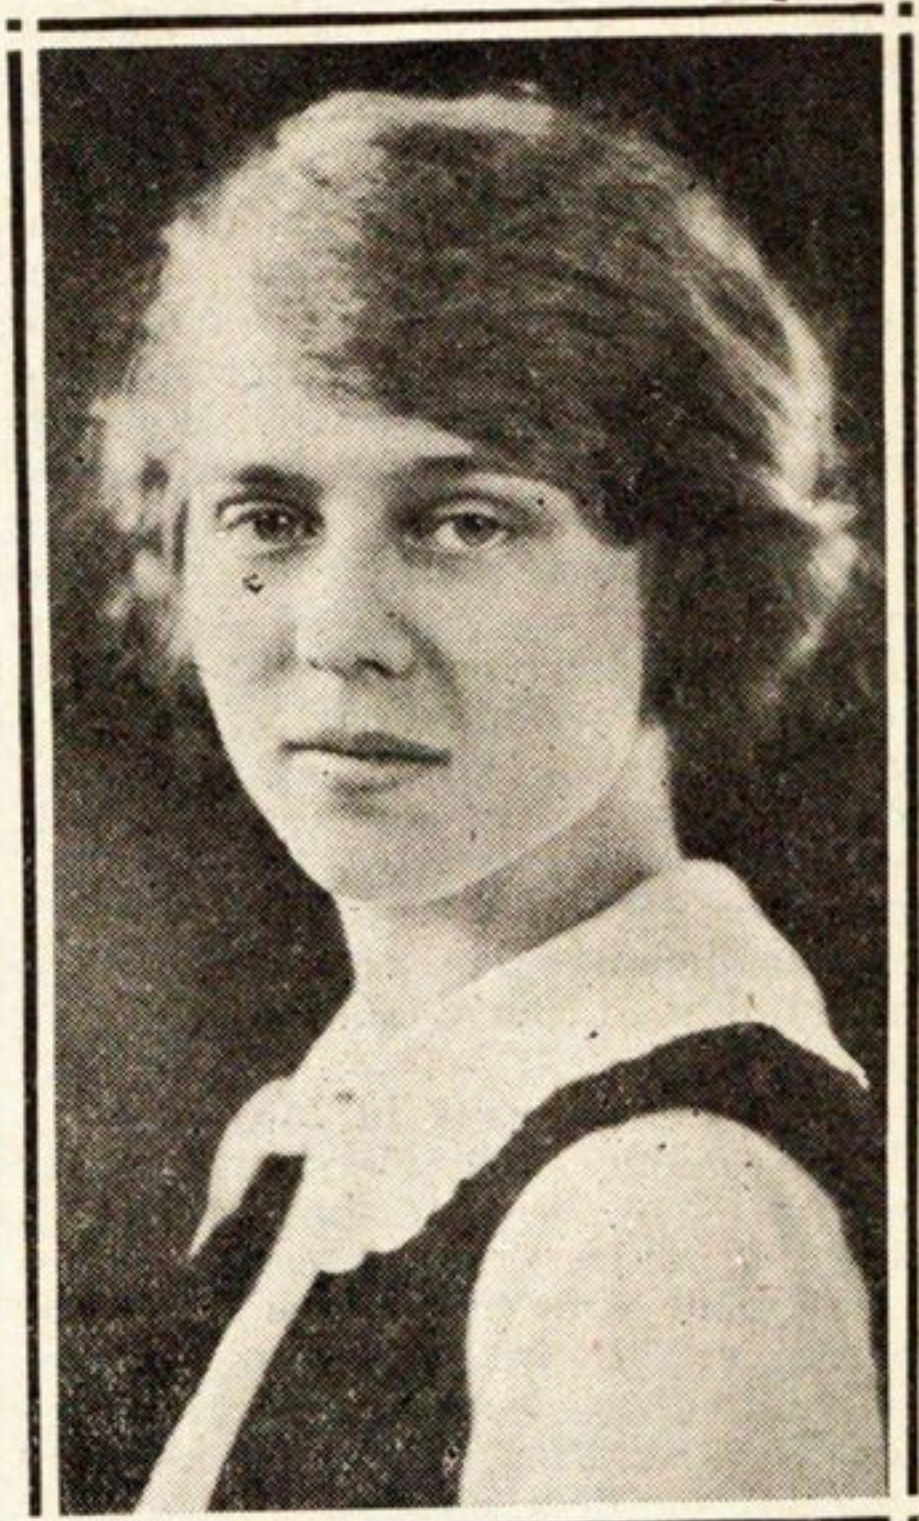

Mrs. Katherine Hancock Goode, of Woodlawn, Chicago, who has recently been elected to the Illinois legislature, spoke on the topic, "The Near End of Politics," to a large gathering of women at last week's meeting of the Women's society of the Congregational church. Her own stimulating experiences in neighborhood political activities were keenly enjoyed. William A. Hadley told of the activities of the Hadley School for the Blind, located in Winnetka, in which the society is interested.

