

GREAT CELLIST COMING TUESDAY

**Pablo Casals to Appear in
Recital at New Trier
Auditorium March 31**

"WORLD'S GREATEST"

**Shares a Brilliant Program
with Maria Ivogun**

Casals and Ivogun will appear in joint recital Tuesday evening, March 31, at New Trier auditorium. Pablo Casals, is the greatest cellist in the

Pablo Casals

world, and Maria Ivogun, a lyric soprano of preeminent European and American fame.

There is not the slightest shadow of doubt as to the statement that Casals is the world's greatest cellist. When such a man as Kreisler, unexcelled artist, and playing the violin with such sureness, accuracy, and beauty as to fill to overflowing the Chicago auditorium at his every appearance—when such a genius as Fritz Kreisler says that Casals is the "greatest musician who has ever drawn a bow," his testimony must be accepted.

And Eugene Ysaye, the renowned Belgian violinist, regards Casals as the "greatest interpretative artist" he has ever heard. These two tremendous tributes to this wonderful cellist naturally carry the music lover to the topmost heights of expectation when an announcement is made that Casals is to give a recital.

Maria Ivogun is a leading lady in the Viennese grand opera. She is also a prima donna in the Metropolitan Opera company of New York. In her London concerts in 1924 she received a huge ovation. The music critics gave her unstinted praise and the

public was enthusiastic in its appreciation of her singing. In April, 1924, Ivogun completed her third tour of the United States, having traveled as far west as California. Her personal bearing and appearance are most pleasing. Her voice is a lyric coloratura soprano of extraordinary sweetness, range, and purity.

The MacDowell club of Winnetka, under whose auspices Casals and Ivogun will appear, has already definitely decided to continue artists' recitals in the season of 1925-26, because of the great success in the season just closed.

TAX COLLECTIONS NEAR \$1,000,000, SAYS HALE

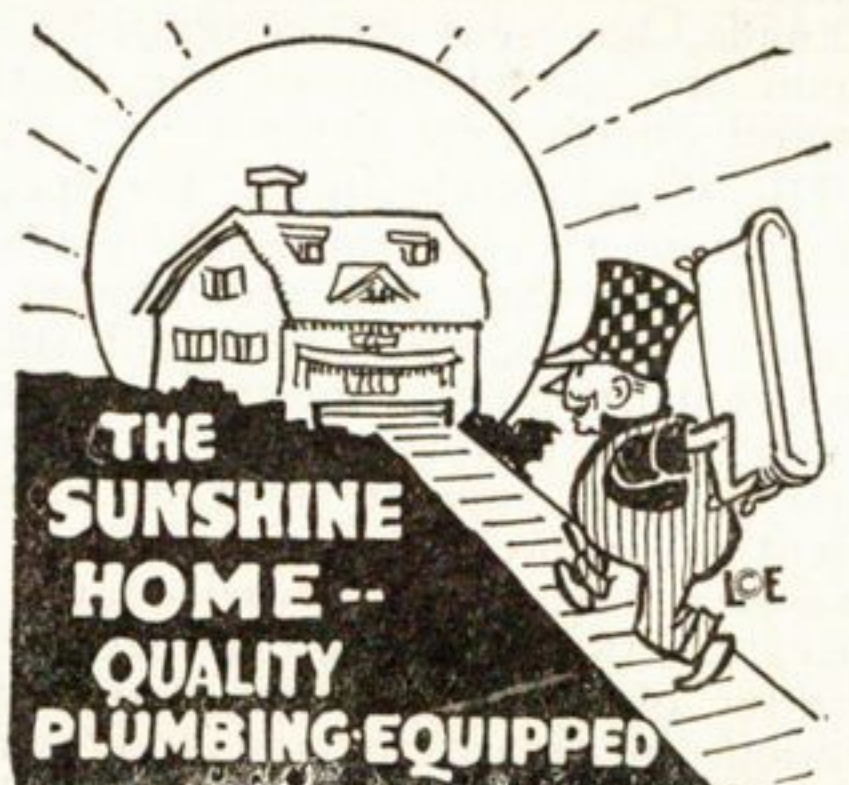

Nearly a million dollars in taxes was collected from residents of the township this year, according to the figures of Sanborn Hale, township collector, which were made public this week. The exact amount is somewhat in excess of \$920,000. This is much more than was ever paid to the local collector before.

Because of the different kinds of taxes paid Mr. Hale has been as yet unable to

figure out the exact amount paid by each village, but the approximate amount of real estate taxes paid by the various communities are as follows: Wilmette, \$221,000; Kenilworth, \$67,000; Winnetka, \$316,000; Glencoe, \$161,000; from the township outside of the villages, \$62,000.

There were 11,000 payments made, out of 19,000 tax bills mailed out. After posting and re-checking the tax books balanced within 12 cents, according to Mr. Hale. He was assisted by the clerks of the Winnetka State Bank and by Miss Ella Butz, who assisted the collectors last year, and others. A force of 10 persons worked on the task.
