

POSTERS HERALD 'MARRIED AT 3'

Winnetka Legionnaires Invite to Annual Show

During the past week elaborate colored posters, designed by Paul Kreger for the Winnetka Legion show, "Married at 3," were placed in all stores and on telegraph poles from Evanston to Highland Park. The reservation coupon ticket sale has been progressing slowly, according to Legion members, because many people do not understand the advantages of buying now. The public sale of tickets begins April 27, but holders of reserved seat coupons, which will be on sale until April 21, will be allowed to select their seats in advance—from April 22 to 25, inclusive.

These reservation coupons may be purchased at the North Shore hotel, Evanston, the Wilmette Music shop, the Kenilworth Pharmacy, Adams, Community and Hubbard Woods pharmacies in Winnetka, and Hillman's pharmacy and Gilbert D.-Johnson and Bros. office in Glencoe.

According to Mr. Howard H. Hoyt, the director, rehearsals will be held every evening and two afternoons a week until the opening night, May 7. "Those who saw 'The Gay Adventuress' will be doubly pleased with this bright sparkling musical play," said Mr. Hoyt. "We have been at work for more than a month so all the rough spots will be gone."

The orchestra, which will be used in connection with the play, will be under the direction of William B. Moebius, a member of the Chicago Civic Opera company, and will consist of 20 picked men from the Chicago Symphony orchestra. Legion members are enthusiastic over their good fortune in getting this orchestra for their show. They predict that the

show is going over big, and urge that those who desire to go buy their tickets early, as only 1,000 people can see the show each of the three nights and there will be a great demand for seats at the last minute. The show will be staged at the Skokie school, Winnetka, May 7, 8 and 9.

URGE VETS TO FILE CLAIMS

Soldiers' Bonus Blanks Are Now Available

The Public Service company has sent out word to war veterans in its employ who have not filed an application for the Federal Adjusted Compensation Certificate to which they are entitled should do so immediately.

The reasons for this are equally strong as to all ex-service men and so the company's notice is of wide interest. The notice aforesaid states:

"Adjusted compensation is computed at the rate of \$1 a day for home service with a maximum of \$500 for home service alone. For overseas service computation is at the rate of \$1.25 a day with a maximum of \$625 for overseas or both home and overseas. One dollar multiplied by the number of days of home service and \$1.25 multiplied by the number of days overseas service is the veterans' credit.

"The reason why the veteran should not delay filing his application is that section of the law which provides that if the veteran makes application he is entitled to an adjusted service certificate whose face value will be approximately 2 1-2 times his credit. For example, if his credit is \$625 he would receive a certificate for approximately \$1,562.50.

"If dependents make the application, they will be entitled to 10 cash payments whose total is only of the same amount as the veteran's credit. In other words, of the veteran has a credit of \$625 and makes application, a certificate in the

amount of \$1,562.50 will be issued him and that amount will be paid his dependents at his death. If he neglects to make application his dependents would receive only \$625.

"While the law permits applications to be filed until January 1, 1928, in fairness to his dependents the veteran should file his application at the earliest possible moment. Applications can be received from the nearest Legion Post."

NORTH SHORE LINE

The Lost Three Thousand

LOSING all manner of articles while traveling is a favorite frailty of the human race. Sometimes even the alertness of North Shore Line conductors and agents does not prevent passengers from leaving parcels on the trains or in the stations. In every case, when found by an employe, they are immediately turned in to the Lost and Found Department which the North Shore Line maintains at Highwood and Milwaukee.

Last year over 3,200 articles were found and held, awaiting the claim of the owners. Each is tagged with a description, the finder's name, where found and when, which is entered in the books of the department.

Pocket-books, clothing, machinery, luggage, groceries, and even babies, have been delivered to owners. There is no red tape—merely a careful identification, and the signing of a receipt. Often a package left on a train will be handed to the gratified owner the same day.

To make each minor travel service a major source of satisfaction to our public is the code of the North Shore Line.
