

VARIED ACTIVITIES ENGAGE INTEREST OF CLUB WOMEN

Local Garden Club Displaying Models at Nature Exhibit

THE Kenilworth Garden club has been displaying garden models at the annual nature exhibit held under the auspices of the Illinois Federation of Women's clubs, the Chicago Woman's club, and the Illinois Wild Flower Preservation society this week in Chicago at the Davis company store. The object of the exhibit is to arouse the interest of the public in nature study and in the conservation and protection of plant and animal life.

Occupying the entire main aisle of the fifth floor of the store, a dense forest setting has been provided for the collections of wild flowers, grasses, mosses, and lichens, plant fossils, fish in aquaria, sea shells, stones, birds, and butterflies. Model gardens, and a model farm, bird houses, and similar examples of the handicraft of students of the manual training classes of the schools, radio sets that are the work of amateurs and pictures of nature subjects taken by children, are included in the displays of the organizations participating.

Throughout the week three lectures a day have been scheduled, one at 11 o'clock in the morning, and the others at 2 and 4 in the afternoon.

The Kenilworth Garden club, which is one of three along the north shore, and one of 65 in the United States belonging to the Garden Club of America, has on display five trays of garden models and enlarged photographs of Mrs. V. K. Spicer's garden.

The list of 24 exhibitors following shows how extensive the undertaking is:

The Chicago Academy of Science, Field Museum of Natural History, Geographic Society of Chicago, Chicago Public Schools, University of Chicago, University of Illinois, Northwestern university, Illinois Microscopical society, Illinois Federation of Women's clubs, Chicago Woman's club, Kenilworth Garden club, Illinois Wild Flower Preservation society, Cook County Forest Preserve, Prairie club, Boy Scouts, Girl Scouts, Chicago Aquarium society, Illinois Audubon society, Isaac Walton league, Garden Club of America, Camp Fire Girls, Chicago Outdoor league, Friends of Our Native Landscape, and the Art Extension committee.

Mrs. Theron Colton, well known locally for her delightful nature talks on club and school programs, is general chairman of the exhibit.

Glencoe Library Club

GLENCOE Day will be observed on Thursday, March 26, at the Woman's Library Club of Glencoe when men of village prominence will give talks on affairs of community interest. The speakers on this occasion will be Merle B. Waltz, president of the village board, who will talk on the difficulties confronting village officials; Clarence D. MacNeille, president of the school board who will discuss the Glencoe school, and Hubert W. Butler, building commissioner, who will speak on housing and zoning. Mrs. Ralph Rogers is the hostess for March.

At the last meeting of the club on March 12, presidents of local clubs were guests at a delightful program arranged for them. Mrs. F. W. Blocki, president of the Tenth district, Illinois Federation of Women's clubs, addressed the gathering. Edna Richolson Sollitt gave a most enjoyable lecture-recital on "Modernism in Music." She is an unusually gifted person, with great ability both as a lecturer and pianist, and held the interest of her audience with her accounts of famous composers of the past who were modernists in their day. She also included the more modern musicians, and illustrated her talk with selections of music, beautifully played.

The president of the club, Mrs. William A. Fox attended the Tenth District meeting held in the new ballroom of the Edgewater Beach hotel on Friday, March 13, accompanied by the following members: Mrs. Albert Olson, Mrs. Fred Patton, Mrs. Charles Steels, Mrs. George Orr, Mrs. Fred Hubbard, Mrs. Harry Wiley, Mrs. George Pretzel, Mrs. Leo Hillman, Mrs. William Schneider, Mrs. Everett Maechtle, Mrs. William Kittermaster, and Mrs. Chesley R. Perry.

Arrangements are being made by the finance committee for the building fund of the Library club to have Mrs. Anthony French Merrill give another course of lectures on literature and current events next year. The proceeds derived from the course will be directed into the fund for the new clubhouse. Names of applicants for next season's tickets will be taken at the last lecture of the current course on Monday morning at 10 o'clock, at the Sunday school room of the Union church.

WOULD STOP DIRECT TAX

Abolition of the direct state tax on real estate for New York state is being strongly urged by the New York Association of Real Estate boards. The proposal is in line with the program for general taxation adjustment recommended by the National Association of Real Estate Boards in action recently taken at its annual meeting in Dallas, Texas, in January. The National Association's program of adjustment would relieve real estate altogether of state taxation, as has been done in Pennsylvania and North Carolina, and would give it the principal burden of city and county taxation.

New Trier Lightweight Cagers Clinch Pennant

New Trier high school's invincible lightweight basketball team walked away with the Suburban league championship Friday evening by defeating Thornton 34-20 at Harvey.

Although the playing was fast and Thornton had the advantage of being on their home floor, the issue of the game was never in doubt, and near the end of the last period an entirely new team was sent in by New Trier.

Capt. Mickey Emrich was kept out of the game by an injured foot, received in the course of the tournament at Deerfield not long ago.
