

LOCAL CLUBS SEND DELEGATES TO TENTH DISTRICT MEETING

Winnetka Voters Assume Foot of Dime Campaign

THE March luncheon for the Winnetka League of Women Voters was held last Monday in Community House with 65 women present. The first problem confronting the organization was the raising of \$150 for the support of the league. The very small dues that each individual pays supply less than one fourth of the cost of carrying that individual as a member, and though the state league funds partly make up that deficit Winnetka's share of financial responsibility is \$150 this year.

Instead of procuring funds from public entertainment and bridge parties, the members have decided to raise this sum among themselves, assuming 150 feet of the mile of dimes to be raised throughout the state. Seventy-five of these feet, each of which will hold ten dimes, were given out at the meeting.

The remaining 75 feet will be distributed to other league members so that all may help share the Winnetka league's financial responsibility in this way. Any member wishing a "foot" to fill may obtain it from the league treasurer, Mrs. Austin Jenner, 1005 Hill road.

At the close of the luncheon, H. L. Woolhiser, the village manager, explained the city manager form of government of Winnetka, a plan in use here since 1915. He also described the duties of the various officers of the village from the president down. He urged every one to go to the polls to vote on April 7, particularly as this year, for the first time in many, many years, a contest is expected.

Mr. Woolhiser also explained the township form of government as it operates in New Trier township and described the duties of the various officials there who are also up for election on April 7.

Mrs. Walter Dodd of Chicago, who has given a series of five lectures for the league, spoke on the short session of Congress. She said that though President Coolidge recommended the passing of 28 different bills, Congress had, in the session just closed, enacted but nine of them and most of these were minor matters. The only two bills passed of general interest were, she said, the bill raising the salaries of postal employes and the bill authorizing improvements of river and harbor projects. She also stated that the short session of Congress traditionally enacts the routine things and lets the more important matters go over until the long session; and that the best that could be said in favor of the last session of the Sixty-eighth Congress is that the budget was not disturbed and that there was very little pork barrel legislation.

The meeting adjourned at 3 o'clock. Mrs. Walter Benson, the president, was back in the chair for this meeting after an absence of three months in the South.

The annual meeting of the league to be held at Community House on April 13, will close the work of the fiscal year.

Winnetka Woman's Club

The regular meeting of the Winnetka Woman's club was held on Thursday, March 5. The minutes of the previous meeting were read and approved. Miss Matz, the president, made the following announcements:

"The choral society will give a concert on Tuesday, March 17, at 8 o'clock. A song recital will be given on Monday evening, March 9. Mrs. Clara Schevill will be the soloist. The annual meeting of the Tenth District Federation will be held at the Edgewater Beach hotel on Friday, March 13, at 10 o'clock. The next regular meeting of this club, on March 19, will be a joint meeting of the civics and philanthropy committee and the Winnetka League of Women Voters. Miss Schmidt will speak on "The Geneva Protocol."

The subject of the afternoon meeting on March 5, "Nursery Schools," was presented in a most illuminating manner by Mrs. Walter T. Fisher. Schools of this type are quite a recent development and the idea has spread very rapidly.

The first nursery school was started by the McMillan sisters in London in 1913. The idea was to nurture and to provide culture, opportunity, and background for creative ability. Programs with organized play, both outdoors and in, nourishing food, and relaxation are part of the school schedule. Games are selected to develop physical control of muscles. The schools also aim to teach social and emotional control.

Mrs. Fisher spoke in a delightfully informal manner and shared with her audience many interesting tales of her own little school.

The hostesses for the afternoon were: Mrs. Christy Brown, Mrs. Harry P. Clarke, Mrs. George W. Gordon, Mrs. Dwight P. Green, Mrs. Elmer E. Stults, and Mrs. John Corder West.

Wilmette Club Devotes Next Program to Music

AN unusually attractive program has been arranged for the next meeting of the Woman's Club of Wilmette on Wednesday, March 18.

