

## Bridge Benefit to Complete New Trier Scholarship Fund

THE Girls' Club of New Trier is planning a large social event, a bridge benefit, in order to complete a \$1,000 treasury fund and buy another picture for the school. The affair will be held in the school auditorium on Saturday afternoon, May 2, from 2:30 until 5:30 o'clock. There will be a large assortment of prizes and refreshments will be served.

The following will be hostesses for the afternoon:

Helene Seibold, Marjorie Miller, Miss Wright, Vera Hoerber, Miss Packer, Phyllis Ruf, Dorothy Roehm, Miss Ulrick, Teresa Backus, Dorothy Kinstler, Miss Maloney, Betty Harwood, Margaret Rosendale, Miss Harden, Vera May Ogen, Katherine Tufts, Mrs. Carlsen, Charlotte Cornell, Katherine Stolp, Miss Stanwood, Elizabeth Babcock, Mrs. Ruf, Helen Fraser, Mrs. Seibold, Mrs. Backus, Virginia Bradford, Mrs. Hoerber, Mrs. King, Louise Clabaugh, Mrs. Clerk, Mrs. Kinstler, Miss Grover, Doris Fraser, Mrs. Gates, Miss Murphy, and Miss Fulton.

It has been the custom during the last three or four years for the Girls' club to award a scholarship to some girl graduating from high school who would be unable to put herself through college without some outside financial assistance. This year, however, the club has grown even more ambitious, and hopes to help more than one girl through her first college year. At the present time, the club treasury contains \$700, but the members have set \$1,000 for this season's goal. With the aid of their funds, they have already purchased an original painting in the school and this season they hope to buy a companion picture to be hung in the front hall.

Such enthusiasm and interest has arisen over this project that the sale of tables has progressed rapidly, and the girls are very optimistic over the assured success of their venture.

All residents of the north shore will be welcome guests at this affair.

There is hardly anything in this world that some man cannot make a little worse and sell a little cheaper, and the people who consider price only are this man's lawful prey.

Better optical service is an ideal which can be reached, although it is seldom attained. The reason for this is that both patient and optometrist lose sight of the end for which this service was intended, and seek to see how cheaply it can be done.

Realizing that Optical Service has a purpose, the securing of better and more comfortable vision, we endeavor to make our services conform to the intended purpose. This effort has made for us an ever increasing clientele.
