

# ACTIVITIES OF WOMEN'S CLUBS EMBRACE WIDE SPHERE

## North Shore Women Invited to Hear Dr. Yarros Speak

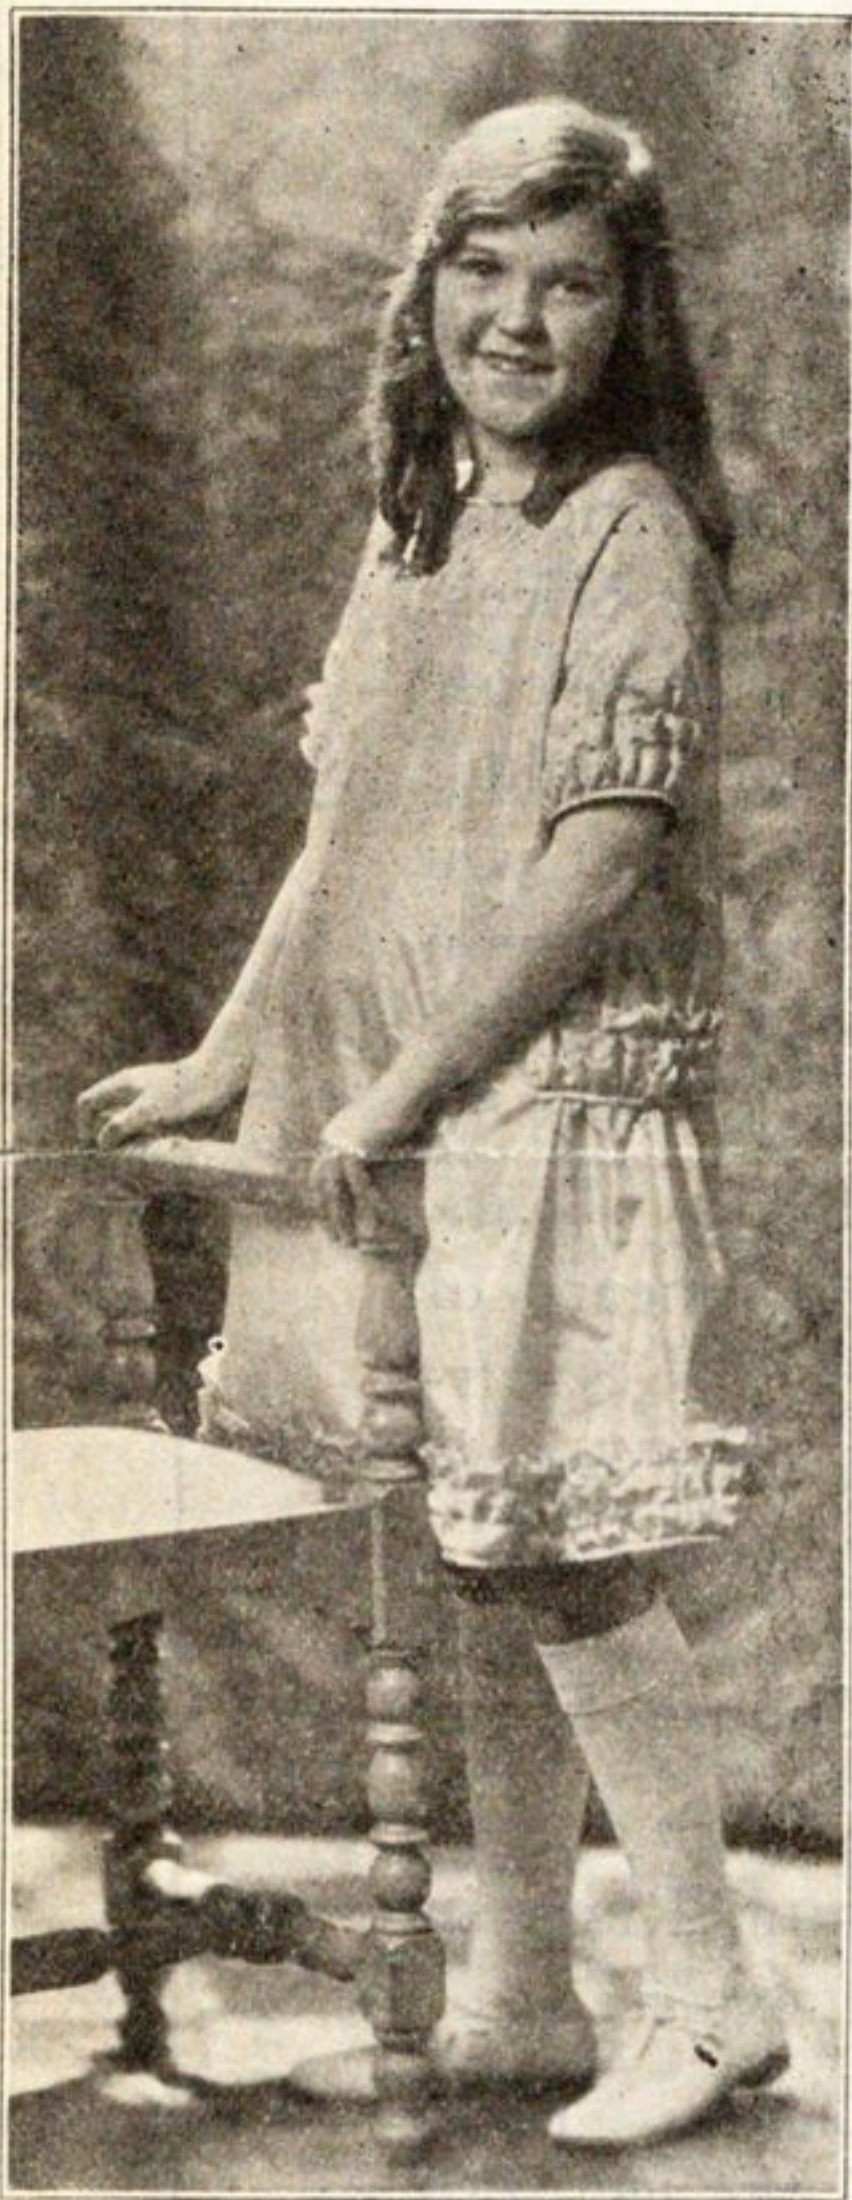

ON Friday morning, February 20, chairman and director of the Social Hygiene Council of the State of Illinois, will speak at the Wilmette Women's club under the auspices of the Wilmette League of Women Voters, on Thursday, February 26, at 2:30 o'clock. Her subject will be "Some Phases of Social Hygiene."

Dr. Yarros is speaker of note as well as a practicing physician, and in addition to her position in the State Council, holds that of chairman of a like committee for the Illinois League of Women Voters. Those women who have been fortunate enough to hear her speak, will be glad of the opportunity to listen to her message again, while those who have not heard her, are promised a talk of unusual interest.

The meeting is open to all women of the north shore and it is hoped there will be a large attendance.

## Child Artist Will Appear in Recital

ANNOUNCEMENT is made of the piano recital to be given by our north shore child artist, Harriet B. Mason, formerly of Winnetka, and well known along the shore. She will

Harriet B. Mason

be presented by Karl Reckzeh on Sunday afternoon, March 1, at 3 o'clock, at Lyon and Healy hall, Chicago.

When Harriet had studied only one and a half years, she was chosen as piano soloist for the artist-children's programs at Ravinia Park. The Music News gave the following review of her work on one of these occasions: "Harriet Mason walked away with an ovation for her dainty playing of 'Toy Soldier' by Warner and 'Bell Waltz' of Poldini, a fine combination for a group. Harriet is only nine, and has the poise of a veteran to say nothing of a very mature technique and unflinching good taste."