The morning groups of the society listened to varied programs of reading and music, while sewing and knitting for charitable agencies in Chicago and elsewhere. A large number of women recently come to the village to live found a welcome and a delightful day among the active women of this energetic society.

The North Shore MacDowell society will meet in the Boy Scout room, Community House, Winnetka, Wednesday evening, December 10, at 8 o'clock. Anita Willets Burnham will tell of her trip abroad with a "Paint Box and Family of Six," illustrated by sketches from the paint box. Guest tickets may be procured from the treasurer, Dr. W. A. Colledge, of Kenilworth.

The sewing department of the Pine Street circle met Tuesday at the home of Mrs. Thomas McLaren of 1004 Pine street, with Mrs. Henry Carey-Curr assisting. The next regular meeting will be with Mrs. John Marshall of 1110 Pine street.

Miss Phyllis Eileen Barry, daughter of Mr. and Mrs. Bert B. Barry, 211 Maple Hill road, Glencoe, re-

Phyllis Eileen Barry

turned home Monday from her concert tour of the New England states. Miss Barry is a cellist of promising ability.

The West Elm Street circle will meet at the home of Mrs. N. N. Henrich, 972 Elm street, on Tuesday, December 9. Mrs. Carl Hansen will be the assisting hostess. This is to be an all-day session. Those attending are asked to bring sandwiches. Coffee will be served by the hostess. A group of children from Skokie school will present the "Bird's Christmas Carol" at 3:30 o'clock. A large attendance is desired.

Mrs. Charles L. Day of 454 Sheridan road spent several days with her sister, Mrs. C. K. G. Billings, at the Drake. Mr. and Mrs. Billings were stopping at the Drake for a few days, en route to Jacksonville, Florida, where they went aboard their yacht, "Vanadis" for a cruise in southern waters. Mr. and Mrs. August Magnus of 650 Sheridan road are of the party.

The December meeting of the Ash Street circle will be held at Community House, December 9, at 1:30 o'clock. The hostesses will be Mrs. Alvin E. Walgren, Mrs. Stevens P. Walker and Mrs. Joseph Sauer, Jr.

