

# LOCAL STUDENTS AID N. U. CIRCUS

### Annual Northwestern University Frolic Includes North Shore Talent

## PLAN HUGE PARADE

### Kenilworth Youth in Charge of Procession

A number of north shore young people are prominent in the management of the big fourteenth annual Northwestern University Circus, scheduled for May 1 and 2 at Patten gymnasium, in Evanston.

The mammoth street parade will be in charge of Paul McLain Corbett, 78 N. Abbottsford road, Kenilworth.

Hazel I. Fraser, 645 Abbottsford road, Kenilworth, is a member of the committee in charge of decorations.

George K. Budd, 208 Glencoe road, Glencoe, is to be in charge of lights.

The show is being staged by the campus Y. M. C. A. and Y. W. C. A., each appointing one member of the circus committee, Circus Solly and Circus Sally, respectively.

### View Champ Swimmers

Gail C. Belden of St. Joseph, Mo., prominent in undergraduate life and a senior in the college of liberal arts, is this year's Circus Solly, and Elsie P. Brown, 2519 Harrison street, Evanston, popular co-ed and also a senior in the college of liberal arts, is Circus Sally. Neil D. Skinner of St. Joseph, Mo., is the performance manager and Lester C. Jacobson, 5520 Glenwood avenue, Chicago, is business manager.

Four Olympic champion swimmers, Caroline Smith, Sybil Bauer, Dick Howell and Ralph Breyer, students at Northwestern, will give swimming and diving exhibitions and clown acts in the water circus which is part of the big show and is to be held Saturday afternoon in Patten pool.

### Trick Riding by Cavalry

The outdoor matinee performance and the evening performance on Saturday will be featured by a trick riding exhibition given by the 14th United States cavalry from Fort Sheridan, Capt. David Blakelock commanding. It is expected that three seaplanes from Great Lakes naval training station will also be on hand in the afternoon to give an exhibition.

The evening performance Saturday will be a regular three-ring circus, planned and executed entirely by university students with the exception of the cavalry exhibition and a professional act, the nature of which has not yet been announced. Eight campus fraternities and sororities, the Wranglers, Sigma Chi, Acacia, the Monacoans, Chi Omega, Delta Delta Delta, Kappa Alpha Theta and Alpha Gamma Delta, will put on various stunts in a cup competition, and fourteen others will stage novelty stunts in competition for another cup. The organizations that will compete for the novelty cup are Phi Mu Delta, Sigma Nu, Phi Nu Beta, the Scribblers, Dot and Circle, Delta Mu, Omega Upsilon, Alpha Epsilon Phi, Sigma Alpha Iota, Delta Gamma, Alpha Xi Delta, Kappa Kappa Gamma, Alpha Phi and Kappa Delta.

### Ten High School Bands

Ten high school bands, all from Cook county schools, including New Trier high school, are scheduled to play in a band competition for a circus cup just before the evening performance, and these aggregations, together with the university band, will provide the necessary circus music. Individual clowns and clown teams, composed entirely of students, will be on hand throughout the performance to lend a further "circus" atmosphere to the proceedings and to amuse the crowd with the stock antics of their breed.

Evanston's streets will be invaded Saturday afternoon before the matinee by a circus parade composed of floats entered by the various fraternities and sororities, the 14h cavalry, co-eds on horseback and clowns. A merry-go-round and a ferris wheel will be in operation on the campus all day Friday and Saturday.

### Building of New Village Hall Pushed as Weather Smiles

Work on the new Village Administration building has been progressing very rapidly due to the favorable weather conditions which have prevailed. The work of excavation has been completed and the cement foundation is being poured. Everything indicates that the building will be finished by November 1, the scheduled time. It is the plan of the village officers to have all departments installed in the new building before the first of the year.

### PLAN CIRCLE PARTY

The West Elm Street circle will close a very busy season with a party to be held in the Scout room, Community House, Tuesday afternoon, April 21, at 2 o'clock. All women of the circle are invited to attend. Those wishing to play are requested to bring their own cards.

## GREELEY PUPILS ACT PLAYS NEXT WEEK

The Greeley school plays, announced for Friday evening, April 24, at 7:30 o'clock will be given an extra performance at a matinee Wednesday, April 22, at 3:30 o'clock to accommodate those who cannot attend Friday evening.

"An Egyptian Cinderella," a new play worked out in the dramatization periods, will be given by the fourth grades who are studying Egypt. Since a large cast is used, the third and fifth grades are assisting. The play is based on a myth woven around the name of Queen Nitokris and takes place several thousand years ago.

Scene I. Nitokris and maidens play on banks of Nile. The sandal is carried away. Scene II. The king holds court of justice. The sandal is seen again. Scene III. Bazaar scene. The search for the wearer of the sandal is vain. Scene IV. Near the temple of Ra. The king finds the owner of the sandal and proclaims her queen.