At 11 o'clock in the morning, Mrs. Emmet L. Snider will give a reading of Victor Herbert's opera, "Sweethearts." Mrs. Snider's work has been much appreciated at other clubs, and the opera she has chosen is an attractive one. Mrs. Charles Moody will be the soloist, Mrs. David Hall, the pianist, and Miss Thelma Holme will give a Dutch Dance.

Members are requested to make their reservations for the regular club luncheon with Mrs. Fuchs, as usual.

The Girls' Glee club of New Trier high school will take part in the program in the afternoon at 2 o'clock. This group of girls is selected, mostly, from the junior and senior departments of the high school and numbers about 45 girls. They appeared recently at Bush Conservatory before a class of music supervisors where they won much praise. It is many years since the high school glee club has given of its talents to the Woman's Club of Wilmette and the club members are looking forward with interest to the success of this program. The Glee club has been invited to appear before the Wheaton Township high

school in the near future. Following is the program for Wednesday:
Kerry DanceMalloy-Lyons
The Top O' the Morning .Mannazucca
Irish Folk SongArthur Foote

Professor Quincy Wright to Address The Neighbors

AT the next regular meeting of The Neighbors on Thursday afternoon, March 19, Professor Quincy Wright of the University of Chicago will give a lecture entitled "Public Education and Foreign Policy."

On Thursday afternoon of this week the art and literature department had a meeting scheduled on "Japanese Art." Mrs. Theodore Moritz was to give a talk on "Chinese Stone Printing and Primitive Japanese Prints through Harunobu," and Mrs. John C. Carpenter was to discuss "Japanese Color Prints from Harunobu through Hirosliege."

Wellesley Announces Its Semi-Centennial Dates

WELLESLEY college reaches the half century mark this year. According to the announcement from the office of President Ellen F. Pendleton, the college will celebrate the event with great rejoicing on May 28 and 29.

Fifty years ago next September, Henry Fowle Durant stood in the

college he had built and watched for the arrival of the first eager students, 314 of them. Today on that same campus, 1583 students are putting enthusiasm and energy into preparations for the semi-centennial celebration. Working shoulder-to-shoulder with them are the 1,000 alumnae and former students.

These alumnae and former students are expected back in great numbers on May 28 and 29. Not the least problem connected with the semi-centennial is that confronting Dean of Residences, Edith S. Tufts, the problem of housing these guests. Every available house and room in Wellesley and vicinity will be needed, and in many of the student rooms army cots will make it possible to put a large number in college houses.

Besides her own graduates Wellesley is inviting to the semi-centennial celebration representatives from the leading colleges and universities, and many men and women distinguished in public life and in scholarship.

The semi-centennial pageant, the evening of May 28, will mark the beginning of the celebration. May 29 is the day of the academic program. The main feature will be the academic procession and the addresses in Alumnae hall. A second performance of the pageant that day will close the observances.

