## THE NORTH SHORE BULLETIN

MARCH 1925

## NORTH SHORE LINE

# The Travelers' Forum

PUBLISHED as a friendly link between the North Shore Line and its passengers, with a cheerful personality all its own, the North Shore Bulletin has become an interesting feature of North Shore travel in the eight years it has been in existence. Each month it appears in North Shore stations and trains, from Chicago to Milwaukee—and as quickly disappears into the hands of passengers. More than 6,000 others, living throughout the country value the Bulletin sufficiently to have it mailed to their homes.

There are stories on North Shore industries and activities, information on improvements made by the company and—most valuable of all—the hundreds of letters a year received from passengers, as published monthly in the Bulletin. These letters represent expressions of thought on every subject dear to the commuter's heart, and mark the reaction of North Shore residents to every phase of current thought. The Bulletin has, indeed, become a forum of North Shore opinion.

It is gratifying to find this North Shore opinion enthusiastically eager to compliment us on the type of transportation the North Shore Line is supplying.

## Lydia M. Schmidt to Speak at Meeting

A JOINT meetinb of the civics and philanthropy department of the Winnetka Woman's club and the Winnetka League of Women Voters will be held at the club on the afternoon of March 19. On this day, Miss Lydia M. Schmidt will give one of her talks on international affairs.

Miss Schmidt spent four months in Europe in 1921 visiting Germany, Czecho-Slovakia, and Austria. In August, 1922, she returned to Europe to remain 15 months. She visited England, France, and Germany, and just before sailing for the United States in November, 1923, she spent three weeks in the Ruhr and Rhineland. She has attended every Assembly of the League of Nations since 1921.

Her attitude on the League is that of a student ready to admit the accomplishments as well as the shortcomings of the League. At the same time the effort is made to point out whatever there may be in the way of constructive thinking in Europe, both as regards the League and the general international situation.

In all of her talks Miss Schmidt endeavors to show the relation between Europe and the United States, and to indicate methods of cooperation. Her subject on Thursday will be "The Swiss Assembly and the Geneva Protocol." This promises to be an exceptional meeting.

The MacDowell Club of Winnetka met last at the home of Mrs. John Hausel, with Mrs. F. S. Bosworth assisting hostess. Miss Babcock of the North Shore Country Day school was the assisting guest. The following program was given:

From Miami comes word of a marriage which will interest many Winnetka residents, as the bridegroom is the brother of Mrs. Harry W. Moore of 731 Foxdale avenue. Miss Mathilde Niles, daughter of Mr. and Mrs. Garry Niles of Miami, became the bride of Robert E. Cooney on Tuesday evening, March 3, in the presence of the bride's family and a few intimate friends. Mr. and Mrs. Cooney will make their home in Miami.

A wedding of interest to Chicago and north shore society is that which will take place in Cambridge, Mass., on March 28, at the residence of Dr. Samuel W. Stratton, when Charles Henry Fargo of Evanston will marry Miss Gwendolyn Hart, daughter of Mr. and Mrs. Francis Russell Hart of Boston.

Herbert Kennedy of Winnetka and Neil Dawes of Glencoe are included in the usher list. The girls in the bridal party are all from the East.

The Camp Kewadlin girls are holding a reunion luncheon Saturday, March 14, at the North Shore hotel. At this time girls all along the north shore, who have gathered at this camp on Chambers island in summers past, will meet to renew their friendships and plan for the summer to come.

The North Shore Vassar club will be entertained Monday afternoon, March 16, at 3 o'clock, by Mrs. Roy J. Cook at her home, 1426 Asbury avenue, Evanston. Miss Lucy P. Wilkinson, who was at Vassar at the time of the recent total eclipse of the sun, will tell of her visit there.

Elsie Earle, daughter of Mr. and Mrs. S. Edwin Earle of 922 Tower road, who was operated upon for appendicitis at the Evanston hospital this week, is said to be recovering rapidly. Her mother, who has also been ill at the hospital with gripe, has returned to her home.

Mr. and Mrs. Heyliger A. deWindt returned Monday to their home on Chestnut street after a week's trip which included their stay in Washington, where they witnessed the inauguration ceremonies, and a visit in Philadelphia.

Mrs. William A. Stewart, 620 Cherry street, entertained 12 guests last Saturday in celebration of the eightieth birthday of her husband's mother, Mrs. W. J. Stewart.

Mrs. Halph Hobart, 660 Prospect Mrs. James P. Fleming, 787 Foxdale avenue, is leaving tomorrow evening for a week's visit in Pittsburgh.

Mr. and Mrs. James Porter, Mr. and Mrs. Morris Greeley, and Miss Margaret Furness composed a party of five who have recently returned from a month's cruise of the West Indies. They sailed from New York on the "Reliance," a regular ocean steamship, and after sailing along the coast of Florida, close enough to see the lights of Miami and Palm Beach, they journeyed onward to Cuba where they spent several days and had the opportunity of seeing the manufacture of cigars and cigarets. Their journey then took them to Kingston, Jamaica, which is under English jurisdiction. They took the mountain drive to New Castle, and visited the post of the Royal Engineers stationed at the top of the mountain. They then went to Panama and saw a boat pass through the Gatun Lock. The party was interested in the tonnage rates for sending vessels through the canal a rate varying from 75c to \$1.25 per ton, depending upon the cargo. They learned that the boat they watched had to pay \$4,000 to be pulled through the locks. They crossed the Isthmus and back by railroad, and sailed from Panama for South America. The travelers were impressed by their first glimpses of the South American continent, with its high mountains forming a broken skyline. They landed at Cartagena, the port of Caracas, and journeyed from the port over the fine concrete boulevard that zig zags back and forth over the mountains. This road, although not yet completed, is considered quite a remarkable engineering feat. The extensive cultivation of bananas, and the dainty beauty of the bamboo foliage delighted the travelers.

The next stop was at the Island of Trinidad. From there they went to Martinique, the Virgin Islands, recently acquired by the United States, then to Porto Rico, Bermuda, and home.

Martinique proved of great interest to the voyagers. It is a French island, still primitive in many respects. The inhabitants are still recovering from the disastrous effects of a volcanic eruption in 1902. The French women of the island entertained the travelers at a luncheon in a cathedral that is just now being reconstructed. Natives carrying their wares on their heads added to the picturesqueness of the island, where, as all through the West Indies, white people are "rather scarce."

Mr. and Mrs. Porter returned to their home on Thursday of last week. Mrs. Greeley returned Saturday, but her husband stopped in the East to visit his son and new daughter-in-law who are keeping house in Farmingham, Mass.

Announcement is made of the marriage of Miss Frieda Eggert and Lawrence Yopp Kiefer, son of Mr. and Mrs. Benjamin Kiefer of 1301 Asbury avenue, which took place in Chicago January 21.

avenue, was expected home Thursday evening from her stay at Brighton Beach, Fla. Her daughter, Miss Barbara, is remaining there with her grandmother, Mrs. Hinsdale, until the first of April.
