

LOCAL CLUB SEASON GRADUALLY DRAWING TO A CLOSE

Garden Club Will Hold Institute of Landscape Design

AN Institute of Landscape Gardening under the auspices of the Lake Forest Garden club will be held at the Gorton school, Lake Forest, from July 7 to 16, inclusive.

This Institute will be devoted to the study of landscape design as a fine art of which the principles may be applied to small dooryards and gardens as well as to large estates. Hitherto, it is stated, both professional and amateur gardeners have been instructed mainly in the production of fine flowers and plants. They will appreciate the value of an added essential acquirement—that of well-considered design—which will transform the collection of charming details, found in the average garden, into a beautiful and permanent composition.

An exhibition of the work of a selected number of landscape architects will be displayed on the walls of the audience room, during the session, to show by what process the landscape architect produces his effects.

In order to illustrate the principles of landscape art, notable gardens in Lake Forest will be visited and explained.

The Institute will be under the general management of Mr. Ferruccio Vitale, Fellow of the American Society of Landscape Architects, of New York City. He will be assisted by Mr. Robert N. Cram, F.A.S.L.A., of Boston; Mr. Warren H. Manning, F.A.S.L.A., of Massachusetts; Professor Aubrey Tealdi, F.A.S.L.A., of the University of Michigan.

The Gorton School is one block from the stations of the Chicago and Northwestern Railway and the North Shore Electric Railway. Several good luncheon rooms are within a distance of two blocks.

Applications for season tickets, should be made, before May 15, to Mrs. Horace H. Martin, 301 Mayflower road, Lake Forest, Ill.

The importance of this course of study under acknowledged experts may make it necessary for the committee, on account of limited space, to accept reservations in priority of application.

The committee in charge is composed of Mrs. A. A. Carpenter of Lake Forest, chairman; Mrs. Tiffany Blake and Mrs. Horace Martin, also of Lake Forest, and Mrs. Howard Phillips, Mrs. William G. Hibbard, and Mrs. William B. Hale, of Winnetka.

To Sing at Luncheon of Wilmette Club

THE Woman's club of Wilmette will hold its annual luncheon May 6, at the Edgewater Beach hotel. Luncheon will be served at 1 o'clock, followed by a program which will be given by the Muenzer Trio and Lorna Doone Jaxon, soloist.

The Muenzer trio, composed of three artists, Hans Muenzer, violinist; Hans Koebel, cellist; Rudolph Wagner, pianist, is considered one of the most artistic groups of ensemble players. They have toured Europe as well as this country and Canada, and have made an enviable reputation for themselves. Mr. Muenzer was a former concert-meister of the Philharmonic Orchestra of Leipzig, Germany, and has been a soloist with the Chicago Symphony orchestra.

Lorna Doone Jaxon is the young artist who made such a success as "Carmen" with the San Carlo Opera company this spring. Music critics commended her in glowing terms for the fine interpretation she gave, not only in her acting and singing, but in her splendid enunciation of the text which was given in English. She has had a great deal of operatic experience, receiving her training in Europe under Mme. Emma Calve. Her beautiful, rich contralto voice combined with great personal charm, makes her a popular artist in the musical world.

Miss Jaxon will include among her selections a group of Spanish numbers in costume, a role for which she is admirably fitted.

The final program of the club's interesting season will be one of unusual charm, and those wishing to attend are asked to make their

reservations for the luncheon with Mrs. E. D. Fuchs, 1043 Chestnut avenue.

Winnetka Woman's Club

THE Winnetka Woman's club gave its annual luncheon and closing program on Thursday, April 16. Mrs. Sherman Aldrich and her able committee served a delicious buffet luncheon after which the club members had an election of officers for the coming year.

The ticket as presented by the nominating committee was unanimously carried, thus giving the following officers for the new club year: Miss Ruth Matz, president; Mrs. Arthur Cushman, first vice president; Mrs. Carl H. Zeiss, sec-

ond vice president; Mrs. Dudley C. Palmer, recording secretary; Mrs. Roger K. Ballard, corresponding secretary; Mrs. Alfred G. Freeman, treasurer; Mrs. Myron T. Harshaw, member-at-large. The chairmen of committees are as follows: Mrs. Sylvanus Levy, art and literature; Mrs. Walter T. Fisher, education; Mrs. Charles T. Moon, civics

and philanthropy; Mrs. William A. Otis, house; Mrs. Marcus D. Richards, social; Mrs. Everett L. Harris, music; Mrs. Dudley K. French, auditing.

Mrs. Percival Hunter, chairman of the revision committee, submitted several changes in the by-laws, all of which were adopted. The most important of these is the change in day. Beginning

with the October meeting, the club will meet on Tuesday instead of Thursday. This departure met with the approval of most of the members.

The chairmen of the various committees gave splendid reports. One little knows outside of the board of managers, how much real work is done by the committees who give to the club such interesting entertainment. The programs given this year have been unusual and varied, and it is the consensus of opinion that no club year has given more that was stimulating, inspiring, and altogether lovely than the year just closed, and the splendid talk by Harry Hansen of the Daily News was a fitting finish to a happy year.

The members of the social committee who so beautifully served us were: Mrs. L. Sherman Aldrich, Mrs. George Calkins, Mrs. Austin Jenkins, Mrs. Wallace Rumsey, Mrs. Chester Sargent, and Mrs. Lloyd Steere.
