

NOTICE!

I have moved my business to Wilmette in order to give better service to the residents of Wilmette and the North Shore.

If you are contemplating redecorating or painting your home I will be pleased to call and offer suggestions and furnish estimates without any obligation.

My twenty-five years' experience in Europe and this country insures you of both knowledge and superior workmanship. Every workman in my employ is an artist in his line and under my personal supervision at all times.

A phone call or letter will bring immediate response

M. PORTENHAUSER

Decorating and Painting
