Give Annual Vaudeville Bill This Week

The second All-University Vaudeville will be given this Friday and Saturday at Annie May Swift hall on the Evans-ton campus. The show is being presented by the board of governors of the University theater, which is composed of the heads of all the dramatic organiza-tions on the Northwestern campus.

Talent for the show has been picked from the stars of all the dramatic so-cieties. Included in this list are some of the brightest luminaries of the re-cent W. A. A. show. Florenceada Gan-dre, who was such a success as the "babe" flapper in the "Tenth Attempt," will double with Dorothy Walcott, an-other School of Speech maiden in a singing and dancing act.

Elinor Rice, a graceful dancer with this year's all-girl show, will team it with James (Jimmie) Griffin, who coached that show as well as this year's and last year's University Vaudeville, in an exhibition of legmania.

Abe Latkir, star of the first Univer-sity Vaudeville, will have a new act. Abe is one of the funniest clowns that anyone could wish to laugh at. Other featured entertainers billed to appear are Bob Redfield and Dell Hair in a synopated act; Laura Lenfesty, Helen Scudder and Jean Melville, who were three of the four singing and dancing "Quads" starring in the W. A. A. show, Margaret (Brownie) Bracken and Vir-ginia (Bunny) Knapp, in a singing act, Tim Lowry, football captain and wrest-ling star who will show his versatility, and Harriet Allyn will give impersona-tions. The annual vaudeville bill is be-ing coached by James (Jimmie) Griffin, assisted by Alexander Dean, of the School of Speech faculty.

PRaises Firemen for PROMPT WORK AT BLAZE

The Village council received the fol-lowing letter this week from Ayres Boal, whose home at 701 Sheridan road was damaged by fire last week. Mr. Boal also sent Chief G. M. Houren of the fire department a check for \$50 in appreciation for his work. The let-ter, addressed to President Miller and the council, follows:

"I wish to congratulate you on the work of your fire department in con-nection with my house, 701 Sheridan road, Winnetka. Mrs. Massey swears that she left my house the morning of the fire, before the fire occurred; that she walked directly to her own house, 100 feet, and as she entered the door the telephoning bell was ringing and a friend on the other end asked where the fire engines were going. Be that as it may, the fact remains that the department answered the call in re-markably quick time; they found an intense fire in the basement and put it out with a minimum of loss by fire and water to the furniture and house."
