## Indian Hill's Winter Season Popular

WINTER Sports at Indian Hill are attracting a large number of devotees, especially in the evening when in addition to the skating and tobogganing, radio music is wafted on the air Wednesday evenings to add to the delight of skaters. An innovation of this season was the dinner-bridge given on Thursday evening, and from the number of reservations the popularity of this adventure is assured.

This afternoon at 2 o'clock the Junior Carnival commences with a parade of the young folk in costume. An orchestra will play and refreshments will be served in the clubhouse. In the evening following the skating and tobogganing the members will dance to radio music.

On January 24, the adults will have their carnival and on January 31 a dinner-dance will be the "grand finale" of the winter season, as the club closes for repairs February 1. The new windows in the dining room are one of the first changes that will make the remodeled club more delightful.

The bedroom group sketched above offers a real opportunity. The design is patterned after the quaint pool turnings that were so popular two generations ago. Many fine old pieces found in homes of the "Old South" were fashioned with spool turned legs.

If you will write us we will gladly give you an interesting history of the spool design.

The prices are very reasonable—listed separately for your convenience.

Come in and spend an hour the next time you are in Evanston. Our stock of home furnishings is complete and carefully selected. You will be pleased at the prices.
