

# N. T. CAGERS WALLOP SENN

## Chicagoans Easy Victims for Local Lads

New Trier basket ball fans had the pleasure of seeing the home teams walk all over Senn high school of Chicago in New Trier's second contest of the year on the home floor Friday, December 12. The north shore boys wallowed all four Chicago teams, the scores being: New Trier Lightweights (First Team) 33, Senn 21; New Trier Heavyweights (First Team) 34, Senn 9; New Trier Lightweights (Second Team) 26, Senn 5; New Trier Heavyweights (Second Team) 17, Senn 6.

This was the first victory of the season for the New Trier first heavyweights. They showed a marked improvement due to the strenuous practice during the past week. Their triumph might be laid largely to McFadzean, Copeland and Lauer. In the first few minutes of the game, before New Trier began to play, Senn ran up a score of seven points, but within a short time the figures were even, and at the end of the half New Trier led with a score of 17 to 7.

The second half was very much a repetition of the first, except that McFadzean and Lauer broke loose, the former sinking four baskets and the latter three. During this period the only scores which the Senn five were able to make were two free throws by Hill, and these were due largely to the kind efforts of Captain Martin.

The lightweight firsts showed up in fine style and seem to give promise of being a championship team. Mickey Emrich was the outstanding player, making eight baskets during the game. Josie Paletti also displayed good form until he was taken out on personals. Emrich scored within a minute after the game opened and it was a onesided game throughout, the baskets following in rapid succession, Sheldon making two of the eight ringers during the first half.

## Choristers to Radiocast Xmas Carols December 24

Just as it has been an old-fashioned custom in England, Germany and France for centuries for the humbler members of a community to go about at Christmas time singing carols, more particularly, in those countries, under the windows of the so-called aristocracy, so this year choristers from Northwestern University School of Music set a broadcast in the United States of radio-broadcasting Yuletide songs from The Chicago Daily News station. This season the radio caroling started the night of December 17, with another special program of somewhat different nature planned for Christmas eve, December 24.

Under the personal direction of Dean Peter C. Lutkin, the A Cappella choir of Northwestern university sang this week.

Through the special kindness of The Chicago Daily News, the Northwestern university program for Christmas eve, December 24, will probably run for forty minutes, the first part a program of readings by one of the most popular of Chicago entertainers and the balance musical numbers under the direction of Prof. Loyal Phillips Shawe, professor of voice culture at Northwestern University School of Music.

## Champ Sprinter Addresses Boys' Group at New Trier

Ray Fitch, who broke the world's record for the 400 meter run at the Olympic games last summer, was the speaker at a meeting of two of the boys' advisor groups at New Trier high school last week. He told of the experiences of the teams on the way overseas and of their trials and triumphs at the games.

Fitch broke the world's record in the 400 meter run one morning. His time was 47 4-5 seconds. In the afternoon he was to race again. He made the same time at this trial but was beaten by one-fifth of a second by Liddell, of Scotland. The boys made a very enthusiastic audience and enjoyed Fitch's story immensely.

## "MICKEY" EMRICH LEADS N. T. LIGHT CAGE SQUAD

Milton Emrich, better known as "Mickey," son of George L. Emrich, 625 Eleventh street, Wilmette, was elected captain of the lightweight-basket ball team at New Trier high school for this season. This announcement was received enthusiastically by the school, as he was one of the leaders of last year's team and was always dependable, whether he happened to be lucky with the baskets or not.

Emrich was president of the sophomore class last year and is a prominent member of the Hi-Y and of the junior class in general. He played a brilliant game against the Senn team last week and is expected to contribute largely to the lightweight team's championship efforts.

For those who like the game there are several good contests scheduled during the holidays. On Saturday evening, December 20, Austin will meet New Trier on the latter's floor at 7:30 o'clock. The following Saturday, December 27, Hyde Park will come to New Trier for a game starting at 7 o'clock; Monday, December 29, New Trier will go to Rockford and Saturday, January 3, Lane Tech will play New Trier at home at 7 o'clock.

Miss Helen Little, daughter of the Frederick Littles, is recovering from an operation, performed last week at her home, 514 Essex road.
