

## BOYS MEET HERE FOR CONFERENCE

Representatives of All North Shore Communities to Attend Sessions

## HUFF IS ON PROGRAM

Community House Scene of Two Day Meeting

Plans for the Older Boys' conference are going forward enthusiastically. This conference will be held in Community House Saturday, March 28, and Sunday afternoon, March 29. All north shore older boys are invited. The fathers and men friends of boys are invited to attend the dinner on Saturday evening. Boys of junior and senior years from New Trier high school, Country Day school, Evanston and Highland Park schools are cooperating in this with the Y. M. C. A. of Evanston.

### Opens Saturday Afternoon

The conference opens at 2:30 o'clock on Saturday, with a general meeting at which the speaker will be Dr. Edmund D. Soper. The singing will be led by C. G. Moser, an active worker in the Evanston Y. M. C. A. Following this meeting there will be an open forum led by Clifford D. Manshardt. The whole idea underlying these meetings will be "Strengthening the Links." After this part of the program there will be discussion groups led by five Evanston boys and the following boys from New Trier high school: George Massey, Tom Gibson, Lawrence Barr, Leon Ware, and Milton Emrich. This part of the program is a new feature and promises to be one of its most interesting and worthwhile events. Dr. J. W. F. Davies has been instructing this group.

A recreation hour in the gymnasium will follow this, under the leadership of Harry P. Clarke. The dinner will be at 6 o'clock, and some of "the Dads" will have the pleasure of serving the boys, under the direction of John Marshall and Burton Atwood. George Huff the famous University of Illinois Athletic director will be the speaker of the evening. There will be talks by Principal W. F. Beardsley of the Evanston high school, and by Frederick E. Clerk of New Trier. Music and entertainment will follow.

### Hear Chicago Leader

On Sunday there will be a large meeting of the boys, at 3:30 o'clock, in Rudolph Matz hall when Dr. Fred D. Stone, prominent in boys' work in Chicago, will speak on "The Strongest Link."

Such a conference as this promises to be a real event for the youth of the north shore. Further information can be obtained at New Trier high school, Community House, or the Evanston Y. M. C. A.

## TWO BIG FILMS HERE NEXT WEEK

"The Signal Tower" Shows on Tuesday

Next week's motion picture program at Community House promises to be one of unusual interest to local picture goers. On Tuesday, "The Signal Tower" will be offered, while on Friday "The Border Legion" will occupy the screen.

"The Signal Tower" is described as a thrilling railroad story whose action centers about an isolated signal tower located in the mountain division of a transcontinental railroad. Virginia Valli plays the leading role assisted by Wallace Beery and Rockliffe Fellows. On the same program Andy Gump and his family will appear in another of their highly amusing two reel comedies.

"The Border Legion," to be featured on Friday, is from one of Zane Grey's stories of the "old west" and is based on what the author claims to be a true story. Those who enjoyed "The Heritage of the Desert" and "The Wanderer of the Wasteland" which were shown at Community House a short time ago, will undoubtedly welcome "The Border Legion" as it is a typical Zane Grey "action" story.

### "Matter" is Christian Science Topic March 22

The subject of the sermon-lesson at the First Church of Christ, Scientist, on Sunday morning, March 15, will be "Matter."

Services are held in the Masonic temple building at 708 Elm street at 11 o'clock. Sunday school convenes at 9:35 o'clock and a testimonial meeting is held on Wednesday evening at 8 o'clock.

The reading room at 526 Linden street is open daily except Sunday from noon until 5 o'clock and on Wednesday evening from 9 to 9:30 o'clock.

### Want Dale's Addition Alley to Be Vacated

Property owners in Dale's addition presented a petition at the last council meeting to have the alley south of Willow street, between Fairview and Woodland avenues, vacated. The alley is laid out on the village maps but has never been paved, or used as a public thoroughfare. The matter was referred to the streets, drainage and forestry committee.
