

## MARY PICKFORD PICTURE COMING

"Dorothy Vernon" Due Here  
Next Friday

Something unusual in the form of entertainment will be offered at Community House movies next week when "K—The Unknown" is featured at Tuesday's shows and Mary Pickford in "Dorothy Vernon of Haddon Hall" at the Friday and Saturday performances.

"K—The Unknown" is described as a baffling mystery story adapted from Mary Roberts Rinehart's novel, "K." The featured players are Virginia Valli, star of "The Signal Tower" and "A Lady of Quality," and Percy Marmont, who is remembered for his excellent work in the picturization of "If Winter Comes." On the same bill, Our Gang will appear in another of their mirth-quests, "Sunday Calm."

Next Friday and Saturday, May 8 and 9, will find Mary Pickford's latest production at Community House, "Dorothy Vernon of Haddon Hall" presents "America's sweetheart" once again in the role of a grown-up woman. Of this picture, "The Educational Screen," the independent magazine devoted to the new influence in national education says:

"England of the hoary castles, England of the trim gardens, England of the green woods, England in the gay days of Elizabeth—it lives all too briefly for us in Mary Pickford's beautiful production of Charles Major's romantic novel. Dorothy herself is an adorable spitfire, much given to throwing things, but largely played in that vein of gay tenderness that is so truly Mary Pickford. Queen Elizabeth, played rarely by Clare Eames, is a remarkable portrait, not only in appearance but in spirit. To this reviewer, in fact, it was the outstanding performance, although the cast includes many seasoned and able actors. One of the many joys of Miss Pickford's pictures is the uniform excellence of her casts, which, in itself, is ample evidence that Mary Pickford, the star, is subordinated to Mary Pickford, the producer. And so we have Estelle Taylor as Mary, Queen of Scots, Anders Randolph as Sir George Vernon, Wilfred Lucas as the Earl of Rutland, Alan Forrest as the hero, Sir John Manners, Marc McDermont as Sir Malcolm Vernon, and a host of others. Marshall Neilan directed the story, and in it he has to his credit one of the loveliest of all the costume pictures.

There will be matinee performances Friday at 4, and Saturday at 2:30 o'clock. Evening showings both nights at 7:15 and 9 o'clock.

Dr. and Mrs. Harry W. Moore, 731 Foxdale avenue, have just returned from their new residence in Sarasota, Fla.

## DR. HEDGER TO SPEAK AT HAWTHORN SCHOOL

A course of two lectures dealing with the health, mental and physical, of the school child is to be given at the Hawthorn School, Glencoe, under the auspices of the Mothers' association. The first lecture, "The Health of the School Child" will be given on Friday evening, May 8, at 8 o'clock and the speaker will be Dr. Caroline Hedger.

Dr. Caroline Hedger is a member of the staff of the Elizabeth McCormick Memorial fund of Chicago. Previous to her connection with that organization Dr. Hedger was a school physician under the Chicago Health Department, and in that capacity, and also as a member of the Board of Infant Welfare society, she was influential in putting on the Baby Saving campaign in Chicago some years ago.

In the early years of the World War Dr. Hedger was sent by the Chicago Woman's Club to Belgium to assist in the fight against the typhoid epidemic which was ravaging the country. This work proved to be to a large extent among the children.

This opportunity to hear one of Dr. Hedger's most interesting and instructive lectures without making a long trip to the city is a rare one. Tickets can be obtained at the school or through Mrs. Combs, telephone Winnetka 1510.

## Skokie Graduating Class Favors Ritual Ceremony

Pupils of the Skokie school who are graduating this June have formally organized their graduating class, which will number about 110 members. The following committee of pupils have been elected to take charge of activities: Ruth Shepard, Mary Forrest, Martin Cassel, John Porter, Way Thompson and Ruth Root.

Graduation exercises will be held June 18. The children voted in favor of the ritual used on previous occasions and adopted the Indian head class pin in silver, similar to former class pins. The class colors will be blue and silver.

## BEGIN WORK ON NEW WEISSENBERG BLOCK

Construction has been started on a new apartment and office building on the northeast corner of Elm and Chestnut streets, which is being built by E. C. Weissenberg, the coal dealer, at a cost of \$65,000. The building is expected to be completed about October 1, and will contain eight flats and four offices. The material used will be brick and it will conform with the Winnetka plan.

The new building has been under contemplation for a year. It will be one of the most pretentious structures in the business district, which has seen the addition of a number of new buildings during the past year.

With the addition of the Weissenberg building, Elm street presents an almost unbroken front of attractive business places from Linden avenue to Chestnut street, on both sides of the street. Another new building which will soon be completed is the Nelson laundry, which is north of the Weissenberg building.

## CALLED EAST BY DEATH

John Vennema, 849 Willow road, was called to New York City Monday of this week by the death of his brother, the Rev. Dr. Ames Vennema.