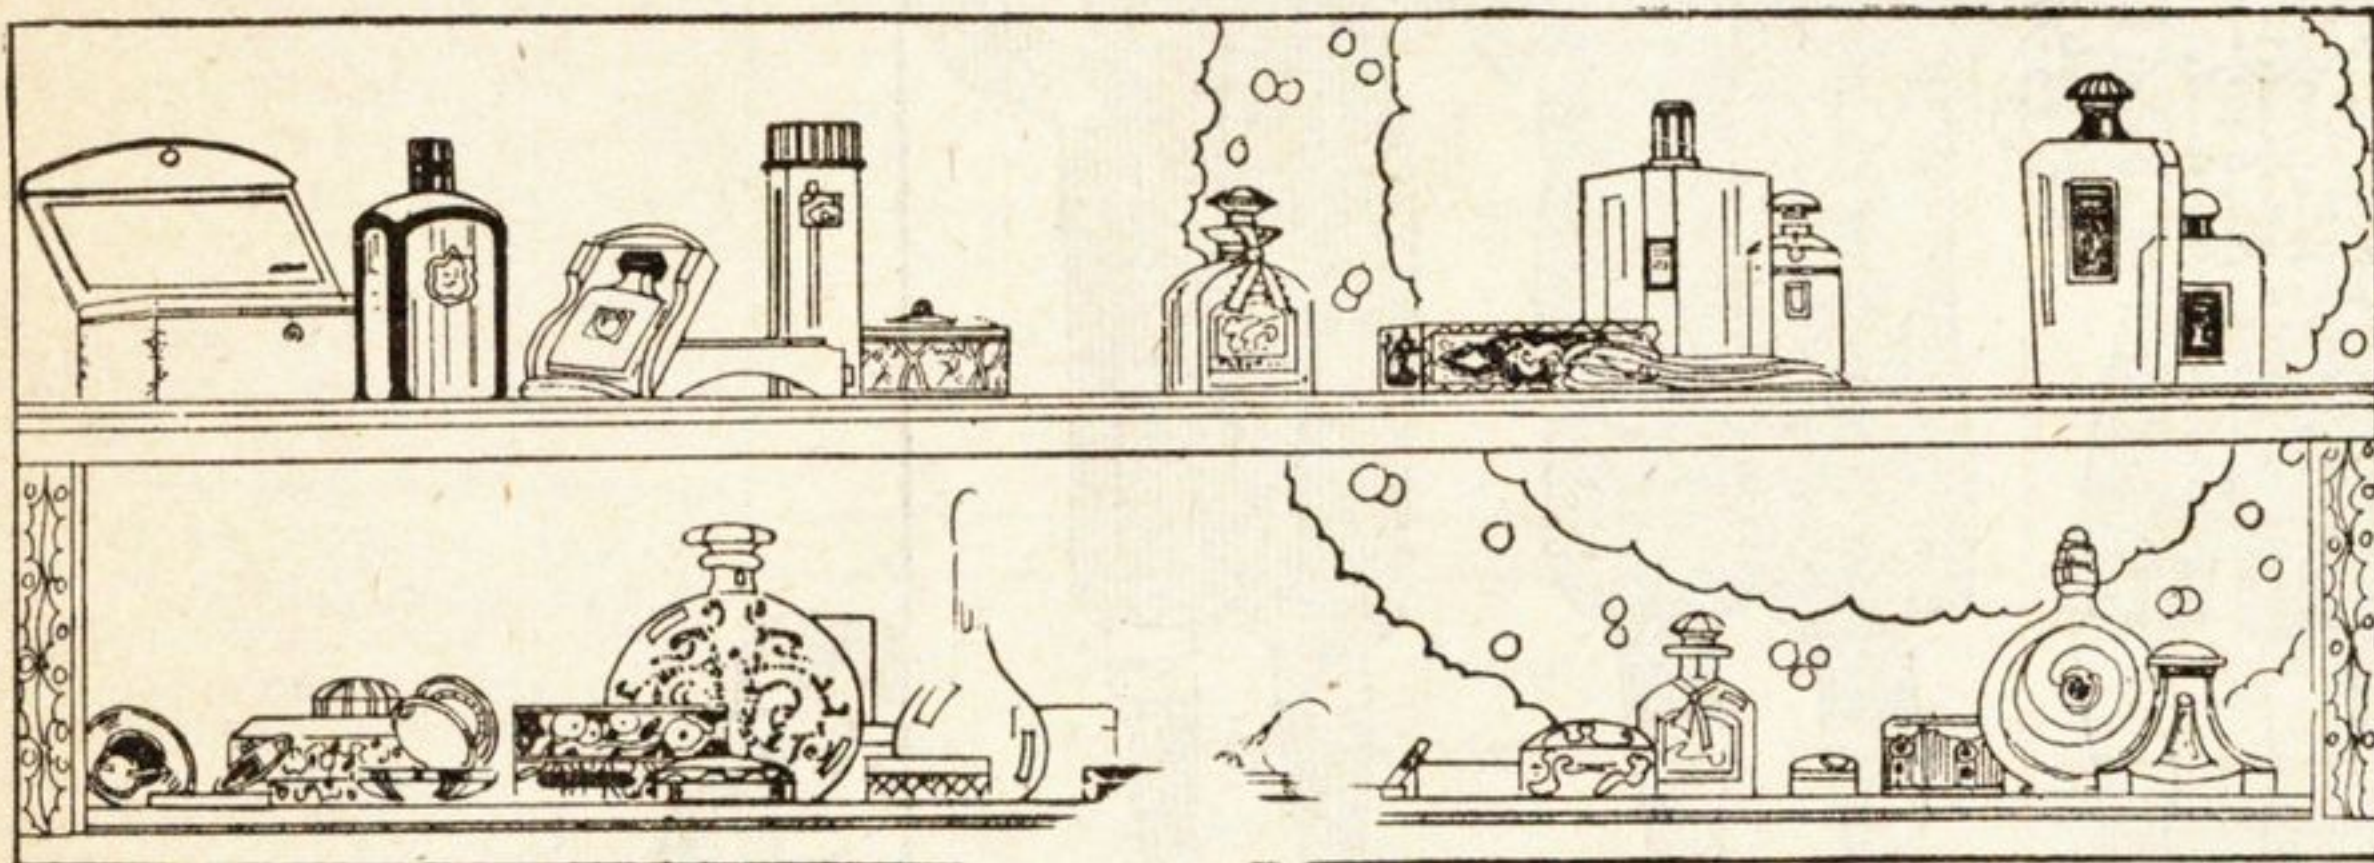

Mr. and Mrs. James D. Wigglesworth of Winnetka, formerly of Wilmette, are being congratulated upon the arrival of their second son, Friday, November 28.
