

Here Is Winnetka's Newest Business Block

This is Winnetka's new \$65,000 apartment and office building, which will occupy the northeast corner of Elm and Chestnut streets. Construction has already begun and the building will be completed about October 1, according to E. C. Weissenberg, the owner. The building will have four offices or stores and eight apartments. Construction of the Weissenberg block marks another step in the revamping of the Elm street business block between Linden and Chestnut streets.

YAWL VOYAGEUR ENDS BIG CRUISE

Seascouts Have Windy Voyage From Milwaukee

The good yawl Voyageur with a crew of Seascouts and officers sailed into Wilmette harbor last Sunday afternoon, completing the first cruise in the new Seascout ship.

The boat left Milwaukee, its former port, at 5 o'clock Saturday afternoon. Head winds were met with all the way and the engine was used continuously. The boat was launched at 8 o'clock Saturday morning and the entire day was spent in rigging, fueling and provisioning the ship for its initial cruise under its new owners.

The boat proved itself an excellent sea boat and very fast under sail and power. The officers were more than delighted with its performance. A large number of people gathered at the harbor to greet the boat's arrival which was on schedule time. Due to adverse winds the boat motored into the harbor but made a pretty sight with pennants and ensign flying to the brisk wind.

Portmaster Shaw and Seascout-master Cook were in command of the yawl assisted by Mate Winzell and Engineer Challinor. Seascouts DeBerard, McKana, Boyden and Burge formed the balance of the crew and proved themselves real sailors.

The Voyageur is owned jointly by Messrs. Shaw and Cook and the Wilmette Seascouts and will make Wilmette harbor her home port.

Mr. and Mrs. Weinstock, 1005 Greenwood avenue, have gone to Ohio for a brief visit with relatives.

LEE SAYS:

YOU'VE heard, of course, ABOUT the stingy man WHO grew a wart on his NECK to save collar BUTTONS—which is pretty TIGHT, you'll admit—but YESTERDAY we heard of ANOTHER stingy man who NEVER buys any coal— HE lives beside the RAILROAD track and makes FACES at the engineer— BUT we maintain that IT'S all right to be THRIFTY so long as it ISN'T carried to such EXTREMES as we've just MENTIONED, and that BRINGS to mind our LINE of Auto Strop Razors WHICH we are offering JUST now at the very ATTRACTIVE price of FIFTY-NINE cents. WITH a tube of SHAVING cream, and we can't THINK of any better WAY to save money than TO BUY one at that LOW figure.

SPECIAL

\$1.00 Autostrop Razor with strop and one tube of shaving cream for 59 cents.