The pupils of the Misses Thais, Baer, Luetke, and Clark will be seen in this play. The fairy and interlude scenes from "Midsummer Nights Dream" will be given by all the fifth and sixth grade children of Mrs. Claire Bernhard and Miss Reine Bubbett. The following are cooperating with Miss Douglass Whitehead, Supervisor of Socialized Activities, in giving the plays: Art, Miss Lois Towne; Music, Mrs. Philemon B. Kohlsaat and Mrs. Morton Mergentheim; Rhythms, Miss Patricia Taylor; Lights, Willard Beatty. Mrs. Ruth Martin, principal of Greeley, and the pupil committee of the auditorium are doing their share. Costumes, properties, and primitive Egyptian musical instruments have been made by the children.

A nominal charge has been made for admission to pay for costumes and other materials and to add to the permanent play equipment for the school. A large number of tickets have already been sold.

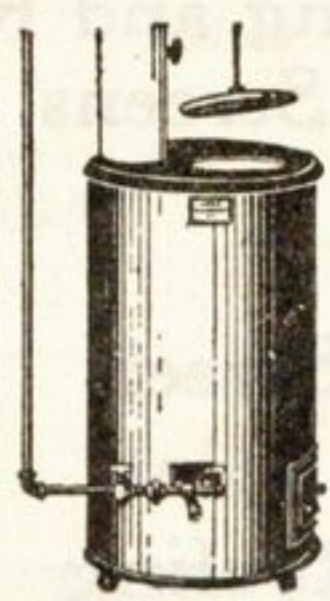

### "Doctrine of Atonement" Christian Science Topic

The subject of the lesson-sermon at the First Church of Christ, Scientist, on Sunday morning, April 19, will be "Doctrine of Atonement."

Services are held in the Masonic temple building at 708 Elm street at 11 o'clock. Sunday school convenes at 9:35 o'clock and a testimonial meeting is held on Wednesday evening at 8 o'clock.

The reading room at 526 Linden street is open daily except Sunday from noon until 5 o'clock and on Wednesday evening from 9 to 9:30 o'clock.

# TOM MEIGHAN IS MOVIE FEATURE

### Pat O'Malley Also on Next Week's Bill

Next week's motion picture programs at Community House will present Pat O'Malley in "The Fighting American," on Tuesday, and Thomas Meighan in his latest picture, "Coming Through," on Friday.

"The Fighting American" is guaranteed not to make you think. It is intended only as a masterpiece of nonsense—just to entertain you, nothing more. Pat O'Malley plays the part of Bill Pendleton, an adventurous college youth, who suddenly finds himself mixed up in a Chinese revolution. On the same program, "Our Gang" will appear in "Derby Days."

The feature picture of the Friday performances, "Coming Through," gives Thomas Meighan the role of chief clerk in the office of a large steel corporation. His idea of the height of fame is other than that of pen-pushing.

He elopes with the president's daughter and is shipped off to Colton by the irate father. Now there are many rough-and-ready mining camps in the company's holdings, but none quite so rough as Colton. Tom is given an unheard-of schedule of production to keep up and his father-in-law fixes things with the foreman so Meighan might not "come through"—a case, as the girl's father things, of returning evil for evil. But Tom does "come through"—and he does it in what is said to be one of his finest pictures to date.

## Clean-Up Forces Make First Raid in Hubbard Woods

The environs of the Hubbard Woods station will present a busy scene this afternoon when a score or more of the members of the Hubbard Woods Improvement association will appear garbed in blue denim and armed with rakes, hoes and spades for the purpose of making a concerted attack upon the Station Park with a view to transforming that locality into "a thing of beauty and a joy forever."

WINNETKA TALK sometime ago informed its readers of the plan of the Hubbard Woods Improvement association to institute a general clean-up of the gateway to the north neighborhood.

Today finds the members actually at work on the scheme. Under the expert direction of professional gardeners and landscape architects the workers will not only "iron out" the rough spots in the park and its environs, but will proceed with the setting out of some thousand shrubs, and the building of new walks.

Residents of Hubbard Woods have contributed liberally in time, money and materials in cooperating in the plan to augment the beauty of their neighborhood.

When the clean-up campaign draws to a close, the north section defies any neighborhood in the north shore to claim a more attractive "village center."

## Mrs. Sibert Dietz Dies at the Evanston Hospital

Mrs. Sibert Dietz, 688 Center street, passed away at the Evanston hospital Wednesday, April 15, following an illness of two weeks duration.

Services will be held at the Winnetka Congregational church this afternoon and burial will be at Memorial Park.

Mrs. Dietz was well known to hundreds of Winnetkans, she having been actively engaged in the cleaning and dyeing business here with her husband. Besides her husband, Mrs. Dietz leaves a son, William.