Since that time she has been soloist with various clubs and with the symphony players at the concert of the German Choral societies. She is an untiring little worker with a bright future. Mr. Reckzeh, it is stated, considers her progress so remarkable after only three years of study, that he is presenting her in this coming recital. Those who wish to hear her are invited to attend. The program she will play, follows:

Bach-Reckzeh .... Concerto D major  
Rameau ..... Theme and Variations  
Mozart, Concerto (3rd Mov.) C major  
Beethoven ..... Sonata op 79 G major  
Presto—Andante—Vivace

Bargiel ..... Prelude op 31 No. 1  
Chopin, Nocturne, F minor op 55 No. 1  
Chopin .. Mazurka A minor op 7 No. 2  
Chopin .. Valse Gb major op 70 No. 1

Grieg ..... Humoreske op 6 No. 2  
Borchert ..... Birdlings  
Warner ..... To A Toy Soldier  
Friedman ..... Rhapsodie

Mendelssohn .....  
... Capriccio Brillante op 22 B minor  
(Karl Reckzeh at the second Piano)

## Woman's Library Club

THE women of the Library Club of Glencoe were most enthusiastic in their praise of Professor Percy H. Boynton of the University of Chicago who eliminated all feeling of delivering a formal lecture when he talked in an informal and friendly manner on "Changing Ideals in American Patriotism," at the club meeting on Thursday afternoon. He traced the change that has come about through five wars, beginning with the Revolution and including the World War.

Miss Pauline Manchester, talented daughter of one of the club members, played the following piano selections most charmingly: "The Nocturne in F sharp Major" by Chopin, and "The First Movement of the Tragic Sonata" by MacDowell. She graciously responded to the applause with an encore, "Scherzo in E Minor" by Mendelssohn.

Mrs. Albert O. Olson and Mrs. Fred Patton made interesting reports on the two day session of the Illinois Women's Joint Legislative Forum held in the Congress hotel February 6 and 7.

Within five days the following births were announced: to Mrs. Andrews Allen, a daughter, Katherine Elisabeth; January 12, to Mrs. Stewart W. Purdy, a son, Stewart Webster, Jr., and January 16, to Mrs. Charles A. Saxby, a daughter, Mary Serene.

At the club meeting on Thursday, the following resolution, offered by the chairman of the civics committee, and endorsed by the board of directors for the consideration of the members at the meeting on February 12, 1925, was unanimously passed,

"Whereas, Mental and physical degeneracy, as well as sex crime, is increasing in Illinois to an alarming extent, and

"Whereas, Protective laws for the sterilization of sex criminals and mentally defective have been enacted, with marked benefit to both the individual and the community, in ten of our States, therefore:

"Be it resolved, That we, the members of the Woman's Library Club of Glencoe do hereby petition the State Legislature of Illinois to enact a bill for the sterilization of defectives, insane, epileptics and criminals, confined in our State Institutions, embodying in such law the best in similar laws passed by the State of Wisconsin and California."

Graham, 446 Washington ave., Glencoe 74. Club membership cards must be presented at Art institute door for free admission.

Members of La Petite Causerie, the French club within the Library club, were guests of the art and literature department of the Woman's club of Wilmette on Wednesday afternoon, February 18, on the occasion of the lecture given by Mlle. Marguerite Clement of Paris.

## Loving Cup Will Be Given Women Voters

REPORT has come from Washington that a silver loving cup will be awarded by the National League of Women Voters to the state league whose state showed the greatest percentage of increase in the num-

ber of voters in the last election. The award will be made on the night of April 18, during the national league convention to be held in Richmond, Va., April 16-22.

It was announced that the award will be based upon certified state election figures now being collected by the league, and which are expected to be completely in hand by the latter part of March. It was decided to make the award, it is stated, in the interest of the league's get-out-the-vote campaign.

