

GARDEN PROGRAMS GAIN IN FAVOR WITH LOCAL CLUBS

Next Speaker at Wilmette Club is Here from France

M.L.E. Marguerite Clement of Versailles, France, will entertain the Woman's Club of Wilmette on Wednesday afternoon, February 18. Her subject will be "The French Art of Story Telling." Mlle. Clement teaches literature in one of the most noted schools in Paris, the Lycee Victor Duruy, and the club is very fortunate in being able to hear her.

The morning program will be an art talk by Miss Lucie Hartrath. She will describe the Exhibit of Chicago Artists at the Art Institute in preparation for the View day on February 26.

Young Artists Delight a Large Club Audience

JOSEPH BRINKMAN, pianist Robert Quick, violinist, Robert Sanders, accompanist, gave a delightful program at the Winnetka Woman's club on Thursday afternoon, February 5, at 2:30 o'clock. The program consisted of the following numbers:

These young artists did not come as strangers to Winnetka as they all appeared at the club last year and won many admirers. Since then they have both made great strides in their work.

Mr. Brinkman was lauded by Edward Moore in the Tribune after his appearance as soloist with the Chicago Symphony on December 4 and 5 of this season when he won "the most spontaneous, the most hearty, and the longest continued applause given to any soloist of the season."

Mr. Quick will appear with the orchestra at the popular concert on February 26, in reward for winning first place in the violin contest held by the society of American musicians.

The reputations of these two men as leaders among the young artists in Chicago had aroused the interest of the audience and their playing on Thursday more than came up to expectations.

Mr. Quick played with a warm, rich tone and perfect intonation. His playing was mature and revealed a sense of exquisite refinement.

Mr. Brinkman appeared both as composer and pianist. His compositions were highly interesting, particularly to those familiar with the modern idiom. Mr. Brinkman's selections afforded him an opportunity to display his versatility as an interpreter. The Strauss Reverie revealed a beautiful singing tone and the difficult Rachmaninoff B flat prelude was played with a brilliancy of technique which proved him a pianist of the highest order.

Mr. Sanders played excellent accompaniments.

The Neighbors Will Celebrate Birthday

FEBRUARY 19 is the birthday of the Kenilworth Woman's club. In accordance with the annual custom, the occasion will be celebrated. A special program will be given by the club's own talent. The Neighbors Glee club will sing and Mrs. Edwin Hedrick will read some garden poems in recognition of Garden day which will also be observed at this time.

Garden plots and plans will be displayed and Mrs. John Vennema's models of garden seats and fountains will be on exhibition. An example of community gardening on a small scale will be demonstrated by the exhibit of a plot showing the arrangement of three adjoining back yards to form a harmonious unit.

The club hopes to awaken an even greater interest in gardens and flowers so that more garden clubs may be organized and the members have for their goal the improving and beautifying of the village.

On Thursday of last week, Elmer L. Nygaard, superintendent of the Joseph Sears school, delighted his audience with his talk on "Art in the Schools." His talk was considered by many as one of the most charming in the history of club programs.

Mr. Nygaard spoke in the absence of Dr. Nathaniel Butler who had been announced as the speaker for February 5.

Aubert Moritz, son of Mr. and Mrs. Theodore Moritz, 226 Warwick road, has returned to school at the University of Wisconsin after having spent the mid-year vacation at home.

Next Meeting of League Entirely Social Affair

THE February meeting of the North Shore Catholic Woman's league will be held at the Winnetka Woman's club Monday afternoon, February 16, at 2:30 o'clock. The program for this meeting will be somewhat out of the ordinary, just a social card party for the members and their guests. Mrs. James J. Enright of Glencoe, house chairman, has charge of the arrangements for this party.

The next meeting of the social service department of the league will be held Monday, February 23, at the home of Mrs. Harry Robert, 722 Elm street, Winnetka. Members will sew for St. Margaret's home on this occasion.

Noted Landscape Gardener to Address Winnetka Club

PLANNING your Garden" is the subject of the illustrated lecture to be given by Ralph R. Root, at the next regular meeting of the Winnetka Woman's club, Thursday afternoon, February 19, at 2:30 o'clock. Mr. Root is one of the foremost landscape gardeners in America, and the committee considers it a great privilege to have him speak before the club.

Gymnasium Classes Gain Interest of Young Men

R. H. Carpenter of New Trier is in charge of the gym classes on Monday, Tuesday and Wednesday evenings at the Howard school and the gym classes on Thursday and Friday nights at the Stolp school. He is conducting a young business and professional men's class every Monday night at the Howard school gymnasium.

Both of these gymnasiums are available to any group or groups wishing them, providing they make arrangements with Mr. Carpenter and bring with them their own referee. It is also possible to divide the time for the gymnasium work into two portions for each evening, if desired.

CHILDREN WILL AID NEAR EAST

School Pennies Go to Needy Orphans

School children of Illinois will extend a helping hand across the seas during the week of February 14 when the annual Valentine offering of the little ones in the state will be sent to the orphans in the Bible lands and refugee camps of Greece.

All pupils in the public schools have been urged to contribute at least 17 cents, the cost of maintaining an orphan for a day in a Near East Relief institution overseas. Last year \$20,000 was the gift of the children in Illinois to their less fortunate brothers and sisters in the desolate lands along the Mediterranean.

Because of the urgent call for aid at this time, it is anticipated that the contribution this year will be much larger. The Near East Relief, in addition to caring for the 60,000 orphans in Armenia, Syria, Palestine and Persia, is endeavoring to save 100,000 little ones in the refugee camps of Greece by providing one hot meal daily. This is the only meal that these children are receiving and without the aid of philanthropic persons in the United States they would perish.

Lessons in geography of the Near East, pageants depicting life in Syria and Armenia and debates on the political situation in Turkey and Greece will mark Valentine week in the public schools throughout the State of Illinois.

Mrs. A. W. Palmer of Champaign, Ill., was the guest of Mr. and Mrs. Walter F. Shattuck, 338 Kenilworth avenue, over the week-end.

Girls' Rifle Team Has Heavy Spring Schedule

The girls' rifle team of Northwestern university has scheduled seven inter-collegiate shooting matches for the next two months and others may be added to the list. The girls' team this year has 80 members and is being coached by Capt. E. G. Chapman, United States Army, on special duty on the N. U. campus in the military science department. The team this year is headed by Miss Frances Mallory, of West Springfield, Pa., who is president, and Miss Martha Stoddard, Minook, Ill., who is vice president. Louise Schriber is treasurer and Blanche McGregor is secretary. The requirement for membership is 60 or above out of a possible 100 shots but many of the girls are shooting far above that average.

The present schedule follows: February 14, University of Montana; February 14, Cornell university; February 28, University of Illinois; February 28, Syracuse university; March 14, University of Nevada; March 21, Michigan Agricultural college, and March 28, Oklahoma A. & M. college.
