

NEW TRIER PLAYERS TO GIVE "CLARENCE"

On the evening of May 23, the New Trier High school Drama club will present Booth Tarkington's comedy in four acts called "Clarence." This comedy has been chosen as the senior play this year and will be a happy conclusion to a year's work in dramatics.

Last year's senior play was also a comedy, the well-remembered "Boomerang," by Winchell Smith and Victor Mapes. It would be difficult indeed to forget the excellent work of Edward Felke and Richard Cody. After the senior's triumph last year, it seemed improbable that any cast could do better playing. Nevertheless, the seniors of this year's class promise to equal and even surpass the production of '24.

The season was opened in the autumn of this school year by a comedy entitled "The New Lady Bantock." This drama was presented on two successive evenings by two different casts. The presentation of the same work by different casts under the joint directorship of Miss Elizabeth Stanwood and Mr. Van Kirk, occasioned a great deal of interest and drew forth much praise on the success of the enterprise.

The next major play, "Androcles and the Lion," was another comedy. With it, a satire on Shakespearean heroines was presented.

For her third venture, Miss Stanwood selected "The Copperhead."

As something in a lighter vein after "The Copperhead," Miss Stanwood and Mr. Van Kirk announce "Clarence" to be the concluding play of this season. It is a comedy filled with incidents which call forth satisfactory roars of laughter and gleeful chuckles from the first scene to the final curtain, it is said. Not a little mystery is interwoven about the identification of Clarence and the unraveling of the secret is intriguing to say the least. The denouement is funny in the extreme.

Tell Parents of Camp Roosevelt's Benefits

Major General Harry C. Hale, commanding the Sixth Corps Area, which is comprised of the states of Illinois, Michigan, and Wisconsin, has written to Angus S. Hibbard, chairman of the Camp Roosevelt association, recommending Camp Roosevelt to the parents of boys from 12 to 17 years of age.

"Inspections by this department during the past six years," said General Hale, "and my own inspections in 1923 and 1924, show that Camp Roosevelt is doing a great work for American boys. The military, educational and athletic activities are well organized, and afford unusual privileges to all who enter."

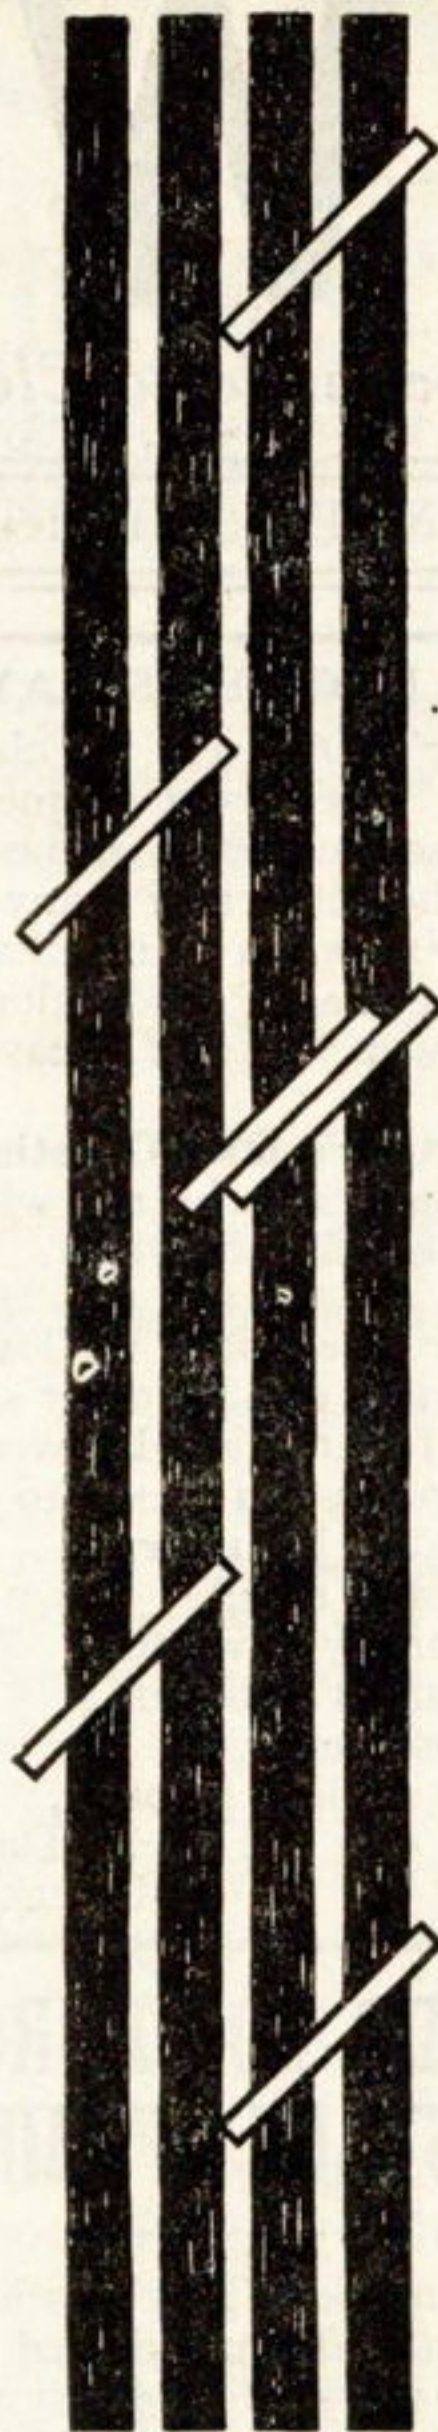

At the camp headquarters at the Board of Education, 460 South State street, Chicago, boys are now being enrolled for attendance, and from the rate at which applications are being accepted, it is evident that 1925 will be a banner year. This is undoubtedly due to the fact that the camp will this summer be located at Fort Sheridan, authority for the use of this government land having been granted by Secretary of War Weeks.

Many Pupils Now Studying Violin at Skokie School

Skokie school has a large class which is taking instructions on the violin from a teacher who spends one day at the school each week. The interest of pupils in music is fostered by the school authorities in this manner and those who become proficient have an opportunity to join the school orchestra. According to the supervisor of music, cellists are needed. At present there are only two in the school. The Glee club and orchestra of the school will give their annual concert late in the month, it was announced.

A CORRECTION

An article appearing in last week's WINNETKA TALK stated that Mrs. E. Von Sickle, who was injured in an automobile accident at Cherry street and Maple avenue, was the daughter of Julius J. Kreuger of Chicago. This was incorrect. Mrs. Von Sickle is the daughter of Carl Engels, 923 Ridge avenue, Evanston.