Catholic League Is to Hold Important Meeting

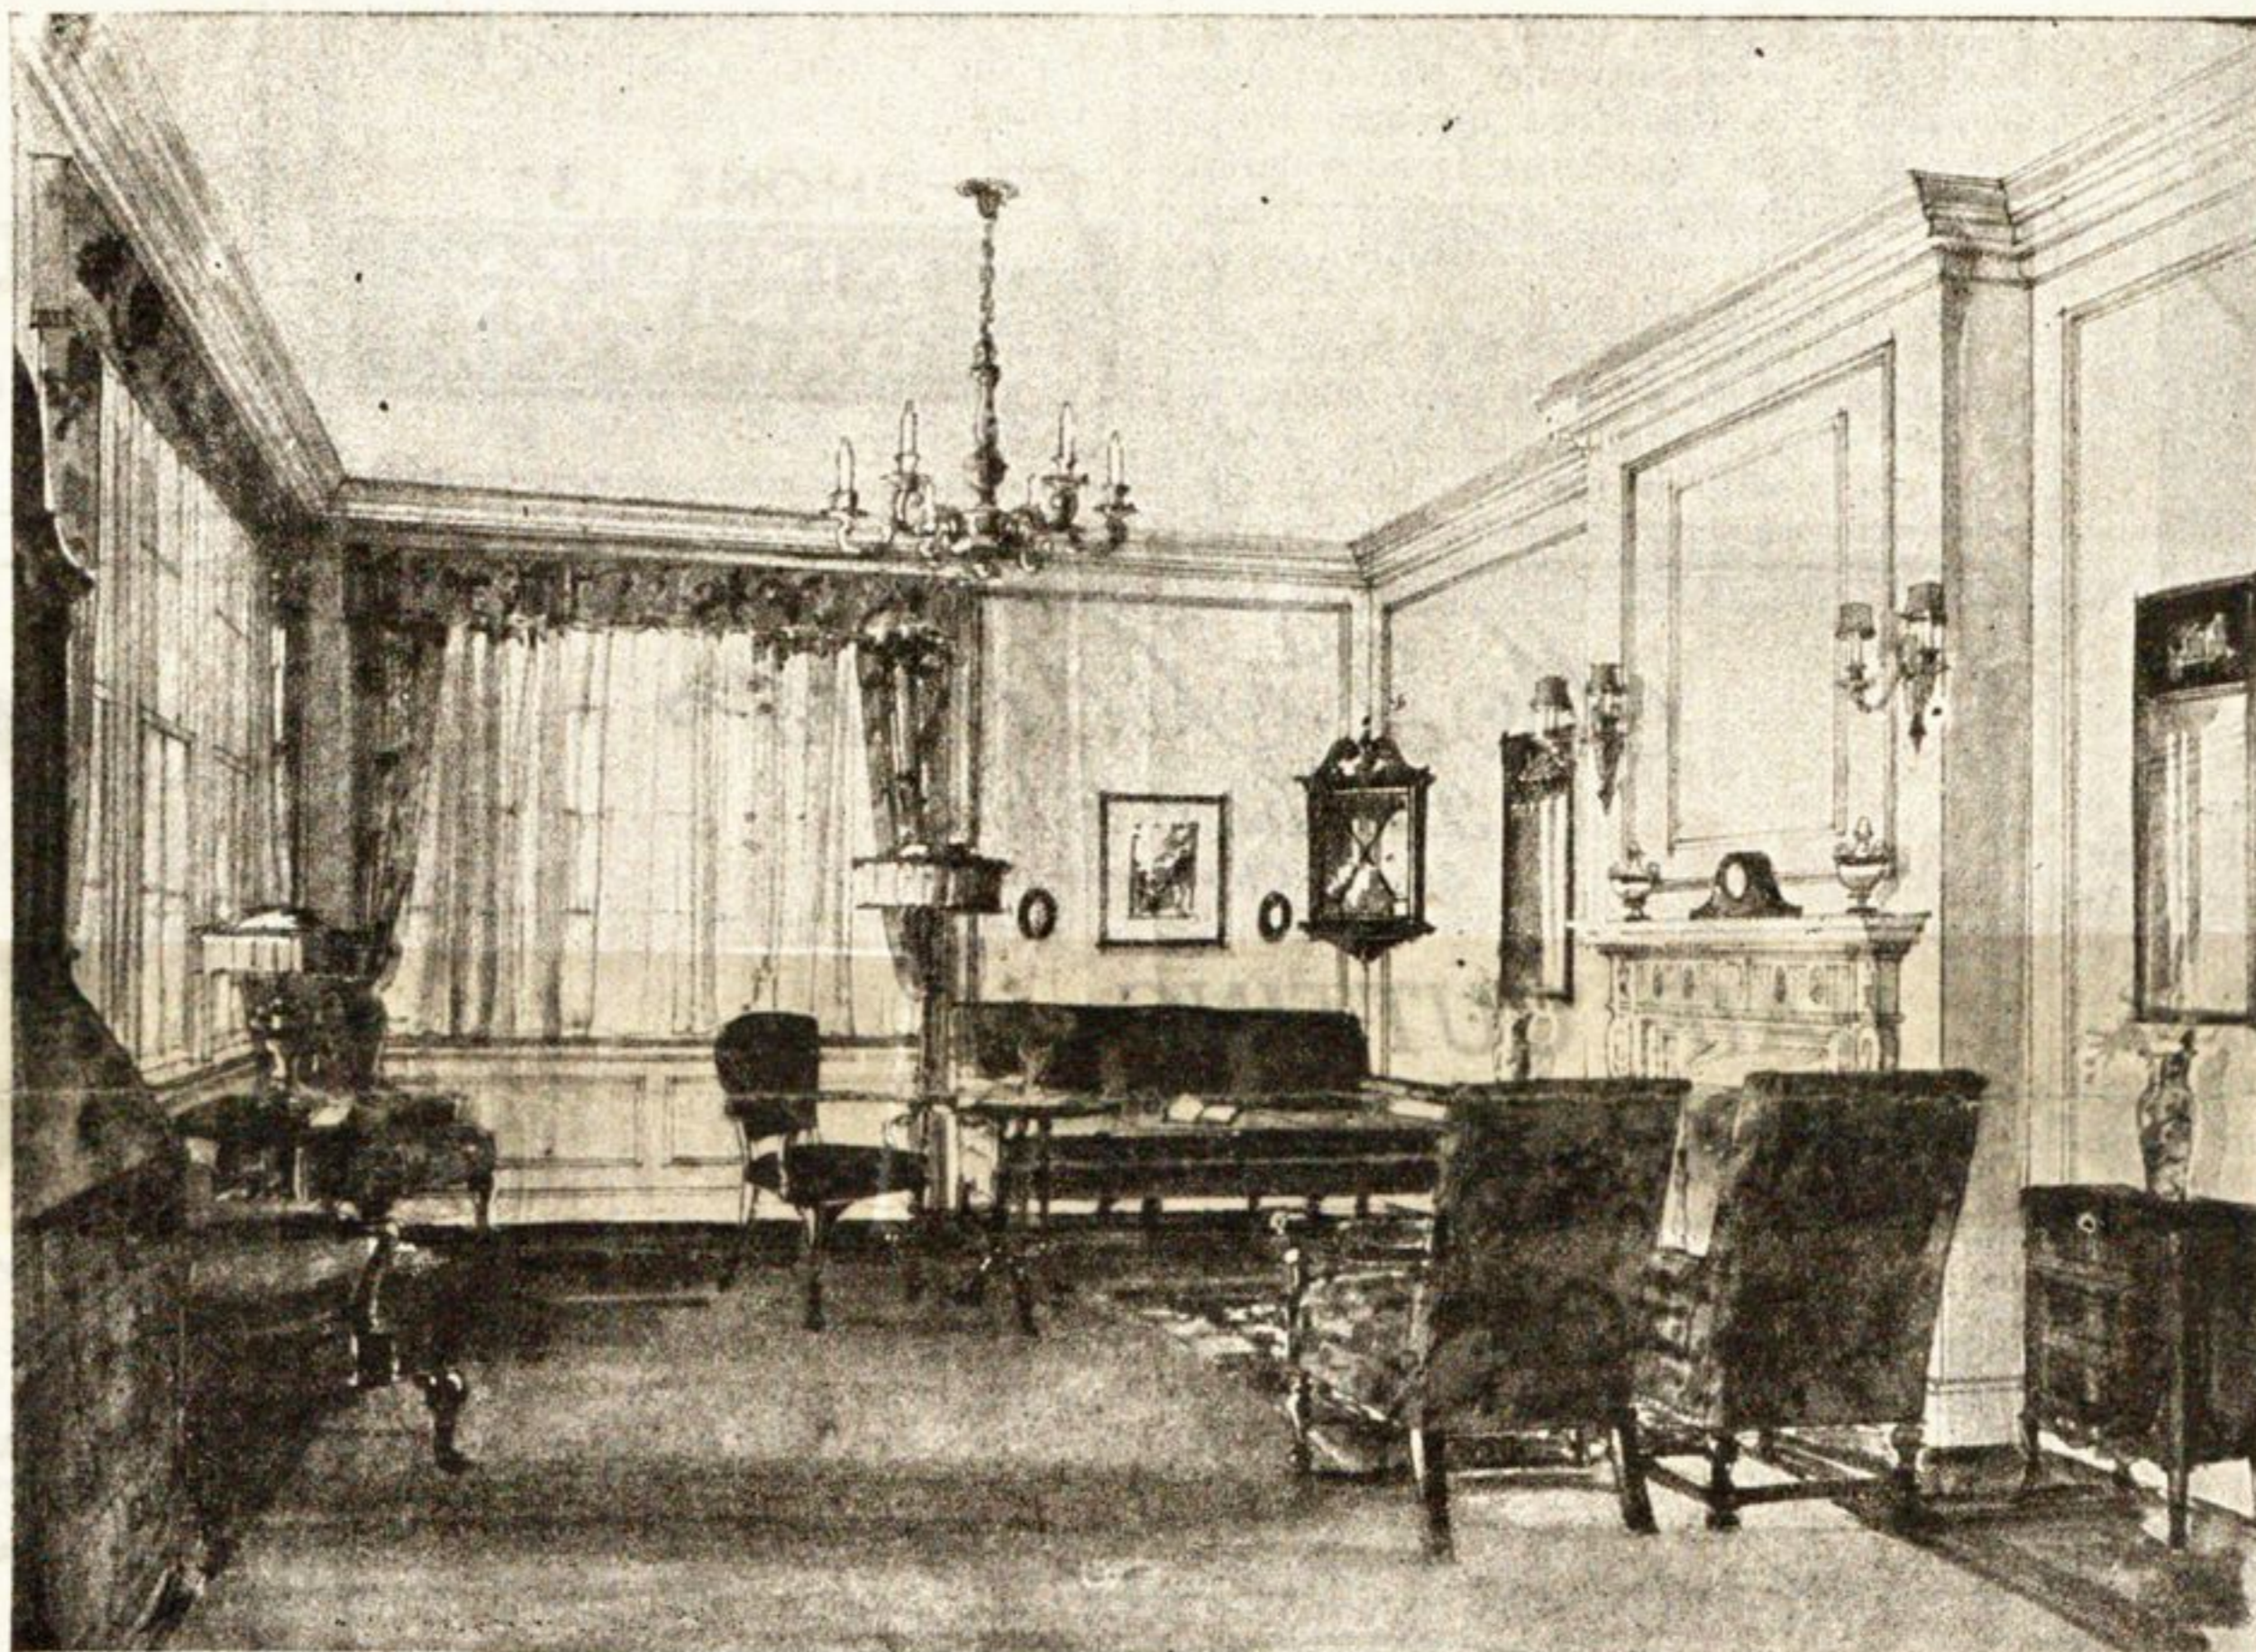

THE monthly meeting of the North Shore Catholic Woman's league will be held at the Winnetka Woman's club, Monday afternoon, March 16, at 2:30 o'clock. This promises to be one of the most interesting programs of the year. It is the occasion of Big Sisters Day, and members of that organization will be present to tell of their work and plans. Mrs. W. L. Pollard will sing during the afternoon. All members of the league are urged to be present, as nominations for officers will also be made.

North Western Club to Hear Judge Bartelme

THE Chicago and North Western Woman's club will hold its next club meeting on March 18, at 2 o'clock, in the club room. The speaker of the afternoon will be Judge Mary Bartelme, and her subject, "Delinquent Girls." There will be a board meeting at 10 o'clock in the morning.

Mrs. Willis Stutson of 479 Sunset road entertained the members of her luncheon and bridge club Friday.

Mr. and Mrs. Frederick H. Scott of Hubbard Woods, and their daughter, Miss Emily, are in Pasadena.

For You, In Beautiful Evanston A New and Happier Home

CO-OPERATIVE OWNERSHIP as exemplified in The John Evans gives you a far more pretentious and luxurious home than any individual home possibly could, plus perpetual freedom from heating and all other maintenance worries.

To own a home in The John Evans is assurance both of the utmost in delightful living and profitable investment in a building of exceptional elegance and convenience.

If you are tired of the wastefulness of renting, the responsibilities and inconveniences of an old or misfit house, we invite you to investigate The John Evans and to enjoy a happier home within its imposing walls.
