

DOUGS FILM COMING SOON

**"Thief of Bagdad" Scheduled
for May 22-23**

Douglas Fairbanks' amazing picturization of the Arabian Nights, "The Thief of Bagdad," will be shown at Community House, Friday and Saturday, May 22-23.

The agility of the athletic Doug stands him in good stead as the adventurous THIEF OF BAGDAD.

"The Thief of Bagdad" is generally considered as being, beyond question, the most extraordinary example of screen art known up to the present time. According to all accounts, it marks a distinct and radical advance in this popular form of entertainment, and places it on a higher plane than it has ever before attained.

Douglas Fairbanks will be seen at his best as the agile happy-go-lucky rascal of old Bagdad. The story is based on the Arabian Nights tales and utilizes the services of thousands of people. Fairbanks' role is that of a thief who reforms and becomes a veritable prince, conquering unbelievable difficulties and finally winning the hand of the princess.

To depict such happenings as are in "The Thief of Bagdad" has never before been considered within the bounds of possibility. Some of the adventures are; the Thief mounted on the Winged Horse, flying up and through the clouds; the Thief and the Princess, on the Magic Carpet soaring above the

house-tops and into the sky; the raising of the magic army from nothingness, and the invisible cloak, by the aid of which the redoubtable thief reaches the presence of the princess. There will be matinees on Friday at 4 o'clock and on Saturday at 2:30; evening performances both nights at 7:15 and 9 o'clock.

Temple Club Invites to Year's Last Party

Tuesday evening, May 19, the Temple club of the Winnetka Masonic temple will hold its last meeting of the season. The members are making this evening a guest night, and invite the wife, mother, daughter or sister of any Mason living in the community to be present on this occasion.

The Temple club was formed a year and a half ago and has been responsible for many enjoyable evenings at the temple. Membership in the club is open to the wife, mother, sister or daughter of any Mason living in the community whether or not a member of the Winnetka Lodge.

The meeting will be called to order at 8 o'clock and, after a very brief business session, cards and dancing will be in order, followed by refreshments.

Winnetka Masons Will Entertain Glencoe Lodge

In February a large group of Masons, members of Winnetka Lodge, visited Glencoe to pay their respects to the old home lodge and thoroughly enjoyed the hospitality that was extended to them on that occasion.

Thursday evening, May 21, Glencoe Lodge No. 983 will visit Winnetka and confer the third degree on an evening candidate and those members who were present at Glencoe when Winnetka conferred the third degree will appreciate what is meant when one says that the evening's candidate will be specially prepared for the occasion.

The good fellowship and friendly spirit of cooperation that exists in the various lodges on the north shore is a wonderful thing, the leaders declare, and this exchange of visits is certain to spread the cement of friendship which will ever bring them closer together.

All Masons in the community, whether members of the Winnetka Lodge or not, are invited to attend this meeting. "Come and get acquainted," is the challenge.
