

CHURCH GIVES FINE PROGRAM

Announces Congregational Church Services

Services at the Winnetka Congregational church for Sunday, March 29, have been announced as follows:

In the morning at 9:30 o'clock the Church school will be in session with classes for all ages from the kindergarten to the men's and women's Bible class groups. The junior girls will lead the opening worship in the main school.

There will be two church services at 11 o'clock. Dr. J. W. F. Davies' sermon topic for the Junior church in Matz hall will be "No Fault." Rev. J. A. Richards will preach on the subject, "The Glory of the Unattainable," at the adult services. The new adult chorus choir will take part in the church service for the first time since its organization. It will sing twice, in connection with the quartet—Spicker's "Fear Not, O Israel," which will include an alto solo, and the offertory anthem "Woman, Behold Thy Son," by Dubois.

The evening meetings are those of the Sunday Evening club at 6:30 o'clock, with supper and a program; the Young People's club at 6:45, led by Virginia Lansing, with the subject, "Happiness" for discussion; and the evening Lenten service from 8 to 9 o'clock.

At the Lenten service Mr. Richards will consider the fifth of the "Great Questions" in the Lenten series—"How think of God?" The evening music will include solos by Harlan Dunham, tenor from the Morgan Park Methodist church. He will sing from Elijah, "If with all your hearts," and "Thy way of peace." Mr. Smith's organ numbers will be from Tchaikowski and Mendelssohn.

On Wednesday evening at 8 o'clock Mr. Richards will speak at the Lenten midweek meeting on the two subjects that have been announced—"The Adventure of the Cross" and "The Contemporary Jesus." These are related to the readings suggested in the book by Edward I. Bosworth, "The Life and Teachings of Jesus."

Elder Lane Is Picked as Ideal Concrete Way

The Concrete Highway magazine, a publication devoted to concrete roads, streets and alleys, used a picture of Elder Lane looking eastward toward Sheridan road for its cover design this month. The picture was taken in summer, and shows a section of green lawns and fine concrete pavement. It is quite a distinct trees, as well as the clean white of the tion to have one of our village streets picked as an ideal paving job.

SHOW ADVENTURE FILM AT WINNETKA SCHOOLS

Charles A. Kinney returned Tuesday from a three days' trip to St. Louis where he held a reunion with the boys of Adventure Island camp from that city. While in St. Louis Mr. Kinney showed the film of Adventure Island camp in a number of schools.

The Adventure Island camp film will be shown at the Horace Mann school at 11 o'clock Tuesday morning, March 31. Six Horace Mann boys take prominent parts in the pictures, Jamie and Jack Odell, Platt and Geoffery Whitman, Sherman Taylor, and Fred de Peyster.

A group of 11 north shore and Chicago boys will spend Easter vacation on a trip to Adventure Island camp and a visit to several Wisconsin cities. The boys will be under the direction of Charles A. Kinney and Chandler Montgomery, an instructor at the Francis W. Parker school. The party will drive, stopping to visit a ship-building plant at Manitowoc, the Sturgeon Bay and other lighthouses, a Fox River paper mill, one of the large saw mills in Michigan, and then cross Lake Michigan to Frankfort and return along the east shore. The trip will cover eight days.

Sunday Club to Discuss Questions of Psychology

The Winnetka Sunday Evening club enjoyed a rare treat in Mrs. Charles Hubbard's talk on Mexico City last Sunday. Mrs. Hubbard's listeners received a vivid and colorful impression of a quaint and very foreign city; a strange mixture of very rich and very poor, picturesqueness and dirt. All this, interspersed with the humorous incidents of travel, made a charming picture to be remembered pleasantly by all.

Miss Eleanor Beard will be in charge of the program for this Sunday. He subject will be "Adaptation of the Individual to Environment," with a discussion of psychology and mental hygiene.

Supper will be served at 6:30 o'clock in the Camp Fire room of Community House.

They Break Loose Friday; It's Easter Vacation Time

Nice weather is all the youngsters in the village need beginning Friday, April 3, to make the ensuing week one of unalloyed delight.

As you may have suspected, the annual Easter vacation begins on that date and will continue over Easter Sunday, classes resuming on Monday, April 13.

It won't be necessary to suggest forms of diversion for the hopefuls when they are "cut loose" from studies next Friday, what with hikes, ball games, marble tournaments and an endless variety of play awaiting just beyond the school door.

"Reality" is Christian Science Topic March 29

The subject of the lesson at the First Church of Christ, Scientist, on Sunday morning, March 29, will be "Reality."

Services are held in the Masonic temple building at 708 Elm street at 11 o'clock. Sunday school convenes at 9:35 o'clock and a testimonial meeting is held on Wednesday evening at 8 o'clock.

The reading room at 526 Linden street is open daily except Sunday from
