

NEAR EAST HAS DAY DECEMBER 7

Many Nations to Observe Golden Rule Day

From thousands of pulpits in this and twenty-two other nations will be made the Christ-plea, "Whatsoever ye would that men should do unto you, do ye even so unto them."

Hundreds of thousands of persons from President Coolidge down to the lowliest citizen will curtail the usual elaborate Sunday dinner to a meager menu such as that served in the orphanages which house 60,000 unfortunate little ones in the Bible Lands. The day will be given over to a practical application of the Golden precept toward these children and the other thousands of unfortunate Christians who have been driven from their homes in Turkey and are now shivering in refugee camps in Greece.

Eat Orphanage Dinner

Observation of the day will be general throughout Illinois. For several weeks, a committee of distinguished citizens headed by former Governor Frank O. Lowden has been active in preparation of the part this state will play in a substantial application of the Golden Rule in behalf of those less fortunate peoples along the Mediterranean. Civic and social organizations, churches and Sunday schools and private families will eat orphan meals December 7, or during Golden Rule week which follows. A duplicate of the menu served in a Near East orphanage consists of soup or macaroni and cheese, rye bread, stewed fruit and cocoa. Many of these groups will on that date make their contributions to the Near East Relief, administrator for America among the homeless little ones of Palestine, Persia, Armenia, Syria, Anatolia, Turkey and Greece, and for the continuation of the work of feeding the hungry and sheltering the homeless.

Committee Asks Contributions

Under the Near East Relief plan, \$60 is sufficient to "adopt" an orphan, thus assuring food, clothing, shelter and education for one year. The meals served in the orphanages are provided at a cost of four cents each.

The Illinois committee asks that all contributions be sent to the treasurer, George M. Reynolds, 37 South Wabash avenue, Chicago.

At The Movies

NEW EVANSTON

Bebe Daniels and Ricardo Cortez have the leading roles in Allan Dwan's thrilling and elaborate picture, "Argentine Love," to be seen at the New Evanston, Monday, Tuesday and Wednesday of next week. It is from the novel of that title by the pen of Vincento Blasco Ibanez.

Movie fans who remember seeing the recent Al Christie feature "Hold Your Breath," with its slapdash comedy and thrills will be surprised at the versatility of the Christie organization when they see the next Christie feature, "Reckless Romance," which comes to the Evanston theatre, Thursday, Friday and Saturday of next week.

Both pictures are feature-length comedies, but in that the comparison stops, for "Reckless Romance," is a comedy picture of an entirely different type. It has fast action but it is straight farce, one of the things which the Al Christie organization has the reputation of being specialists in.

Depending as it does on putting over farcical situation comedy rather than broad gags and "hokum," the picture has called for an excellent cast to play the various roles in a skillful manner.

The two feminine leads are Wanda Hawley and Sylvia Breamer. The two chief male roles are played by T. Roy Barnes and Harry Myers. Tully Marshall, Lincoln Plumer and Jack Duffy portray the character roles, while Morgan Wallace is the villain. Plumer and Jack Duffy have been identified with the Christie short comedies, and Barnes and Marshall have previously appeared in Al Christie features.

ADELPHI

The picture "Christine of the Hungry Heart" which will bring Florence Vidor and Walter Hiers as screen stars to the Adelphi next Wednesday and Thursday, December 10 and 11, opens in most unique fashion with a wedding. Imagine it! a film story opening with a wedding!

The beautiful Christine Madison (Florence Vidor) is about to become the bride of Stuart Knight (Warner Baxter) who is one of the wildest of the younger men of the city. And he, the groom prepares for the ceremony with a healthy (or should we rather say unhealthy) swig from a flask.

Starts out interestingly and naturally complications ensue, for marriage does not immediately sober and reform the fast young man, as marriage is traditionally supposed to do.

J. Warren Kerrigan, will star in "Captain Blood" the red blooded tale of romance and adventure which will be the attraction at the popular Clark street

movie theatre the first part of the week beginning Sunday, December 7.

Antonio Moreno and Helen Chadwick will appear in "Border Legion" Friday and Saturday, December 12 and 13. And Our Gang will furnish the laughter in "Sundown Limited" on the same bill.

Announce Prizes Soon in Lighting Contests

Local contestants will not be kept waiting long before they know how their essays ranked with the others turned in on the Lighting Essay contest. The prize winners for the school and North Shore Electrical league territory will be announced before Christmas so that the lucky contestants will receive their prizes as an added Christmas present. The winners of the national prizes will be announced about the first of the year.

The essays turned in from New Trier and vicinity are very good, it is said, and other parts of the country are going to have a hard time beating this community in competition for the national prizes. The essays show that in most cases the contestants have studied the work carefully and have gained a general knowledge of lighting that will always be a help to them.