## Sewing and Lecture on Wilmette Club Calendar

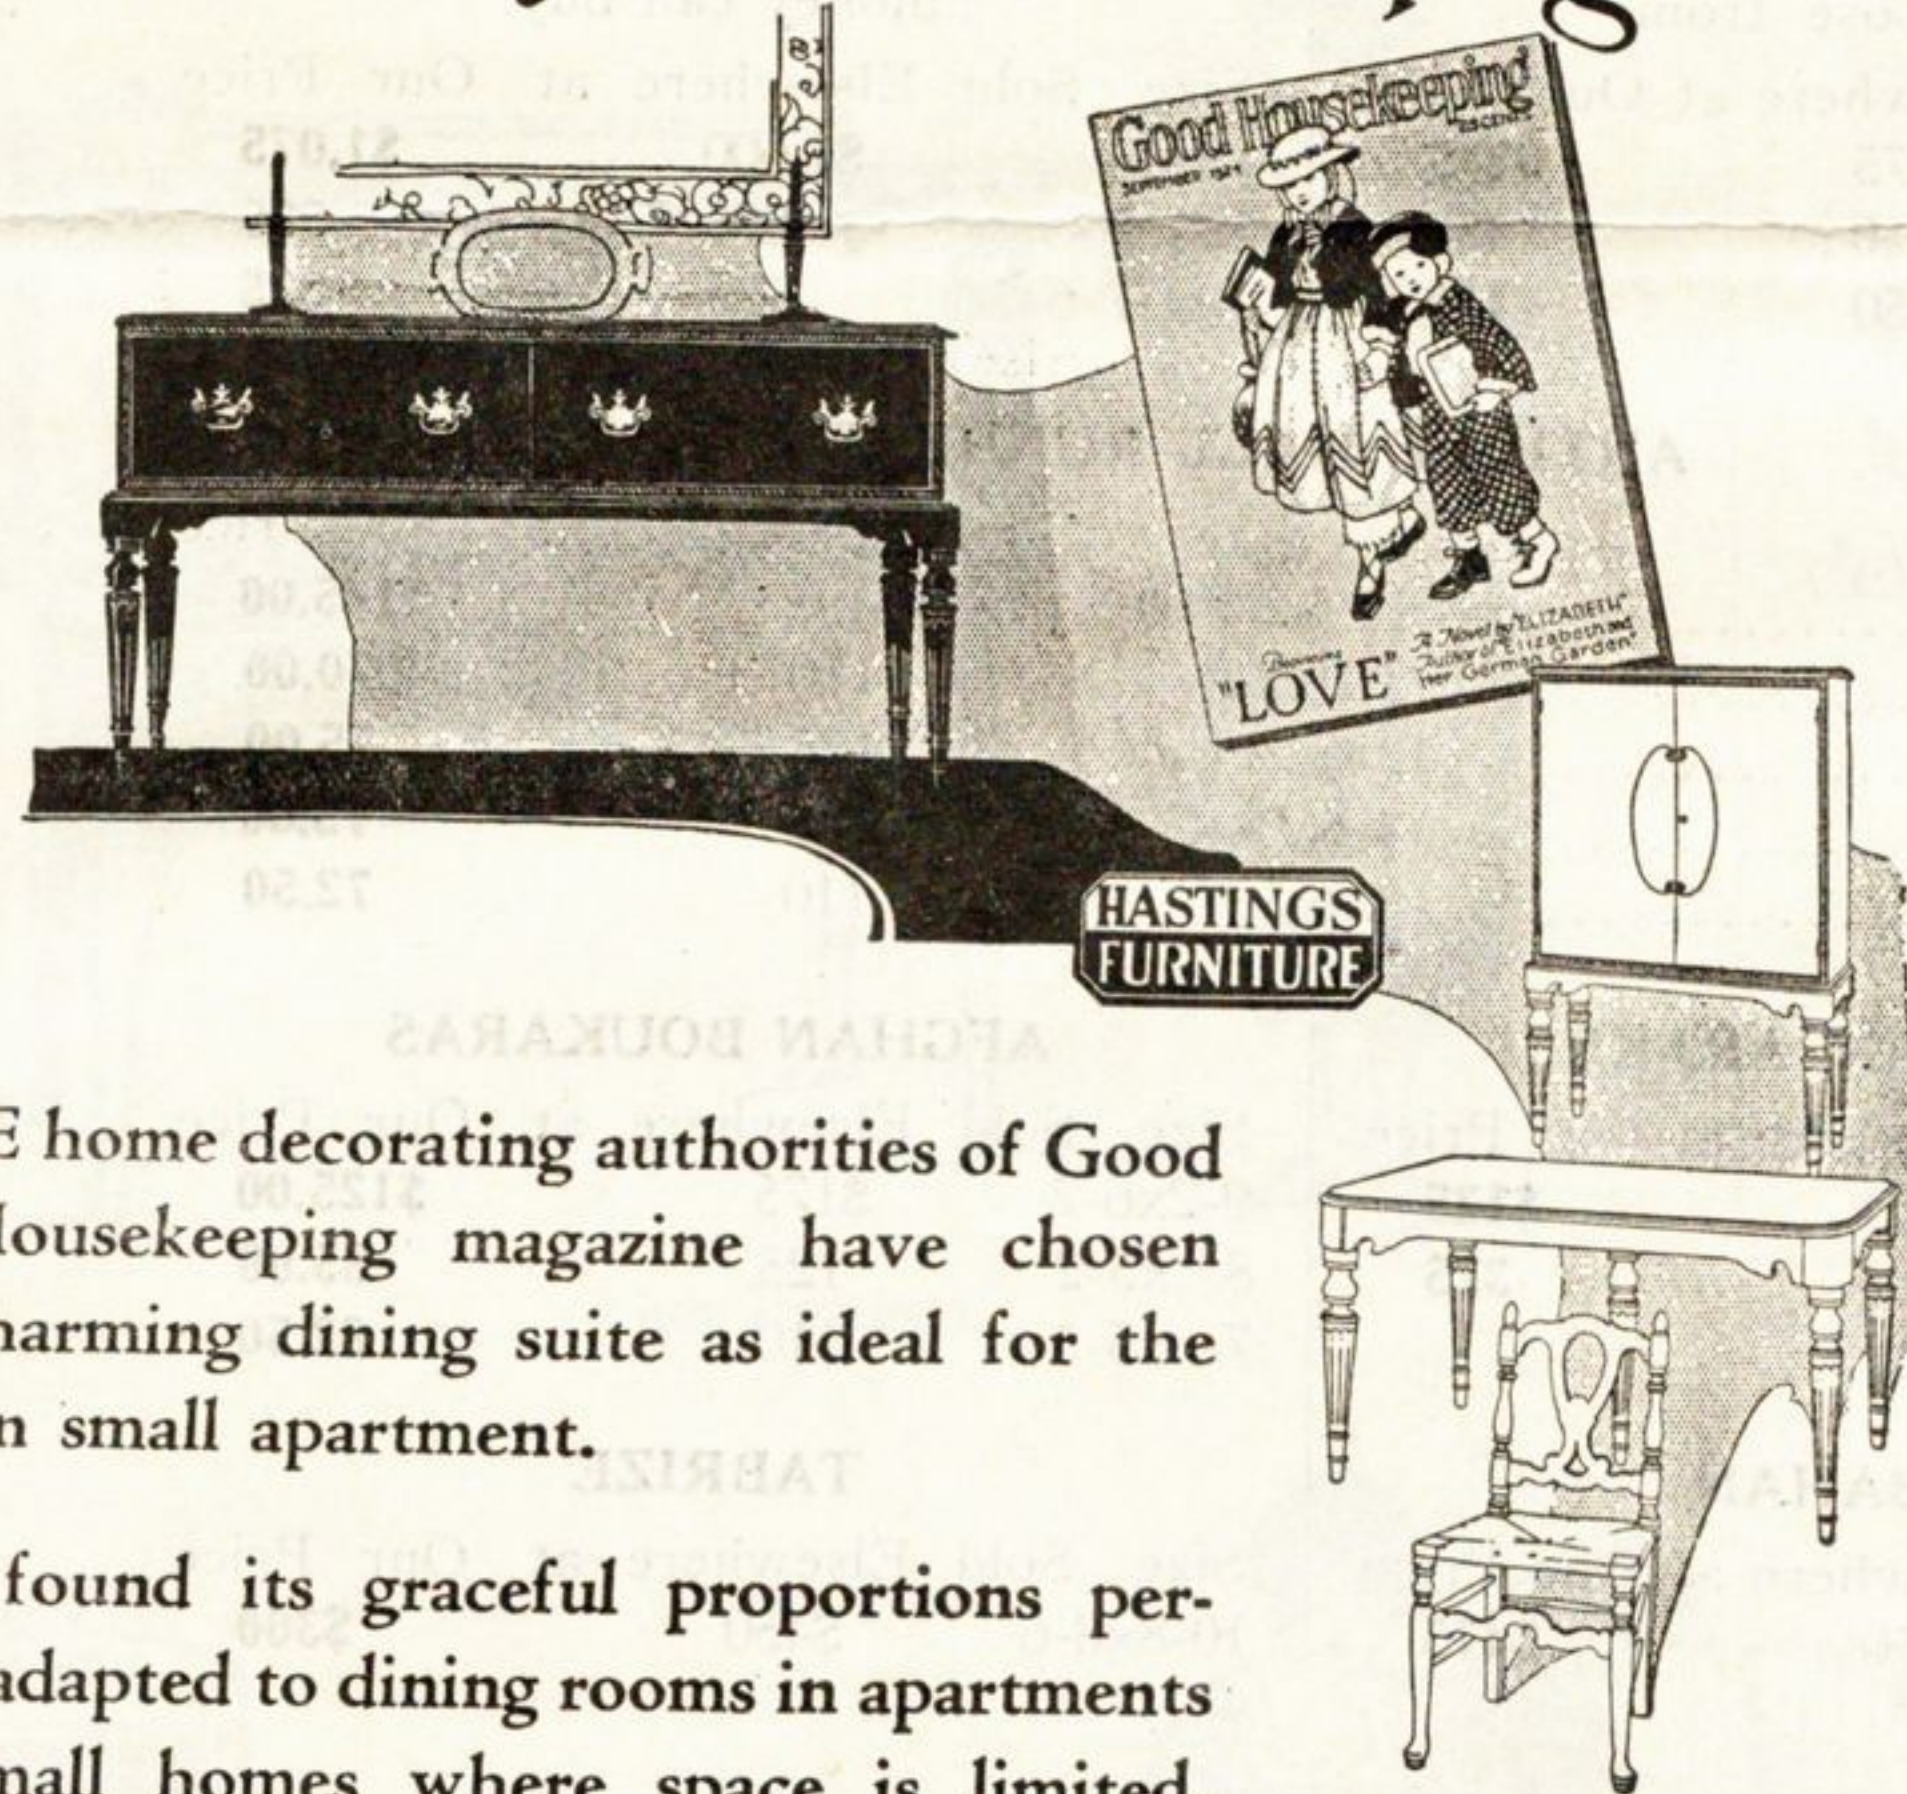

DR. RACHELLE I. YARROS, women of Wilmette will gather at the Woman's club to spend the day sewing for the children of the Lake Bluff Orphanage. The invitation is extended to all the women of the village.

On the Wednesday afternoon following, R. E. Pattison Kline will give the second of his February lectures on current events. He has taken as his topic for this occasion, "The Progress of Science."
