

## MASONS PLAN ACTIVE MONTH

### Many Social Events Arranged for January

At the stated meeting of Winnetka Lodge, No. 1078, A. F. and A. M., held January 6, several important announcements were made regarding social and other activities of the lodge for the month of January.

Of special interest to the mothers, wives, daughters and sisters of Winnetka Masons was the announcement that special provisions were being made for the entertainment of their Temple club on January 20. On that date the finals in the Billiard and Pool tournaments are to be played and immediately after the games dancing and refreshments will be in order downstairs in the Masonic temple building.

A card party and dance was announced by the Square club of the lodge to be held at the temple on the evening of January 23, and rather elaborate preparations have been made to insure a good time. Something new and novel in the orchestra line has been engaged, and the committee states that the music will be unusually fine, and the stunts interesting and unique. Tickets for this affair will be in the hands of members for distribution.

The evening of January 27 has been set aside for a reception to those men who became members of the lodge during 1924, and Worshipful Master, William F. Grøene, is authority for the statement that he will see to it that this event will be one long remembered in local Masonic circles.

Although social activities will take up several of the meeting nights during the month, degree work has not been overlooked, and the month will terminate with a special meeting on January 31, at 3:30 o'clock, with work on the third degree, dinner being served at 6:30 o'clock.

## SUNDAY CLUB TO STUDY BOOKS TOMORROW NIGHT

BY M. S. K.

Miss Frances Von Hofsten gave a most interesting talk on "Christmas in Sweden" at the meeting of the Winnetka Sunday Evening club on January 4. She told of the quaint customs and superstitions surrounding Christmas, and illustrated her talk with photographs and crayon sketches of her father, Hugo Von Hofsten.

All those present felt that they had had a pleasant glimpse into a foreign land and were grateful to her for a charming evening.

Edgar Dale will be in charge of the club meeting tomorrow. The program for the evening will be a discussion of three recent books dealing with the progress of science: "Icarus," by Bertrand Russell; "Daedalus," by Haldane, and "Tanalus," by Schiller.

Supper will be served by Miss Margaret Batten and Miss Frieda Zimmerman.

This is a good opportunity to get together again after the vacation. Don't forget to come and bring your friends. Camp Fire room of Community House at 6:30 o'clock.

### Hearing January 26 on Chestnut Street Plot

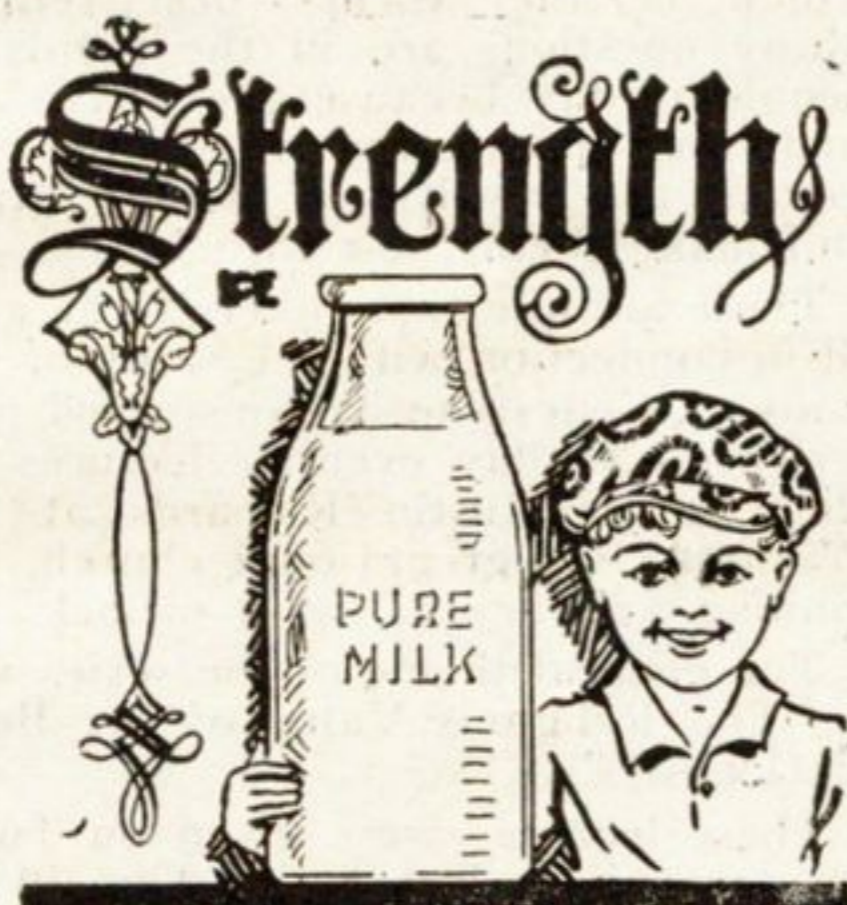

The Village Board of Appeals on Zoning will hold a meeting January 26, at 8 o'clock in the evening to consider a petition filed by B. F. France for the re-zoning of his property, the 50 feet fronting on Chestnut street just south of the Winnetka Dairy. This is now zoned as "B" residential, and he wants it changed to "C" commercial.

At a previous hearing, last April, the Board of Appeals recommended that the zoning ordinance remain unchanged.

The Board of Appeals is composed of the following villagers: Robert Kingery, Charles L. Byron Coran T. Davis, Spencer S. Beman and Harold W. Snell. The meeting will be held in the council chambers at the Village hall.

### Time Is Here to Pay Vehicle and Dog Tax

Chief W. M. Petersen of the local police wishes to remind villagers that vehicle and dog taxes are now due. The police department allows a certain length of time for residents to attend to these matters at their convenience but there is no reason to unduly prolong the delay in paying the taxes, he says, as they must, in all events, be paid. Make it easier for everyone by taking care of these matters as soon as possible, he suggests.
